**Re: NOTICE OF ENFORCEMENT ACTION - INITIAL AGENCY  
DECISION REGARDING IMPOSITION OF SANCTIONS AGAINST  
BRUTE'S ROOTS NJ LLC**

Dear ██████████:

The New Jersey Cannabis Regulatory Commission ("NJ-CRC" or "Commission") has imposed a civil monetary penalty of \$5,000.00 for the reasons articulated below.

**NJ-CRC's Issuance of Notice of Violation**

Pursuant to N.J.A.C. 17:30-20.4(a), during an onsite assessment, a review of financial records, or other Commission review of the license holder and its operations, if the Commission identifies a violation of the Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act, P.L.2021, c.16, N.J.S.A. 24:6I-31 et seq., (the "Act") or the implementing Personal-Use Cannabis Rules (the "Personal-Use Regulations"), the Commission shall provide notice of the violation, including an official written report of the findings and the nature of the violation, to the cannabis business or testing laboratory within seven business days following the onsite assessment or other identification of the violation.

Pursuant to N.J.A.C. 17:30-9.15(e), a cannabis business shall ensure that a delivery vehicle bears no markings that would either identify or indicate that the vehicle is used to transport cannabis.

On April 30, 2025, a Notice of Violation was issued to Brute's Roots NJ LLC ("Brute's Roots") for violations related to its failure to comply with transport regulations by using a marked vehicle for cannabis transportation (INV-75-2025).

Pursuant to N.J.A.C. 17:30-20.4(b), unless otherwise specified by the Commission, within 20 business days of receipt of the notice of violation, the cannabis business or testing laboratory shall correct the violation(s) and notify the Commission, in writing, of any corrective actions taken to correct the violations, and the date of implementation of such corrective actions. Brute's Roots

responded to the Notice of Violation and provided a corrective action plan within 20 days of receipt of the Notice of Violation.

### **NJ-CRC's Review of Imposition of Sanctions**

Regardless of whether a license holder provides a corrective action plan, pursuant to N.J.A.C. 17:30-20.5(a), in response to a violation of any provision of the Act or the Personal-Use Regulations, the Commission is authorized to take enforcement action or impose sanctions upon a license holder. Sanctions may include, but are not limited to, civil monetary penalties; suspension, revocation, non-renewal, or denial of a license; referral to State or local law enforcement, pursuant to N.J.A.C. 17:30-20.6, -20.7, and -20.8; or any combination thereof.

Pursuant to N.J.A.C. 17:30-20.6(b), a monetary penalty imposed by the Commission on a license holder pursuant to this subchapter may not exceed \$500,000 per major violation or \$50,000 per any other license violation. Pursuant to N.J.A.C. 17:30-20.6(c), a violation by each entity or person per day shall constitute a separate incident for the purposes of calculating the number of violations.

Pursuant to N.J.A.C. 17:30-20.6(d), the Commission may impose greater penalties for successive violations up to the maximum amounts.

Pursuant to N.J.A.C. 17:30-20.6(f), the Commission may, in the Commission's sole discretion, consider additional factors in determining the penalty for each violation. Such factors may include, but are not limited to:

1. Any prior violations that the license holder has admitted to or was found to have engaged in;
2. Good faith measures by the license holder to self-report or prevent the violation;
3. The license holder's record of compliance with the laws and rules pertaining to personal use cannabis;
4. Corrective action(s) taken by the license holder related to the current violation or prior violations;
5. Willfulness and deliberateness of the violation;
6. Likelihood of reoccurrence of the violation; and
7. Violations involving damage or danger to the life, health, welfare, safety, or property of any person.

After completing a thorough review of Brute's Roots' violations related to its failure to comply with transport regulations by using a marked vehicle for cannabis transportation, the Commission has determined to impose a civil monetary penalty of \$5,000.00.

In determining the penalty, the Commission considered penalties previously imposed on businesses for similar violations and the particular facts and circumstances of the violation, including:

1. The fact that Brute's Roots was in possession of a Commission-approved transport vehicle but instead utilized an unapproved vehicle for cannabis transportation despite repeated warnings by NJ-CRC that such use was in violation of the personal use regulations; and

2. The unapproved vehicle was in violation of the statutory and regulatory requirements that a transportation vehicle bears no markings that indicate it is used to transport cannabis.

The Commission finds the imposed penalty to be fair, reasonable, and consistent with the regulations at N.J.A.C. 17:30.
