

## MEMORANDUM

**TO:** Cannabis Regulatory Commission Board

**FROM:** Jeff Brown, Executive Director

**SUBJECT:** Dual Change of Location Request – Ascend New Jersey; Medicinal Dispensary and Class 5 Retailer; Montclair to Wharton

**DATE:** [DECEMBER 7, 2023](#)

---

**BACKGROUND:** On October 13, 2023, the Office of Compliance and Investigations (“OCI”) within the New Jersey Cannabis Regulatory Commission (“NJ-CRC”) received a request submitted by Michael McQueeney, Counsel for Ascend New Jersey, LLC (“Ascend”), to change the location of one of their dispensaries from its current location in Montclair, New Jersey to a new location in Wharton, New Jersey. Submitted with the request was a letter providing rationale for the request, a signed lease as evidence of site control for the Wharton location, and the resolution of support for the medical and adult use dispensing of cannabis for the site from the Wharton Borough Council. The change of location would require amendments to both Ascend’s medicinal dispensing permit sited at the Montclair location as well as its Class 5 Retailer license, and require submission of change of locations fees for each. The requisite fees will be submitted to the NJ-CRC in the amount of \$20,000.00 total (\$10,000.00 for each amendment – license and permit) upon approval by the Board.

**REQUEST:** Ascend is requesting the following change of location for its medicinal dispensing permit and its Class 5 Retailer license:

From: 395 Bloomfield Avenue, Montclair, New Jersey  
To: 325 NJ-215 North, Wharton, New Jersey

Ascend is making this request to move to a larger facility that is geographically located in an area that is underserved currently. The Wharton location will have parking, including designated patient parking spaces (the Montclair facility currently has zero parking). The Montclair facility has a total of 1,447 sq. feet with only 852 sq. feet designated as sales floor space. The Wharton space, alternatively, has 3,062 sq. feet of space and approximately 24 total parking spaces. Ascend has provided a patient transition plan with its request including a list of locations that can serve patients and consumers. With approval, Ascend anticipates being able to transition from Montclair to Wharton by early April of 2024.

**RECOMMENDATION:** Staff recommends approval of this request to amend the cannabis business license and the medical permit of the above-referenced entity. NJ-CRC OCI requires submission of evidence of site control for the location, evidence of local approvals from the municipality in which the licensee/permittee will newly operate, and a patient transition plan to ensure patients are considered in the location change. The applicant has provided the requisite information.

Following an approval by the Board, OCI staff will coordinate with Ascend to ensure that no dispensing occurs at the new Wharton facility until all requisite inspections take place and the official retailer license and dispensary permit are issued to the entity for the 325 NJ-215 North, Wharton, New Jersey location.

The fees, as established by regulation, are \$10,000.00 each – for change of location of a standard recreational business and for change of location of an alternative treatment center. A fee of \$20,000.00 in total will be submitted upon approval by the Board.

Upon approval by the Board and completion of all necessary construction and the transition of equipment, OCI will conduct a site inspection of the new dispensary facility to confirm compliance with the law and regulations, prior to executing the official documents for amendment of the Ascend permit and license.
