Re: FINAL AGENCY DECISION
APPROVAL OF APPLICATION ALLOWING MODIFICATION OF CAPACITY, PHYSICAL
PLANT, PREMISES, OR ADMINISTRATIVE OFFICE

Dear Rahul Patel:

The New Jersey Cannabis Regulatory Commission ("NJ-CRC" or "Commission") has received and reviewed Hamilton Farms LLC's application requesting approval of a modification of capacity, physical plant, premises, or administrative office. Specifically, Hamilton Farms LLC has requested approval of a physical plant modification to add 10 container farms to its existing site and to add additional containers for future use, up to the maximum square footage permitted under its Tier I cultivation canopy. Your application has been approved, pending payment of the requisite fee of **\$2,000** and subject to passing a final onsite assessment.

Pursuant to N.J.A.C. 17:30-9.2(a)(5), a cannabis business shall submit to the NJ-CRC an application for an amended license prior to any modification of a cannabis business's capacity, physical plant, premises, or administrative office. Pursuant to N.J.A.C. 17:30-7.17(j), the fee to apply for a change or modification of a cannabis business's capacity or physical plant is \$2,000.

Congratulations and thank you for your interest in working with the NJ-CRC to establish a safe and equitable cannabis industry for the State of New Jersey. Should you have any questions regarding this correspondence, please submit your inquiry to the NJ-CRC Licensing inbox at crc.licensing@crc.nj.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "DH".
