Got Your Six Dispensary requests the change to relocate to a standalone space within the same strip mall where it is currently located, in an effort to enhance their operations and allow them to serve their customers more effectively. The remaining 656 square feet will be utilized for restroom facilities, an employee lounge, a non-cannabis storage/IT room, and office space.

NJ-CRC OCI requires submission of evidence of site control for the location, evidence of local approvals from the municipality in which the licensee will newly operate, and site plans. The applicant has provided the requisite information.

Following an approval by the Board, OCI staff will coordinate with the above-listed entity to ensure that no operations occur at the new location until all requisite inspections take place and the official license is issued to the entity for the new location. OCI staff will conduct a site

inspection of the new location to confirm compliance with the law and regulations, prior to executing the official documents for amendment of the license.
