

WHAT PATIENTS CAN EXPECT AFTER RECREATIONAL SALES BEGIN ON APRIL 21

The Cannabis Regulatory Commission is committed to protecting all patients. With retail sales beginning, ATCs are required to ensure there is no disruption in service and access to patients. Patients should see:

- **lines or hours reserved for patients**
- **the ability to reserve products**
- **online ordering and curbside pick-up or home delivery**

WHAT PATIENTS SHOULD NOT EXPECT

Patients should not see:

- **long patient lines or inability to enter a dispensary**
- **no product available**

Contact individual dispensaries to learn the specific patient access protocols they have in place.

Call the NJ-CRC's customer service line at **609-292-0424** if you have any trouble accessing your medicine at a dispensary.
