*Re: FINAL AGENCY DECISION
APPROVAL OF SATELLITE DISPENSARY LOCATION FOR MEDICINAL
CANNABIS*

Dear Sean Barravecchio:

The New Jersey Cannabis Regulatory Commission ("NJ-CRC") has received and reviewed your application for a satellite dispensary location for medicinal cannabis at 5035 Central Highway, Pennsauken, New Jersey. Upon the completion of the NJ-CRC's review, your application has been approved.

N.J.S.A. 24:6I-7(a)(2)(d) authorizes an Alternative Treatment Center ("ATC") that was issued a permit prior to the effective date of P.L.2019, c.153 (C.24:6I-5.1 et al.) or that was issued a permit after the effective date of P.L.2019, c.153 (C.24:6I-5.1 et al.) pursuant to an application submitted prior to the effective date of P.L. 2019, c.153 (C.24:6I-5.1 et al.) to maintain up to two satellite dispensaries, including any satellite dispensary that was approved pursuant to an application submitted prior to or within 18 months after the effective date of P.L.2019, c.153 (C.24:6I-5.1 et al.).

After review of your application, NJ-CRC determined that MPX New Jersey LLC is authorized by N.J.S.A. 24:6I-7 to operate a satellite dispensary site, has submitted a complete application with all the necessary information required by the Commission to make a determination on the request, and has established site control and local approval for the properties and its plans.

Final approval and permitting of the satellite location are contingent upon inspection by the NJ-CRC and demonstrated compliance with N.J.S.A. 24:6I-1 *et seq.* and N.J.A.C. 17:30A-1 *et seq.* To provide consistency and uniformity in the review of applications for satellite locations submitted to the NJ-CRC, the NJ-CRC has continued the New Jersey Department of Health's process of treating satellite location

approvals as a permit amendment and “change of location” under the current regulations, specifically N.J.A.C. 17:30A-7.8, requiring submission of a **\$10,000.00** fee.

Again, congratulations on your successful application and thank you for your interest in working with the NJ-CRC to establish a safe and equitable cannabis industry for the state of New Jersey. Should you have any questions regarding this correspondence, please submit your inquiry to the NJ-CRC Licensing inbox at crc.licensing@crc.nj.gov.

Sincerely,
