NOTICE TO ALL CURRENTLY OPERATING MEDICAL CANNABIS PERMITTEES

Re: MEDICAL CANNABIS PERMIT RENEWAL

To Whom It May Concern,

The permit(s) issued by the New Jersey Cannabis Regulatory Commission ("NJ-CRC" or "Commission") authorizing your entity to operate in the medical cannabis market are set to expire in the coming months. New Jersey Administrative Code 17:30A-7.7 requires each permit holder to submit a renewal application to the NJ-CRC annually. The NJ-CRC must receive the renewal application with all required documentation and the required fees pursuant to N.J.A.C. 17:30A-7.7 no later than 60 days prior to the expiration of the current medical cannabis permit.

Completion of the certification attached to this letter, along with the submission of any necessary documentation to the NJ-CRC Licensing Portal at <https://nj-crc-public.nls.egov.com/login>, will satisfy the permittee's requirement to submit a renewal application. The NJ-CRC will issue an invoice for the renewal fee that must be paid online using the Commission's Licensing Portal. **A separate certification (and supporting documentation, as necessary) must be submitted for each permit issued to the entity, however, only one invoice will be issued to the business account.**

All businesses must notify the NJ-CRC of any changes to the permitted entity. Failure to do so may result in an enforcement action.

If you have any questions pertaining to this correspondence, please contact your assigned Field Monitor and/or Investigator.

Sincerely,

A handwritten signature in black ink, appearing to read "M Tagliaferri".
