IN THE MATTER OF THE ORDINANCE OF THE) ORDER APPROVING RENEWAL
BOROUGH OF KEYPORT, MONMOUTH) OF FRANCHISE AGREEMENT
COUNTY, NEW JERSEY, AUTHORIZING)
RENEWAL OF THE FRANCHISE AGREEMENT)
WITH NEW JERSEY NATURAL GAS COMPANY) DOCKET NO. GE20030201

Parties of Record:

Stefanie A. Brand, Esq., Director, New Jersey Division of Rate Counsel
Andrew K. Dembia, Esq., on behalf of New Jersey Natural Gas Company

BY THE BOARD:

New Jersey Natural Gas (“NJNG” or “Company”), a regulated public utility subject to the jurisdiction of the New Jersey Board of Public Utilities (“Board”), is a corporation duly organized under the laws of the State of New Jersey engaged in the distribution and transportation of natural gas to approximately 530,000 residential, commercial and industrial customers located in Monmouth and Ocean Counties, parts of Middlesex, Burlington, and Morris counties in New Jersey.

NJNG currently provides natural gas service within the Borough of Keyport (“Borough”) to 2,655 residential customers and 666 commercial customers. The Company’s 50 year consent to use the streets within the Borough for the provision of gas service expired on March 24, 2019.¹ On March 19, 2019 by Ordinance No. 7-19 (“Ordinance”), the Borough renewed NJNG’s franchise for a period of 50 years and has granted NJNG consent to lay, maintain, and operate gas facilities in the Borough. A copy of the Ordinance is attached to this Order as Exhibit “A”. By letter to the Borough dated April 26, 2019, NJNG accepted and agreed to the terms and conditions of the Ordinance pursuant to N.J.S.A. 48:3-16. Copies of the letter of acceptance and the hearing notice are attached to this Order as Exhibits “B” and “C”, respectively.

¹ The Board notes that municipal consents often expire some time prior to their renewal even when the Company initiates the renewal process prior to the expiration of the previous term. This is primarily the result of the time necessary for a municipality to fulfill the legal requirements that attend to all formal actions it must take along with the additional time for hearing and Board approval as required by law. The Board has been assured that pending review of its petition, NJNG represents that it has continued to provide service to its customers within the Borough in an uninterrupted manner.

On March 3, 2020, NJNG filed a petition with the Board, pursuant to N.J.S.A. 48:2-14 and N.J.A.C. 14:1-5.5, seeking approval of the franchise renewal agreement granted by the Borough. As required by law and after notice, a municipal consent hearing in this matter was held on July 28, 2020. Lanhi Saldana, Esq., the board's duly appointed hearing officer, presided over the hearing. Appearances were made on behalf of the Company, the New Jersey Division of rate Counsel ("Rate Counsel") and Board Staff. No other party participated in the hearing or filed any written comments with the Board related to this matter.

At the hearing, the Company relied on its petition and exhibits filed with the Board and presented the testimony of John B. Wyckoff, Vice President of Operations and Engineering. According to Mr. Wyckoff's testimony and discovery responses, NJNG anticipates growth in the Borough over the next five (5) years of approximately 30 to 40 customers. Mr. Wyckoff also testified that the Company has the capacity to meet the anticipated level of growth within the municipality and has no plans to change its gas distribution system within the Borough.

Rate Counsel, in its written comments to the petition dated August 19, 2020, indicated that it does not object to the Company's petition since the Company represented that it has the capacity necessary to continue to provide natural gas service to the Borough. The term of the municipal consent related to the use of streets is limited to a term of 50 years. However, Rate Counsel requested that approval of the petition include certain restrictions which are incorporated in this Order.

DISCUSSION AND FINDINGS

After careful review and consideration of the petition and exhibits submitted in this matter, the Board **HEREBY FINDS** that the renewal of the franchise agreement granted to NJNG by the Borough of Keyport is necessary and proper for the public convenience and properly serve the public interest, and that NJNG has the ability to continue to provide safe, adequate, and proper service. The Board **FURTHER FINDS** that the Company has the necessary experience, financial capability, capacity, and facilities in the Borough to continue to provide adequate and appropriate service to its existing customers, and that the 50 year duration of the municipal consent to use the streets is consistent with N.J.S.A. 48:3-15. Accordingly, the Board, pursuant to N.J.S.A. 48:2-14, **HEREBY APPROVES** the consent granted to NJNG by the Borough to continue to provide gas service, and for the continued use of its public streets for that purpose for a period of 50 years.

The approval granted hereinabove shall be subject to the following provisions:

1. As required by N.J.S.A. 48:3-15, and limited by the Ordinance, the municipal consent to construct, maintain and operate gas lines in the streets and other public places in the Borough is limited to a term not exceeding 50 years.
2. This Order shall not be construed as directly or indirectly fixing for any purposes whatsoever the value of any tangible or intangible assets now owned or hereafter to be owned by NJNG.
3. This Order shall not effect nor in any way limit the exercise of the authority of this Board or of the State in any future petition or in any proceedings with respect to rates, franchises, services, financing, accounting, capitalization, depreciation, or in any other matters affecting NJNG.

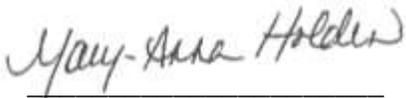

This Order shall be effective on October 24, 2020.
