BPU DOCKET NO. GR19030420

Parties of Record:

Gregory Eisenstark, Esq., Cozen O'Connor on behalf of New Jersey Natural Gas Company
Stefanie A. Brand, Esq., Director, Division of Rate Counsel

BY THE BOARD:

On March 29, 2019, pursuant to N.J.S.A. 48:2-18, N.J.S.A. 48:2-21, N.J.S.A. 48:2-21.1, and N.J.A.C. 14:1-5.12, New Jersey Natural Gas Company ("NJNG" or "Company"), a public utility of the State of New Jersey subject to the jurisdiction of the New Jersey Board of Public Utilities ("Board"), filed a petition for approval of an increase in its operating revenues of approximately \$128.22 million, to be effective for gas service provided on or after April 29, 2019.¹ The Company also seeks Board approval to implement new depreciation rates that include cost of removal rates that the Company submits are more appropriate and will allow it to more fully recover its expected costs as it replaces aging infrastructure, as well as certain other tariff changes.

¹ On April 1, 2019, the Company submitted a letter to the Board Secretary advising that it will not implement rates on an interim basis prior to the effective date of the Board's Initial Suspension Order resulting from the May 8, 2019 public agenda meeting. The effective date of the Board's Initial Suspension Order is May 18, 2019.

NJNG also requested a return on equity of 10.875%. According to the petition, the Company's current base rates and charges for natural gas service are not sufficient at their current level and, if left unchanged, will impair NJNG's ability to meet operating and maintenance expenses, tax and fixed charges, and its ability to earn a reasonable rate of return.

NJNG is also seeking approval to establish a Phase II of this proceeding to address the cost recovery for the Company's Southern Reliability Link intra-state gas transmission project, which commenced construction in November 2018 and is anticipated to be in-service during 2020.

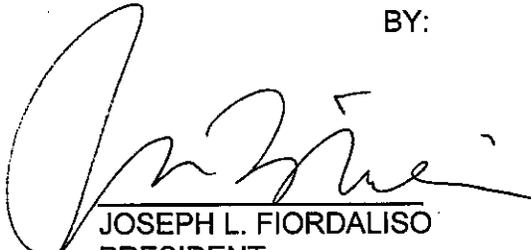

It appearing that the proposed revisions, if approved, will increase existing rates and change or alter existing classifications in NJNG's tariff, it is **HEREBY ORDERED** that:

- (1) Pursuant to N.J.S.A. 48:2-21(d), the proposed revisions are suspended until August 29, 2019, unless prior to that date the Board makes a determination disposing of the petition or enters an Order further suspending the proposed revisions;
- (2) NJNG shall, at least ten (10) days prior to the date set for hearing on the petition by the Office of Administrative Law ("OAL"), file with this Board and with the OAL, proof of compliance with the notice provisions of N.J.S.A. 48:2-32.2 and N.J.A.C. 14:1-5.12(b) and (c), which notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and
- (3) NJNG shall, at the same time it files with the Board, also file proof of service of copies of this Order upon the New Jersey Division of Rate Counsel, the clerks of each affected municipality, the clerks of the Boards of Chosen Freeholders of each affected County, and where appropriate, the executive officer of each affected County within its service area. Service of the petition, notice of hearings and this Suspension Order may be made simultaneously.

This Order shall be effective on May 18, 2019.
