Re: NOTICE OF VIOLATION –**GSCC Management LLC;** INV 29 2026

Dear [redacted],

This letter is a Notice of Violation ("Notice"), issued by the New Jersey Cannabis Regulatory Commission ("NJ-CRC") in accordance with N.J.A.C. 17:30-20.4 to GSCC Management LLC ("GSCC Management"). An investigation which commenced on February 23, 2026, and remains ongoing as of the date of this Notice revealed GSCC Management committed the following violations:

1. **Violation 1: N.J.A.C. 17:30-11.8(a)-** The expiration date is the date after which usable cannabis or a cannabis product shall not be sold. The expiration date shall be determined from the date the usable cannabis is cultivated or cannabis product is manufactured.

2. **Violation 2: N.J.A.C. 17:30-16.3(b)(4)-** Direct printing on the package of, or labels affixed to, unusable cannabis packaged for the purposes of manufacturing of cannabis items shall include the following consumer safety and product information:
    4. Expiration date, consistent with the requirements at N.J.A.C. 17:30-11.8

3. **Violation 3: N.J.A.C. 17:30-16.3(b)(1)-** Direct printing on the package of, or labels affixed to, unusable cannabis packaged for the purposes of manufacturing of cannabis items shall include the following consumer safety and product information:
    1. The name, address, license number, telephone number of the cannabis cultivator, and cannabis manufacturer that produced the cannabis item, as applicable

An NJ-CRC investigation found that GSCC Management calculated expiration dates for usable cannabis based on the date the product was tested, rather than from the date it was cultivated. As a result, incorrect expiration dates were placed on cannabis packages. In addition, GSCC Management did not list the cultivation site address on cannabis packaging, instead using its mailing address.

Within 20 business days of the receipt of the Notice of Violation, GSCC Management shall (1) Correct the violation; (2) Notify the Commission, in writing, with a postmark date that is within 20 business days of the date of receipt of the Notice of Violation, of any corrective actions taken to correct the violations, and the date of implementation of such corrective actions.

This Notice of Violation satisfies the NJ-CRC's responsibility to provide five-day notice before any enforcement action shall be taken, as required by N.J.A.C. 17:30-20.5. GSCC Management is notified that the above-referenced violations may result in the imposition of civil monetary penalties in accordance with the schedule set forth at N.J.A.C. 17:30- 20.7.

N.J.A.C. 17:30-20.5(a) establishes that: "In response to a violation of any provision of the Act or this chapter, the Commission is authorized to take enforcement action or impose sanctions upon a license holder. Sanctions may include, but are not limited to, civil monetary penalties; suspension, revocation, non-renewal, or denial of a license; referral to State or local law enforcement, pursuant to N.J.A.C. 17:30-20.6, 20.7, and 20.8; or any combination thereof." Corrective action taken by GSCC Management does not preclude the NJ-CRC from imposing penalties but may be taken into consideration when considering the penalty to be imposed for each violation. N.J.A.C. 17:30- 20.6(f)(4).

GSCC Management has acted in violation of the adult use regulations by improperly calculating the expiration dates for usable cannabis and affixing inaccurate consumer safety and product information on its cannabis packages.

The NJ-CRC hereby orders GSCC Management to immediately calculate the expiration date for usable cannabis from date the usable cannabis is cultivated and to affix labels with the accurate usable cannabis expiration date and its cultivation address to cannabis packages. The NJ-CRC reserves the right to impose sanctions for these violations.

The NJ-CRC appreciates your expeditious cooperation in this matter. Any questions regarding this correspondence can be sent via e-mail to your assigned Field Monitor.

Sincerely,

Paul Thomas Urbish, Esq. Director
