Commissioner

Emma Rebhorn
Commissioner

Joseph Coviello
Commissioner

October 30, 2026

Re: NJBPU-Electronic Filing Requirements

Pursuant to "N.J.S.A. 48:5A-10" the Board shall, consistent with federal law, establish, on its official Internet site, a secure online process to allow entities licensed by or otherwise operating under the jurisdiction of the Board pursuant to P.L.1999, c.23 (C.48:3-49 et al.) to:
Complete online any documents the Board requires by regulation or order to be submitted to it by such entities and electronically submit completed documents for review and approval by the appropriate officer of the Board.

In an effort to increase efficiency, reduce processing times and minimize environmental impact, effective **November 2, 2026**, the NJ Board of Public Utilities is transitioning to an exclusive electronic filing (e-filing) system for petitions, discovery, motions and all official documents.
All documentation must be submitted digitally via the BPU External Access Portal.
E-Filing instructions can be found here.

The Secretary's Office request that filers do not submit official documents by email to Board.Secretary@bpu.nj.gov. All filers who submit official documents via this email will be directed to resubmit their documents through the BPU External Access Portal. Once officially filed, documents may be emailed to the appropriate service list, including Board Staff.

Thank you for your cooperation and understanding as we work to modernize our systems and better serve the State of New Jersey. If you have any questions, please contact me at Board.Secretary@bpu.nj.gov.

Sherri L. Lewis
