NJ-CRC's Issuance of Notice of Violation

Pursuant to N.J.A.C. 17:30-20.4(a), during an onsite assessment, a review of financial records, or other Commission review of the license holder and its operations, if the Commission identifies a violation of the Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act, P.L.2021, c.16, N.J.S.A. 24:6I-31 et seq., (the "Act") or the implementing Personal-Use Cannabis Rules (the "Personal-Use Regulations"), the Commission shall provide notice of the violation, including an official written report of the findings and the nature of the violation, to the cannabis business or testing laboratory within seven business days following the onsite assessment or other identification of the violation.

Pursuant to N.J.A.C. 17:30- 9.2, (a) Cannabis business license holders shall submit an application for an amended license, along with the applicable fee, if any, pursuant to N.J.A.C. 17:30-7.17, for the following material changes, a change:

iv. Any other changes to the ownership and financial information provided to the Commission pursuant to N.J.A.C. 17:30-7.10 and 7.13;

(b) Failure to seek approval for such material changes pursuant to (a) above may result in sanctions upon the license holder pursuant to N.J.A.C. 17:30-20, including civil penalties, or suspension or revocation of any license issued to the license holder.

Pursuant to N.J.S.A. 24:6I-7(k)(2), the sale or transfer of any interest of five percent or more in a medical cannabis cultivator, medical cannabis manufacturer, medical cannabis dispensary, or clinical registrant permit shall be subject to approval by the commission and conditioned on the entity that is purchasing or receiving transfer of the interest in the medical cannabis cultivator, medical cannabis manufacturer, medical cannabis dispensary, or clinical registrant permit completing a criminal history record background check pursuant to the requirements of subsection d. of this section.

Pursuant to N.J.A.C. 17:30A- 7.8, (a) An ATC shall submit to the Commission an application for an amended permit, together with fees, if applicable, pursuant to N.J.A.C. 17:30A-7.10, prior to any:

1. Change of the alternative treatment center's location;
2. Change of the alternative treatment center's ownership;

4. Change in the alternative treatment center's capacity; or
5. Modification of or addition to the alternative treatment center's physical plant.

(b) The alternative treatment center shall submit the application to the permitting authority no later than 30 business days prior to the change.

On June 2, 2026, a Notice of Violation was issued to Silverleaf Wellness LLC ("Silverleaf") for failure to adhere to the statute and Personal-Use Regulations as it relates effectuating an ownership change prior to Board approval.

Pursuant to N.J.A.C. 17:30-20.4(b), unless otherwise specified by the Commission, within 20 business days of receipt of the notice of violation, the cannabis business or testing laboratory shall correct the violation(s) and notify the Commission, in writing, of any corrective actions taken to correct the violations, and the date of implementation of such corrective actions. Silverleaf responded to the Notice of Violation and provided a corrective action plan within 20 days of receipt of the Notice of Violation.

NJ-CRC's Review of Imposition of Sanctions

Regardless of whether a license holder provides a corrective action plan, pursuant to N.J.A.C. 17:30-20.5(a), in response to a violation of any provision of the Act or the Personal-Use Regulations, the Commission is authorized to take enforcement action or impose sanctions upon a license holder. Sanctions may include, but are not limited to, civil monetary penalties; suspension, revocation, non-renewal, or denial of a license; referral to State or local law enforcement, pursuant to N.J.A.C. 17:30-20.6, -20.7, and -20.8; or any combination thereof.

Pursuant to N.J.A.C. 17:30-20.6(b), a monetary penalty imposed by the Commission on a license holder pursuant to this subchapter may not exceed $500,000 per major violation or $50,000 per any other license violation. Pursuant to N.J.A.C. 17:30-20.6(c), a violation by each entity or person per day shall constitute a separate incident for the purposes of calculating the number of violations.

Pursuant to N.J.A.C. 17:30-20.6(d), the Commission may impose greater penalties for successive violations up to the maximum amounts.

Pursuant to N.J.A.C. 17:30-20.6(f), the Commission may, in the Commission's sole discretion, consider additional factors in determining the penalty for each violation. Such factors may include, but are not limited to:

1. Any prior violations that the license holder has admitted to or was found to have engaged in;
2. Good faith measures by the license holder to self-report or prevent the violation;
3. The license holder's record of compliance with the laws and rules pertaining to personal use cannabis;
4. Corrective action(s) taken by the license holder related to the current violation or prior violations;
5. Willfulness and deliberateness of the violation;
6. Likelihood of reoccurrence of the violation; and
7. Violations involving damage or danger to the life, health, welfare, safety, or property of any person.

After completing a thorough review of Silverleaf's violations for failure to adhere to the statute and Personal-Use Regulations as it relates effectuating an ownership change prior to Board approval, the Commission has determined to impose a civil monetary penalty of $5,000.00.

In determining the penalty, the Commission considered where applicable, the license holder's history of violations, penalties previously imposed on businesses for similar violations and the particular facts and circumstances of the violation. The Commission finds the imposed penalty to be fair, reasonable, and consistent with the regulations at N.J.A.C. 17:30.
