Good Morning Aaron,

Thank you for self-reporting the incident involving patient [REDACTED] in your email (below) to DOH and for already taking corrective action. I have read GSD's account of the event and it's unfortunate it wasn't caught by the Bud-Tender when the purchase amount should have been crossed-checked against [REDACTED] (available) allotment?

A NJMMP Monitoring Report has been completed citing a violation of N.J.A.C. 8:64-9.1(a)2 "Procedures for safely growing and dispensing medicinal marijuana." However, MMP will update the violation as being in compliance, since you self-reported, have taken corrective action and have already disciplined the offending employee. (Gregory Edmond)

Note: Patient [REDACTED] will have an 1/8 ounce removed from his next 30 day allotment, which starts on Saturday – **07/04/2020**.

Please don't hesitate to contact me if you have any questions.

Thanks.

JV
