## NOTICE<sup>1</sup>

On Thursday, March 19, 2020, the New Jersey Board of Public Utilities ("Board") will be convening an emergency meeting via telephone at 10:00 a.m. regarding:

DOCKET NO. EO20030254 – IN THE MATTER OF THE NEW JERSEY BOARD OF PUBLIC UTILITIES RESPONSE TO THE COVID-19 PANDEMIC FOR A TEMPORARY WAIVER OF REQUIREMENTS FOR CERTAIN NON-ESSENTIAL OBLIGATIONS

The Board will consider the following mandates:

1. All public utilities and regulated entities shall immediately cease any in-home or business visits unless there is an immediate risk to health and safety;
2. All door-to-door sales activity by third-party suppliers or other sales persons selling energy or energy related products (for example: residential solar, community solar, or energy efficiency offerings) are to be suspended immediately.

The Board will also consider waiving the requirements for paper filings and accept e-filing in lieu of paper filing of all documents. Additionally, the Board will consider suspending all fees as set forth in N.J.S.A. 48:2-56.

In accordance with the provisions of N.J.S.A. 10:4-9, the Board will call an emergency meeting to prevent substantial harm to the public health that would likely result from a delay in holding the meeting at a regularly scheduled Board meeting; the meeting will be limited to the discussion of and acting with respect to the above referenced matters; and the need for such meeting could not have reasonably been foreseen at a time when adequate notice could have been provided due to the current health crisis.

Due to the statewide prohibition on gatherings the Board will convene telephonically. Interested listeners can dial in toll free at (877) 692-8957. The access code is 9760685.
