Dear Katie Widmar:

In accordance with the Electric Discount and Energy Competition Act of 1999, N.J.S.A. 48:3-49 et seq., at its November 21, 2025 Agenda meeting, the New Jersey Board of Public Utilities ("Board") voted to issue an Electric Power Supplier License, number ESL-0270, to ResCom Energy LLC d/b/a NextVolt Energy. Pursuant to N.J.A.C. 14:4-5.6, this license shall not expire so long as a license renewal fee accompanied by an annual information update form is submitted to the Board within thirty (30) days prior to the annual **anniversary date of December 13th**.

This license is effective December 13, 2025, contingent upon timely receipt by the Board of the settlement payment addressed in Docket No. EO25090525. This license and the rights thereunder are **Non-Transferable**.

This letter is not an endorsement of, nor is it intended for use in, the marketing promotions of the licensee. Licensees shall comply with all applicable law, including the Electric Discount and Energy Competition Act, which prohibits the unauthorized change of a customer's energy provider and other fraudulent and illegal marketing activities.
