Party of Record:

Nathan Cartwright, President, T.E. Energy Consultants LLC

BY THE BOARD:

By this Decision and Order the New Jersey Board of Public Utilities (“Board”) considers an Offer of Settlement of any and all potential violations under the Electric Discount and Energy Competition Act (“EDECA”, or “Act”), N.J.S.A. 48:3-49 et seq. and more specifically, N.J.S.A. 48:3-78 and N.J.A.C. 14:4-1.1 et seq. (the “Regulations”) by T.E. Energy Consultant, LLC, (“T.E. Energy Consultants” or “the Company”), which has been operating as an energy agent (“EA”) in New Jersey.

BACKGROUND

Pursuant to EDECA, the Board has authority and jurisdiction over all EAs in New Jersey. EDECA defines an EA as “a person that is duly registered pursuant to the provisions of [EDECA], that arranges the sale of retail electricity or electric related services, or retail gas supply or gas related services, between government aggregators or private aggregators and electric power suppliers or gas suppliers, but does not take title to the electric or gas sold.” N.J.S.A. 48:3-51 (definition of “energy agent”). See also, N.J.A.C. 14:4-1.2.

The Board’s implementing rules are found at N.J.A.C. 14:4-1.1 et seq. (the “Regulations”). Pursuant to N.J.A.C. 14:4-5.1(f), “[a] person shall not arrange the retail sale of electricity, electric-related services, gas supply or gas-related services between an energy aggregator and a TPS without first registering as an energy agent.” N.J.S.A. 48:3-78(i) specifies that “any person acting as an energy agent shall be required to register with the board . . . This registration shall be updated annually.” See also, N.J.A.C. 14:4-5.8(g).

Pursuant to N.J.A.C. 14:4-5.8(g), the term of an EA registration is valid for one year from the date of issuance unless timely renewals are filed. See also, N.J.A.C. 14:4-5.9. N.J.A.C. 14:4-5.9(a) set forth the obligation of the EA to timely file a renewal application. Specifically, the EA must file a complete renewal application at least thirty (30) days before the expiration date of the existing registration. If a timely renewal application is not submitted, the initial registration expires at the end of its term. In the event an EA does not submit a renewal application within thirty (30) days before the end of the registration term, the Registrant must submit a new registration application.

Pursuant to EDECA, the Board, among other things, is vested with investigative powers, disciplinary powers, alternative disciplinary powers, and with the authority to assess civil penalties. N.J.S.A. 48:3-80 et seq. Pursuant to N.J.A.C. 14:4-5.1(f) and -5.9(b)(3), a person without a valid EA registration, cannot “act as, or represent themselves to others as, an energy agent . . .” In addition, the Board can deny, suspend, or revoke a registration; impose financial penalties; and prohibit acceptance of new customers. N.J.A.C. 14:4-5.13. In determining the amount of the fines, the Board may consider each day of each violation against each customer as a separate offense. N.J.A.C. 14:4-5.13(c). The Board may also consider any good faith efforts made by the Company; the gravity of the violation; the number of past violations; and the appropriateness of the sanction or fine. N.J.A.C. 14:4-5.13(b).

As an EA, T.E. Energy Consultants is subject to the jurisdiction of the Board and must comply with EDECA and the Regulations.

DISCUSSION AND FINDINGS

T.E. Energy Consultants’ initial registration, Registration No. EA-0285, was effective for a renewed term of March 23, 2017 through March 22, 2018. T.E. Energy Consultants did not renew this registration with the Board before it expired on March 22, 2018. T.E. Energy Consultants LLC filed a late renewal application on April 9, 2018. The Company continued to arrange energy procurement to customers in New Jersey. Staff directed T.E. Energy Consultants on December 18, 2018 to file an initial application. On March 8, 2019, an initial application from T.E. Energy Consultants was received by the Board.

Staff has conducted an investigation regarding T.E. Energy Consultants’ compliance with the Act and the Regulations. Staff has alleged that T.E. Energy Consultants failed to comply with the registration and renewal requirements under the Act and the Regulations, including N.J.S.A. 48:3-78, N.J.A.C. 14:4-5.1(a)(3), and N.J.A.C. 14:4-5.9.

T.E. Energy Consultants has responded promptly and effectively to all Staff requests during the investigation. The Company serves residential, commercial, and industrial customers in New Jersey. Staff has determined that no complaints have been filed with the Board or the Division of Consumer Affairs against T.E. Energy Consultants by any of its New Jersey customers since the Company’s registration was last renewed on March 23, 2017, ending March 22, 2018.

As a result of correspondence and telephone conversations, T.E. Energy Consultants has submitted an Offer of Settlement (“Offer”), which is attached hereto, regarding its alleged violations. In the Offer, T.E. Energy Consultants made a monetary offer in the amount of \$875.00 to resolve all issues concerning the violations alleged by Staff.

The Board has reviewed the matter and **HEREBY FINDS** that the Offer represents a reasonable settlement of the alleged violations. Therefore, the Board **HEREBY ACCEPTS** the Offer of Settlement proffered by T.E. Energy Consultants.

The Board will **CONSIDER** under a separate docket number the initial application filed by T.E. Energy Consultants on March 8, 2019. The Offer of Settlement is accepted subject to the following conditions:

1. T.E. Energy Consultants will pay to the State of New Jersey the sum of Eight Hundred Seventy Five Dollars (\$875.00) in full and final settlement of any and all potential violations under the Act and/or the Regulations, which have been or could have been alleged by the Board or the Staff against T.E. Energy Consultants, up to and including February 14, 2020.
2. This Offer of Settlement shall not relieve T.E. Energy Consultants or its parents, affiliates, subsidiaries or successors, from any liability for violations, if any, of the Act, the Regulations, or Board Orders that may occur after February 14, 2020.
3. Any future repeated violation(s) of the Act, the Regulations, or Board Orders by T.E. Energy Consultants or its parents, affiliates, subsidiaries, or successors that may now or in the future arranges energy services that is the subject of this Offer of Settlement, shall be deemed to be a second, third, or subsequent violation, as appropriate, pursuant to provisions of N.J.S.A. 48:3-83.
4. T.E. Energy Consultants will comply with all provisions of the Act and Regulations regarding registration renewal requirements as set forth at N.J.S.A. 48:3-78, N.J.A.C. 14:4-5.8 and N.J.A.C. 14:4-5.9.
5. The execution of this Offer of Settlement shall not be relied upon by T.E. Energy Consultants or its affiliates, subsidiaries or successors in an attempt to mitigate any future claim that any such entity has violated the terms and conditions of the Act, the Regulations, or any Board Order.

The Board **FURTHER ORDERS** that no later than ten (10) days from the Effective Date of this Order, T.E. Energy Consultants shall pay the Settlement Payment of Eight Hundred Seventy Five Dollars (\$875.00). Payment must be made out to the **TREASURER, STATE OF NEW JERSEY** and
