Re: FINAL AGENCY DECISION

APPROVAL OF APPLICATION ALLOWING MODIFICATION OF CAPACITY, PHYSICAL PLANT, PREMISES, OR ADMINISTRATIVE OFFICE

Dear [REDACTED]:

The New Jersey Cannabis Regulatory Commission (“NJ-CRC” or “Commission”) has received and reviewed The Fireplace New Jersey LLC’s (“The Fireplace”) application requesting approval of a modification of capacity, physical plant, premises, or administrative office. Specifically, The Fireplace, an adult use Class 1 Cultivator, has requested approval of the addition of 17 exterior hoop houses to increase their total canopy by 39,780 square feet. The current cultivation canopy tier (Tier V) allows for additional mature canopy square footage without requiring a tier change. Your application has been approved, pending payment of the requisite fee of **\$2,000** in accordance with N.J.A.C. 17:30-7.17 and N.J.A.C. 17:30A-7.10 and subject to passing a final onsite assessment.

Pursuant to N.J.A.C. 17:30-9.2(a)(5), a cannabis business shall submit to the NJ-CRC an application for an amended license prior to any modification of a cannabis business’s capacity, physical plant, premises, or administrative office. Pursuant to N.J.A.C. 17:30-7.17(j), the fee to apply for a change or modification of a cannabis business’s capacity or physical plant is \$2,000.

Congratulations and thank you for your interest in working with the NJ-CRC to establish a safe and equitable cannabis industry for the State of New Jersey. Should you have any questions regarding this correspondence, please submit your inquiry to the NJ-CRC Licensing inbox at crc.licensing@crc.nj.gov.

Sincerely,

Harris Laufer
