**WHEREAS**, the New Jersey Cannabis Regulatory Commission (“the Commission”), established pursuant to P.L.2019, c.153, known and cited as the “Jake Honig Compassionate Use Medical Cannabis Act,” (“Honig Act”) is charged with implementing the provisions of the Honig Act as well as P.L.2021, c.16, known and cited as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (“CREAMM Act”); and

**WHEREAS**, pursuant to N.J.S.A. 24:6I-7(d)(1), the Commission requires that any applicant seeking to be a director, officer, or employee of, or to be a significantly involved person in, a medical cannabis permittee must undergo a criminal history record background check and provide all requested information as may be required; and

**WHEREAS**, pursuant to N.J.A.C. 17:30-7.12, the Commission requires that any applicant seeking to be an owner, principal, employee, or volunteer of a cannabis business or testing laboratory must undergo a criminal history record background check and provide all requested information as may be required; and

**WHEREAS**, pursuant to N.J.S.A. 24:6I-7(d)(1), and N.J.A.C. 17:30-7.12, an applicant who is required to undergo a criminal history record background check shall submit to being fingerprinted in accordance with applicable State and federal laws, rules, and regulations. If an applicant refuses consent to a check of the criminal history record background information, the applicant shall not be considered for authorization to be employed at or to be a significantly involved person in, a medical cannabis permittee or a license applicant or license holder; and

**WHEREAS**, pursuant to N.J.S.A. 24:6I-7(d)(2), and N.J.A.C. 17:30-7.12, the Commission shall not approve an applicant for authorization to be employed at or to be a significantly involved person in, a medical cannabis permittee or adult-use cannabis business licensee if a disqualifying conviction, as set forth in N.J.S.A. 24:6I-7(c) or N.J.A.C. 17:30-7.12(d), as applicable, is revealed during a check of the criminal history record background; and

**WHEREAS**, upon receipt of the results of the criminal history record background information, the Commission shall provide written notification to the applicant of the applicant’s disqualification to be an owner, principal, director, officer, employee or volunteer of, or a significantly involved person in, a medical cannabis permittee or adult-use cannabis licensee with the disqualifying conviction identified in the notice; and

**WHEREAS**, if an individual has been convicted of a disqualifying crime, the Commission will not disqualify the individual on the basis of such conviction “if the individual has affirmatively demonstrated to the Commission by clear and convincing evidence of rehabilitation,” in accordance with N.J.S.A. 24:6I-7(d)(6), N.J.A.C. 17:30A-7.2(e), and N.J.A.C. 17:30-7.12(e), as applicable; and

**WHEREAS**, in determining whether sufficient evidence of rehabilitation has been provided, the Commission shall consider the factors set forth in N.J.S.A. 24:6I-7(d)(6), N.J.A.C. 17:30A-7.2(e), and N.J.A.C. 17:30-7.12(e):

- b) the nature and seriousness of the crime or offense;
- c) the circumstances under which the crime or offense occurred;
- d) the date of the crime or offense;
- e) the age of the individual when the crime or offense was committed;
- f) whether the crime or offense was an isolated or repeated incident;
- g) any social conditions which may have contributed to the commission of the crime or offense; and
- h) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the individual under their supervision; and

**WHEREAS**, in accordance with N.J.A.C. 17:30A-7.2(g) and N.J.A.C. 17:30-7.12(g), any individual disqualified shall be given an opportunity to challenge the accuracy of the disqualifying criminal history record prior to being permanently disqualified from participation; and

**WHEREAS**, pursuant to N.J.S.A. 24:6I-7.2(i) and N.J.S.A. 24:6I-36(d)(5), application materials submitted to the Commission are confidential and not public records; and

**WHEREAS**, the four (4) personnel of Alternative Treatment Centers (“ATC”) and one (1) personnel of an adult-use cannabis business listed below received notice that the result of their criminal history background information check revealed a conviction for a disqualifying offense; and

**WHEREAS**, the four (4) personnel of ATCs and one (1) personnel of an adult-use cannabis business listed below were provided an opportunity to challenge the accuracy of their criminal history results or request a determination of rehabilitation from the Commission; and

**WHEREAS**, the notice set forth the required documentation that must be provided in
