NOTICE¹

In the Matter of Fiscal Year 2020 Clean Energy Budget Docket No. QO20060402

Please take notice that the Clean Energy Budget within the New Jersey Board of Public Utilities' Division of Clean Energy is expected to be re-authorized at the next regularly scheduled Board meeting, which has been rescheduled for July 2, 2020. Parties should treat the existing Clean Energy Budget as administratively continued, subject to the Board authorizing the budget extension on July 2. This action is taken in order to prevent any nominal gap in the delivery of these important services and in accord with the extraordinary measures associated with the extension of the budget related to the COVID-19 pandemic.
