NOTICE TO ALL CURRENTLY OPERATING ADULT USE CANNABIS LICENSEES

Re: ADULT USE CANNABIS LICENSE RENEWAL

To Whom It May Concern,

The license(s) issued permitting your entity to operate in the adult use cannabis market by the New Jersey Cannabis Regulatory Commission ("NJ-CRC" or "Commission") are set to expire in the coming months. New Jersey Administrative Code 17:30-7.16 requires each license holder to submit a renewal application to the NJ-CRC annually. The NJ-CRC must receive the renewal application with all required documentation and the required fees pursuant to N.J.A.C. 17:30-7.17 no later than 90 days prior to the expiration of the current cannabis business license.

Completion of the Certification attached to this letter, along with any necessary documentation, and upload of the same to the NJ-CRC Licensing Portal at <https://nj-crc-public.nls.egov.com/#!/signin>, will satisfy the licensee's requirement to submit a renewal application. Payment will also be submitted through the NJ-CRC Licensing Portal upon submission. **A separate Certification (and supporting documentation, as necessary) must be submitted for each license issued to the entity by uploading the Certification and documents to each corresponding license number.**

All businesses must notify the NJ-CRC of any changes to the licensed entity. Failure to do so may result in an enforcement action.

If you have any questions pertaining to this correspondence, please contact your assigned Field Monitor and/or Investigator.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Tagliaferri".
