NOTICE TO ALL CURRENTLY OPERATING MEDICAL CANNABIS PERMITTEES

Re: MEDICAL CANNABIS PERMIT RENEWAL

To Whom It May Concern,

The permit(s) issued permitting your entity to operate in the medical cannabis market by the New Jersey Cannabis Regulatory Commission ("NJ-CRC") are set to expire in the coming months. New Jersey Administrative Code N.J.A.C. 17:30A-7.7 requires each permit holder to submit a renewal application to the NJ-CRC annually. The NJ-CRC must receive the renewal application with all required documentation and the required fees pursuant to N.J.A.C. 17:30A-7.7 no later than 60 days prior to the expiration of the current cannabis business permit.

Completion of the certification attached to this letter, along with any necessary documentation, and upload of the same to the NJ-CRC Licensing Portal at <https://nj-crc-public.nls.egov.com/login> will satisfy the permittee's NJ-CRC regulatory requirement of submitting a renewal application. Payment will also be submitted through the NJ-CRC Licensing Portal. An invoice will be issued upon submission. **A separate certification (and supporting documentation, as necessary) must be submitted for each permit issued to the entity by uploading the certification and documents for each corresponding permit number; however, only one invoice will be issued to the business account.**

If you have any questions pertaining to this correspondence, please contact your assigned Field Monitor and/or Investigator.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Tagliaferri".
