Re: **FINAL AGENCY DECISION**
APPROVAL OF TRANSFER OF OWNERSHIP
Application ID 2625

Dear [REDACTED]:

The New Jersey Cannabis Regulatory Commission ("NJ-CRC" or "Commission") has received and reviewed your application requesting approval of an ownership transfer by which minority owner Konja Bassan (45%) would transfer the entirety of their ownership stake in the company to Firas Alosachie (to be 45%) in exchange for Firas Alosachie sharing their cannabis expertise. The proposed structure is for current owner Sarah Moussa (55%) and proposed owner Firas Alosachie (45%) to share ownership of the company. Your application has been approved.

All proposed ownership transfers in the personal-use cannabis market must comply with the provisions of N.J.A.C. 17:30, et seq, including the ownership transfer requirements under N.J.A.C. 17:30-9.3. After completing a thorough investigation of your entity, Commission staff found no evidence that would preclude the proposed transfer of ownership, and no significant derogatory information was uncovered during the investigations that would impact the suitability of the individuals or entities investigated. Thus, your proposed transfer of ownership is approved.

Congratulations and thank you for your interest in working with the NJ-CRC to establish a safe and equitable cannabis industry for the State of New Jersey. Should you have any questions regarding this correspondence, please submit your inquiry to the NJ-CRC Licensing inbox at crc.licensing@crc.nj.gov.

Sincerely,

A handwritten signature in black ink, appearing to be 'DH' followed by a horizontal line.
