

MEMORANDUM

TO: CANNABIS REGULATORY COMMISSION BOARD
FROM: CHRISTOPHER RIGGS, ACTING EXECUTIVE DIRECTOR
SUBJECT: ANNUAL LICENSE RENEWALS FOR MAY 2025 THROUGH AUGUST 2025
DATE: MAY 1, 2025

BACKGROUND: Adult Use cannabis business licenses are effective for a period of one year from the date of license issuance and are required to be renewed annually. This applies to licenses issued through the normal adult-use licensing process, such as conversions and/or annual licenses, as well as licenses that have been issued to Alternative Treatment Centers to allow for the expansion of those businesses into the Adult Use market.

The annual renewal application consists of submission of the Adult Use Cannabis License Renewal Certification as well as the requisite fee (the fee is dependent on the number and class of licenses up for renewal by each entity – *see below*).

If the renewal is submitted by an adult-use cannabis business licensee, the license renewal process pursuant to N.J.A.C. 17:30–7.16 shall be followed.

It is the obligation of each business to notify the New Jersey Cannabis Regulatory Commission throughout the year of any material changes to their business, including but not limited to the addition/subtraction of owners, on-boarding of new employees, and execution of additional contracts. Any changes occurring toward the end of the license year may be submitted with the renewal documentation.

AUTHORITY:

N.J. Admin. Code § 17:30-7.16 (*for Expanded ATCs in their second year of operations and Adult Use cannabis business licenses*)

(a) A license holder holding an annual license, including an annual license converted from a conditional license, shall renew such annual license annually.

(b) The Commission may renew a license subject to conditions set forth in this chapter.

(c) A license holder shall submit a renewal application and the annual licensing fee pursuant to N.J.A.C. 17:30–7.17 no later than 90 days prior to the expiration of the current cannabis business license. Submission within 90 days of expiration of the current cannabis business license may result in a lapse in the cannabis business's licensure and subject the cannabis business to enforcement action.

(d) Pursuant to (c) above, the following may be grounds for denial of a license renewal application:

1. Failure to provide truthful, correct, and current information;
2. Failure to maintain compliance with the Act or this chapter;
3. Failure to maintain its diversely owned business, impact zone business, social equity business, or microbusiness status;

4. The inclusion of a person or entity not deemed qualified to hold a license; or
5. The commission of three or more major violations within the preceding 12 months.

(e) Renewal materials submitted to the Commission pursuant to N.J.S.A. 24:6I-7.2 or this section shall not be considered a public record pursuant to N.J.S.A. 47:1A-1 et seq., or the common law concerning access to government records.
