

# NOTICE TO PUBLIC SERVICE ELECTRIC AND GAS COMPANY ELECTRIC CUSTOMERS

## In the Matter of the Petition of Public Service Electric and Gas Company for Approval of Electric and Gas Rate Adjustments Pursuant to the Infrastructure Advancement Program

### Notice of Filing and Notice of Public Hearings

#### Docket Nos. ER25100554 and GR25100555

**PLEASE TAKE NOTICE** that, on October 1, 2025, Public Service Electric and Gas Company ("PSEG," or "Company") filed a petition and supporting documentation with the New Jersey Board of Public Utilities ("Board" or "BPU") seeking Board approval for cost recovery associated with the Company's Infrastructure Advancement Program ("IAP" or "Program") ("Petition").

On June 29, 2022, the Board issued an Order approving the IAP in Docket Nos. EO21111211 and GO21111212 ("IAP Order"). The IAP Order provided approval to invest \$511 million to complete the Program, with \$351 million within the IAP Rate Mechanism and \$160 million within Stipulated Base to implement infrastructure improvements to enhance safety, reliability, and resiliency, and modernize the Company's electric and gas delivery systems. It was anticipated that these investments would be made over a four (4)-year period beginning in the month after the effective date of the IAP Order.

By the Petition, PSEG seeks Board approval to recover an estimated annual revenue increase of approximately \$13.60 million from the Company's electric customers and approximately \$3.81 million from the Company's gas customers associated with actual IAP investment costs incurred through August 31, 2025, and forecasted costs through December 31, 2025.

For illustrative purposes, the estimated IAP charges effective April 1, 2026, including New Jersey Sales and Use Tax ("SUT") for Residential Rate Schedule RS, are shown in Table #1.

Tables #2 and #3 provide customers with the approximate impact of the proposed increase in rates relating to IAP, if approved by the Board, effective April 1, 2026. The annual percentage increase applicable to specific customers will vary according to the applicable rate schedule and the level of the customer's usage.

Under the Company's proposal, a typical residential electric customer using 683 kilowatt-hours per month during the summer months, and 6,700 kilowatt-hours on an annual basis, would see an increase in the average monthly bill from \$157.97 to \$158.35, or \$0.38, or approximately 0.2%. The approximate effect of the proposed increase on typical electric residential monthly bills, if approved by the Board, is illustrated in Table #4 below.

Under the Company's proposal, a typical residential gas heating customer using 172 therms per month during the winter months and 1,040 therms on an annual basis would see an initial increase in the average monthly bill from \$105.75 to \$105.91, or \$0.16, or approximately 2%. 0.2%. The approximate effect of the proposed increase on typical gas residential monthly bills, if approved by the Board, is illustrated in Table #5.

Any rate adjustments with resulting changes in bill impacts found by the Board to be just and reasonable as a result of the Petition may be modified and/or allocated by the Board in accordance with the provisions of N.J.S.A. 48:2-21 and for other good and legally sufficient reasons to any class or classes of customers of the Company. Therefore, the described charges may increase or decrease based upon the Board's decision. PSEG's electric costs addressed in the Petition and subsequent updates will remain subject to audit by the Board, and Board approval shall not preclude or prohibit the Board from taking any such actions deemed appropriate as a result of any such audit.

A copy of this Notice of Filing and Public Hearings on the Petition is being served upon the clerk, executive or administrator of each municipality and county within the Company's service territory. The Petition is available for review online at the PSEG

website at <http://www.pseg.com/pseandgfilings> and has also been sent to the New Jersey Division of Rate Counsel ("Rate Counsel"), who will represent the interests of all PSEG customers in this proceeding. The Petition is also available to review online through the Board's website, <https://publicaccess.bpu.state.nj.us>, where you can search by the above-captioned docket number. The Petition and Board file may also be reviewed at the Board located at 44 South Clinton Avenue, 1st Floor, Trenton, NJ, with an appointment. To make an appointment, please call (609) 913-6298.

**PLEASE TAKE FURTHER NOTICE** that virtual public hearings are scheduled on the following date and times so that members of the public may present their views on the Petition.
