

# CANNABIS PATIENTS' RIGHTS & RESPONSIBILITIES

**FEDERAL PROTECTION:** On December 2, 2022, the federal government enacted the **Medical Marijuana and Cannabidiol Research Expansion Act**, allowing healthcare providers to discuss cannabis with patients without fear of federal prosecution.

**PATIENT-ONLY PARKING:** Exclusive parking options for patients and caregivers during all operating hours.

**PATIENT-ONLY CHECKOUT LINES:** Exclusive lines and check-out for patients and caregivers during all operating hours.

**RESERVE PRESCRIBED PRODUCT:** Ability to reserve products in advance to ensure product availability.

**CUSTOMER SERVICE BY TELEPHONE:** Assistance for patients and caregivers during all operating hours.

**SAFE, QUALITY PRODUCTS:** NJ-CRC requires products to be properly labeled, packaged, and free of harmful ingredients.

**CERTIFICATE OF ANALYSIS:** Medicinal cannabis patients can request a Certificate of Analysis (lab test results) for any cannabis product they purchase.

Contact the NJ-CRC if this or any medicinal dispensary is not complying with patient access rules: use the QR code, call 609-376-7300, or email [medcannabis@crc.nj.gov](mailto:medcannabis@crc.nj.gov).

**It is the patient's responsibility to use cannabis safely and within the confines of the law.**
