IN THE MATTER OF THE PROVISION OF BASIC )  
GENERATION SERVICE (BGS) FOR THE PERIOD )  
BEGINNING JUNE 1, 2018 )  
 )  
 ) DOCKET NO. ER17040335

**Parties of Record:**

**Hesser G. McBride, Esq.**, on behalf of Public Service Electric and Gas Company  
**Gregory Eisenstark, Esq.**, Morgan, Lewis & Bockius LLP, on behalf of Jersey Central Power & Light Company  
**Philip J. Passanante, Esq.**, on behalf of Atlantic City Electric Company  
**Margaret Comes, Esq.**, on behalf of Rockland Electric Company  
**Stefanie A. Brand, Esq.**, Director, New Jersey Division of Rate Counsel

**BY THE BOARD:**

By prior Board Orders in Docket No. ER15040482 dated November 16, 2015, and Docket No. ER16040337 dated October 31, 2016, the Board approved, with modifications, the joint Basic Generation Service ("BGS") proposals of the State's Electric Distribution Companies ("EDCs") -- Atlantic City Electric Company ("ACE"), Jersey Central Power & Light Company ("JCP&L"), Public Service Electric and Gas Company ("PSE&G") and Rockland Electric Company ("Rockland") -- that used a descending clock auction format to procure two-thirds of the State's BGS requirements for Residential and Small Commercial Pricing ("RSCP") customers for 36 months for periods extending to May 31, 2020. In those prior Orders, the Board did not address how the remaining BGS requirements for RSCP customers, as well as the State's annual BGS requirements for Commercial and Industrial Energy Pricing ("CIEP") customers, would be procured for the period beginning June 1, 2018.<sup>1</sup>

<sup>1</sup> If the EDCs continue to propose a three year rolling product as in the past, the BGS RSCP requirements procured for the period beginning June 1, 2018 will supply one-third of the BGS RSCP load for the period June 1, 2018 through May 31, 2019, one-third of the BGS RSCP load for the period June 1, 2019 through May 31, 2020, and one-third of the BGS RSCP load for the period June 1, 2020 through May 31, 2021.

Prior Board Orders also approved a process for Rockland to procure the capacity and energy needs of its Central and Western Divisions, where previous purchases of capacity and energy were from the New York Independent System Operator ("NYISO"). Going forward the procurement of capacity and energy needs for those regions will need to be addressed by Rockland in its company specific proposal.

The process adopted by the Board to determine how to procure BGS for the past sixteen years has provided an opportunity for participation by all interested parties through both written comments and at public hearings. These procedures have resulted in a wide range of BGS suggestions, a timely Board decision and, ultimately, a successful procurement process. Accordingly, the Board intends to initiate a proceeding to determine the best procurement process for BGS-RSCP and BGS-CIEP requirements, and the capacity needs of Rockland's non-PJM service area within New Jersey, for the period beginning June 1, 2018. This proceeding is similar to the process that has been employed for the past sixteen years. The proceeding will include an invitation for all parties to propose how to procure BGS supply, the ability for all parties to issue discovery, provide written comments to the Board, and provide for oral testimony at both legislative and public hearings where the Board encourages the use of expert testimony. The proposed procedural schedule anticipates a Board decision on the process in November 2017, a BGS procurement process in February 2018, and a Rockland process for its non-PJM service area's capacity needs.

Therefore, the Board **DIRECTS** the EDCs - ACE, JCP&L, PSE&G and Rockland - to file proposals no later than July 1, 2017, addressing how to procure the remaining one third of the State's BGS-RSCP requirements and the annual BGS-CIEP requirements for the period beginning June 1, 2018, including directing Rockland to file a proposal as part of its July 1, 2017 BGS filing to procure the BGS capacity and energy requirements for its non-PJM service area within New Jersey for the period beginning June 1, 2018. In addition, the Board also invites all other interested stakeholders to file alternative BGS proposals with the Board by July 1, 2017.

Furthermore, the Board **ADOPTS** the preliminary procedural schedule contained in Attachment A to this Order.

All discovery and comments must be filed with the Board's Secretary, and also be electronically served via email to parties on the attached e-service list. Parties wishing to be added to the e-service list may do so by emailing Stacy Peterson at [stacy.peterson@bpu.nj.gov](mailto:stacy.peterson@bpu.nj.gov).

All parties should adhere to the attached schedule unless otherwise directed. Parties will be advised of the time and place of the legislative-style hearing identified in Attachment A electronically via email, and through a posting on the Board's webpage. The Board and/or Staff will also notify parties through the electronic service list and, when possible, through the Board's webpage, of the time and location of any meetings or hearings as well as of any schedule changes.

This Order shall become effective May 1, 2017.
