**RESOLUTION 2025-12-17-12**  
**APPROVAL OF RENEWAL APPLICATION FOR MEDICINAL CANNABIS PERMITS**  
**FOR ALTERNATIVE TREATMENT CENTERS**

**WHEREAS**, P.L.2019, c.153, “Jake Honig Compassionate Use Medical Cannabis Act,” (“the Act”) authorizes a process for receipt of applications and issuance of permits to operate Alternative Treatment Centers (“ATCs”) in the state of New Jersey; and

**WHEREAS**, the authority to regulate and enforce activities related to medicinal cannabis previously was vested in the New Jersey Department of Health (“the Department”), and now vests in the New Jersey Cannabis Regulatory Commission (“the Commission”) pursuant to P.L.2019, c.153; and

**WHEREAS**, the regulations for medicinal cannabis provide a process at N.J.A.C. 17:30A-7.6 and N.J.A.C. 17:30A-7.7 for renewals of ATC permits; and

**WHEREAS**, pursuant to N.J.A.C. 17:30A-7.7(b), “[t]he permit period for an [ATC] shall be from January 1st (or the date of approval of the application, if later) through December 31st of a given year”; and

**WHEREAS**, pursuant to N.J.A.C. 17:30A-7.6, an ATC must renew its permit at the end of each year when the ATC has been in operation for a minimum of one (1) year; and

**WHEREAS**, an ATC that has been in operation for one (1) year or longer is required to submit a full renewal application with fees, in accordance with N.J.A.C. 17:30A-7.7 and N.J.A.C. 17:30A-7.10; and

**WHEREAS**, pursuant to N.J.A.C. 17:30A-7.7(a), ATCs are required to submit their renewal application 60 days prior to the expiration of the permit; and

**WHEREAS**, the Commission reviews the renewal application to verify that there are no material changes made that would otherwise require approval under N.J.A.C. 17:30A-7.8; that the ATC is in compliance with the regulations governing the management, operation, and financing of the ATC; and that the ATC will continue to prioritize service to the medicinal patient population and will continue to remain in compliance with post-award conditions set forth in their Final Agency Decision; and

**WHEREAS**, ATCs that have been operational for one (1) year or more and have submitted a full renewal application along with the requisite fees to renew their medicinal permits for the 2026 permit term; and

**WHEREAS**, the Commission has reviewed the full renewal applications for ATCs that have been operational for more than one (1) year for completeness and accuracy and for material factors that could impact the renewal or extension of the permit; and

**WHEREAS**, the Commission has determined that the permit renewals submitted by the ATCs listed below for the 2026 permit term are complete and accurate and in compliance with the requirements of the Commission;

**NOW, THEREFORE, BE IT RESOLVED** by the New Jersey Cannabis Regulatory Commission pursuant to N.J.A.C. 17:30A-7.7, the following ATCs have satisfied the requirements set forth under the law and regulations and the Commission has determined to renew the entity's medicinal cannabis permit as set forth below:
