ADDRESS: __________________________________________________

CITY: ______________________ STATE: __________ ZIP: __________

PLEASE PROVIDE THE FOLLOWING INFORMATION WHICH CAN BE FOUND ON THE METER:

a. UTILITY SUPPLYING WATER _______________________________________

b. SIZE OF METER ________________________________________________

c. MANUFACTURER’S NAME ________________________________________

d. MANUFACTURER’S SERIAL NUMBER ________________________________

A meter will be considered accurate if, when measuring water at intermediate and full flow capacities it shows an error which is not greater than 1.5 percent.

NOTE: Do not allow the company to remove the meter until you receive further written instruction from Board staff. You cannot file this application if the meter has been removed by the company, since the Board did not have control of the meter, the Board Cannot certify the accuracy of the meter.

Upon application by any customer to the Board, a test of the customer’s meter will be witnessed by an engineer of the Board. Such test shall be made as soon as practicable after receipt of the application and upon notice to the customer and the utility as to the time and place of such test.

A fee of $5.00 shall be paid by the customer at the time the application is made for the test, in accordance with New Jersey Revised Statute 48:2-56. Please make check or money order payable to “Treasurer, State of New Jersey”.

Revised 8/12/11
