## **NOTICE<sup>1</sup>**

**In the Matter of the Proposed Amendment to N.J.A.C. 14:9 Wastewater (Sewer) System Improvement Charge - Docket No. WX19050614**

### **Notice to submit comments**

The Staff of the Board of Public Utilities (BPU or Board) invite all interested parties and members of the public to comment on modifications to the BPU's rules regarding water and wastewater set forth in the New Jersey Administrative Code as they pertain to a potential Wastewater (Sewer) System Improvement Charge (WSIC).

The Distribution Service Improvement Charge (DSIC) is a regulatory mechanism which creates a financial incentive for water utilities to accelerate the level of investment needed to promote the timely rehabilitation or replacement of certain non-revenue producing critical water infrastructure. Through the stakeholder process, BPU staff provides an opportunity for interested parties to comment on extending the DSIC rules to investor-owned wastewater (sewer) utilities.

A stakeholder meeting was conducted on September 13, 2019. Please submit initial comments regarding the topics discussed at the stakeholder meeting or any other comments relating to the potential modifications to N.J.A.C. 14:9 to Aida Camacho-Welch, Board Secretary, New Jersey Board of Public Utilities, 44 South Clinton Avenue, 9<sup>th</sup> Floor, Post Office Box 350, Trenton, New Jersey 08625-0350, by October 11, 2019.
