WHEREAS, on August 19, 2021, the Commission adopted rules pursuant to N.J.S.A. 24:6I-35(a)(1) that established the licensure process for cannabis businesses and testing laboratories; and

WHEREAS, N.J.A.C. 17:30-6 through 7 outline the application process and requirements for both conditional license applicants and annual license applicants, including eligibility requirements and limitations for social equity businesses, diversely owned businesses, and impact zone businesses; and

WHEREAS, pursuant to N.J.A.C. 17:30-6.1(d), the Commission shall review and score conditional and annual cannabis business license applications based on the priority designation of applications as set forth in the regulation and the Notice; and

WHEREAS, pursuant to N.J.A.C. 17:30-6.1(d), the Commission shall approve and issue licenses to applicants that receive a full score or greater; and

WHEREAS, to review applications thoroughly and efficiently, the Commission developed an application review process that included the following chronological steps for each application received:

WHEREAS, the below list of conditional license applications for Class 1 Cannabis Cultivator and Class 2 Cannabis Manufacturer licenses have been timely received prior to April 28, 2023, have been cured as necessary, have passed review by Commission staff, and are recommended by Commission staff for approval;

NOW, THEREFORE, BE IT RESOLVED by the New Jersey Cannabis Regulatory Commission pursuant to N.J.S.A. 24:6I-35(a)(1) and N.J.A.C. 17:30-6 through 7, the following applicants have satisfied the requirements set forth in the regulation, and the Commission has determined to approve the applicants' applications for a conditional license:

2	2729	THCBD, LLC	Manufacturer	Standard

The following conditions shall apply to the above-listed conditional license awardees:

1. Conditional licenses issued in accordance with this Resolution shall be automatically granted the additional 45 days allowed by statute to file a conditional conversion application, extending the conditional license phase to 165 days from the date of license issuance.
2. Conditional license-holders shall comply with all relevant provisions of N.J.A.C. 17:30-6 through 7 regarding conditional licenses, license-holders, and the conditional license phase.
3. If issued a conditional license as a social equity business, diversely owned business, or impact zone business, maintaining eligibility as such is a condition of the license and a condition of seeking an annual license through a conditional conversion application.
4. Conditional license-holders may add new owners in the conditional license phase; however, a majority of the ownership shall remain with the owners that qualified for the conditional license.
5. Conditional license-holders shall provide an attestation certifying that they will submit to a criminal history background check. No license holder or license applicant shall be granted an annual license without submitting to a criminal history background check and satisfactorily demonstrating that all statutory and regulatory requirements have been satisfied.
