WHEREAS, pursuant to N.J.S.A. 24:6I-7(d)(1), the Commission requires that any applicant seeking to be a director, officer, or employee of, or to be a significantly involved person in, a medical cannabis permittee must undergo a criminal history record background check and provide all requested information as may be required; and

WHEREAS, if an individual has been convicted of a disqualifying crime, the Commission will not disqualify the individual on the basis of such conviction “if the individual has affirmatively demonstrated to the Commission by clear and convincing evidence of rehabilitation,” in accordance with N.J.S.A. 24:6I-7(d)(6), N.J.A.C. 17:30A-7.2(e), and N.J.A.C. 17:30-7.12(e), as applicable; and

WHEREAS, in determining whether sufficient evidence of rehabilitation has been provided, the Commission shall consider the factors set forth in N.J.S.A. 24:6I-7(d)(6), N.J.A.C. 17:30A-7.2(e), and N.J.A.C. 17:30-7.12(e):

- h) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the individual under their supervision; and

WHEREAS, in accordance with N.J.A.C. 17:30A-7.2(g) and N.J.A.C. 17:30-7.12(g), any individual disqualified shall be given an opportunity to challenge the accuracy of the disqualifying criminal history record prior to being permanently disqualified from participation; and
