Re: In the Matter of the Provision of Basic Generation Service for the Period Beginning June 1, 2025 - Docket No. ER24030191

Rockland Electric Company Quarterly Reconciliation Filing Effective March 1, 2026

Dear Mr. Flishenbaum,

This matter relates to a February 19, 2026, filing made by Rockland Electric Company (“RECO” or “Company”) to update its Basic Generation Service (“BGS”) reconciliation charges (“Reconciliation Filing”).

The reconciliation charges are computed quarterly and filed with the New Jersey Board of Public Utilities (“Board”) not less than fifteen (15) days prior to the first day of the effective quarter. As part of its Reconciliation Filing, RECO requested that the Board treat this filing as having been made on February 17, 2026.¹

At its agenda meeting on March 18, 2026, the Board considered your request. Please be advised that the Board considers RECO’s Reconciliation filing as filed within time.

Sincerely,

A handwritten signature in cursive script that reads "Sherri L. Lewis".

Sherri L. Lewis
Secretary to the Board
