5:12-100 Games and gaming equipment

a. This act shall not be construed to permit any gaming except the conduct of authorized games in a casino room or through Internet gaming in accordance with this act and the regulations promulgated hereunder and in a simulcasting facility to the extent provided by the "Casino Simulcasting Act," P.L.1992, c.19 (C.5:12-191 et al.). Notwithstanding the foregoing, if the division approves the game of keno as an authorized game pursuant to section 5 of P.L.1977, c.110 (C.5:12-5), as amended, keno tickets may be sold or redeemed in accordance with division regulations.

b. Gaming equipment shall not be possessed, maintained or exhibited by any person on the premises of a casino hotel except in a casino room, in the simulcasting facility, or in restricted casino areas used for the inspection, repair or storage of such equipment and specifically designated for that purpose by the casino licensee with the approval of the division. Gaming equipment which supports the conduct of gaming in a casino or simulcasting facility or through Internet gaming but does not permit or require patron access, such as computers, or gaming software or other gaming equipment used to conduct Internet gaming may be possessed and maintained by a casino licensee or a qualified holding or intermediary company of a casino licensee in restricted areas specifically approved by the division. No gaming equipment shall be possessed, maintained, exhibited, brought into or removed from a casino room or simulcasting facility by any person unless such equipment is necessary to the conduct of an authorized game, has permanently affixed, imprinted, impressed or engraved thereon an identification number or symbol authorized by the division, is under the exclusive control of a casino licensee or casino licensee's employees, or of any individually qualified employee of a holding company or casino licensee and is brought into or removed from the casino room or simulcasting facility following 24-hour prior notice given to an authorized agent of the division.

Notwithstanding any other provision of this section, computer equipment used by the slot system operator of a multi-casino progressive slot system to link and communicate with the slot machines of two or more casino licensees for the purpose of calculating and displaying the amount of a progressive jackpot, monitoring the operation of the system, and any other purpose that the division deems necessary and appropriate to the operation or maintenance of the multi-casino progressive slot machine system may, with the prior approval of the division, be possessed, maintained and operated by the slot system operator either in a restricted area on the premises of a casino hotel or in a secure facility inaccessible to the public and specifically designed for that purpose off the premises of a casino hotel but within the territorial limits of Atlantic County, New Jersey.

Notwithstanding the foregoing, a person may, with the prior approval of the division and under such terms and conditions as may be required by the division, possess, maintain or exhibit gaming equipment in any other area of the casino hotel, provided that such equipment is used for nongaming purposes.

Notwithstanding any other provision of this act to the contrary, the division may, by regulation, authorize the linking of slot machines of one or more casino licensees and slot machines located in casinos licensed by another state of the United States. Wagering and account information for a multi-state slot system shall be transmitted by the operator of such multi-state slot system to either a restricted area on the premises of a casino hotel or to a secure facility inaccessible to the public and specifically designed for that purpose off the premises of a casino hotel but within the territorial limits of Atlantic County, New Jersey, and from there to slot machines of New Jersey casino licensees, provided all locations are approved by the division.

Notwithstanding any other provision of this act to the contrary, the division may authorize electronic versions of authorized games to be played within an approved hotel facility on mobile gaming devices to be approved by

the division, provided the player has established an account with the casino licensee, the wager is placed by and the winnings are paid to the patron in person within the approved hotel facility, the mobile gaming device is inoperable outside the approved hotel facility, and the division authorizes the device for mobile gaming; provided that the division may establish any additional or more stringent licensing and other regulatory requirements necessary for the proper implementation and conduct of mobile gaming as authorized herein. For the purposes of this provision, the approved hotel facility shall include any area located within the property boundaries of the casino hotel facility, including the swimming pool area and an outdoor recreation area, where mobile gaming devices may be used by patrons in accordance with this provision, but excluding parking garages or parking areas of a casino hotel facility, provided that the division shall ascertain and ensure, pursuant to rules and regulations issued by it to implement mobile gaming pursuant to this provision, that mobile gaming shall not extend outside of the property boundaries of the casino hotel facility.

c. Each casino hotel shall contain a count room and such other secure facilities as may be required by the division for the counting and storage of cash, coins, tokens, checks, plaques, gaming vouchers, coupons, and other devices or items of value used in wagering and approved by the division that are received in the conduct of gaming and for the inspection, counting and storage of dice, cards, chips and other representatives of value. The division shall promulgate regulations for the security of drop boxes and other devices in which the foregoing items are deposited at the gaming tables or in slot machines, and all areas wherein such boxes and devices are kept while in use, which regulations may include certain locking devices. Said drop boxes and other devices shall not be brought into or removed from a casino room or simulcasting facility, or locked or unlocked, except at such times, in such places, and according to such procedures as the division may require.

d. All chips used in gaming shall be of such size and uniform color by denomination as the division shall require by regulation.

e. All gaming shall be conducted according to rules promulgated by the division. All wagers and pay-offs of winning wagers shall be made according to rules promulgated by the division, which shall establish such limitations as may be necessary to assure the vitality of casino operations and fair odds to patrons. Each slot machine shall have a minimum payout of 83%.

f. Each casino licensee shall make available in printed form to any patron upon request the complete text of the rules of the division regarding games and the conduct of gaming, pay-offs of winning wagers, an approximation of the odds of winning for each wager, and such other advice to the player as the division shall require. Each casino licensee shall prominently post within a casino room and simulcasting facility, as appropriate, according to regulations of the division such information about gaming rules, pay-offs of winning wagers, the odds of winning for each wager, and such other advice to the player as the division shall require.

g. Each gaming table shall be equipped with a sign indicating the permissible minimum and maximum wagers pertaining thereto. All gaming and wagering offered through Internet gaming shall display online the permissible minimum and maximum wagers pertaining thereto. It shall be unlawful for a casino licensee to require any wager to be greater than the stated minimum or less than the stated maximum; provided, however, that any wager actually made by a patron and not rejected by a casino licensee prior to the commencement of play shall be treated as a valid wager.

h. (1) Except as herein provided, no slot machine shall be used to conduct gaming unless it is identical in all electrical, mechanical and other aspects to a model thereof which has been specifically tested and licensed for use by the division. The division shall also test any other gaming device, gaming equipment, gaming-related device, hardware and software by which authorized gambling games are offered through the Internet, or gross-revenue

related device, such as a slot management system, electronic transfer credit system or gaming voucher system as it deems appropriate. In its discretion and for the purpose of expediting the approval process, the division may utilize the services of a private testing laboratory that has obtained a plenary license as a casino service industry enterprise pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to perform the testing, and may also utilize applicable data from any such private testing laboratory or from a governmental agency of a state other than New Jersey authorized to regulate slot machines and other gaming devices, gaming equipment, gaming-related devices and gross-revenue related devices used in casino gaming, if the private testing laboratory or governmental agency uses a testing methodology substantially similar to the methodology utilized by the division. The division, in its discretion, may rely upon the data provided by the private testing laboratory or governmental agency and adopt the conclusions of such private testing laboratory or governmental agency regarding any submitted device.

(2) Except as otherwise provided in paragraph (5) of subsection h. of this section, the division shall, within 60 days of its receipt of a complete application for the testing of a slot machine or other gaming equipment model, approve or reject the slot machine or other gaming equipment model. In so doing, the division shall specify whether and to what extent any data from a private testing laboratory or governmental agency of a state other than New Jersey was used in reaching its conclusions and recommendation. If the division is unable to complete the testing of a slot machine or other gaming equipment model within this 60-day period, the division may conditionally approve the slot machine or other gaming equipment model for test use by a casino licensee provided that the division represents that the use of the slot machine or other gaming equipment model will not have a direct and materially adverse impact on the integrity of gaming or the control of gross revenue. The division shall give priority to the testing of slot machines or other gaming

equipment which a casino licensee has certified it will use in its casino in this State.

(3) The division shall, by regulation, establish such technical standards for licensure of slot machines, including mechanical and electrical reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. The denominations of such machines shall be set by the licensee; the licensee shall simultaneously notify the division of the settings.

(4) The division shall, by regulation, determine the permissible number and density of slot machines in a licensed casino so as to:

- (a) promote optimum security for casino operations;
- (b) avoid deception or frequent distraction to players at gaming tables;
- (c) promote the comfort of patrons;
- (d) create and maintain a gracious playing environment in the casino; and
- (e) encourage and preserve competition in casino operations by assuring that a variety of gaming opportunities is offered to the public.

Any such regulation promulgated by the division which determines the permissible number and density of slot machines in a licensed casino shall provide that all casino floor space and all space within a casino licensee's casino simulcasting facility shall be included in any calculation of the permissible number and density of slot machines in a licensed casino.

(5) Any new gaming equipment or simulcast wagering equipment that is submitted for testing to the division or to an independent testing laboratory licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) prior to or simultaneously with submission of such new equipment for testing in a jurisdiction other than New Jersey, may, consistent with

regulations promulgated by the division, be deployed by a casino licensee on the casino floor 14 days after submission of such equipment for testing. If the casino or casino service industry enterprise licensee has not received approval for the equipment 14 days after submission for testing, any interested casino licensee may, consistent with division regulations, deploy the equipment on a field test basis, unless otherwise directed by the director.

(6) A casino's primary equipment used to conduct Internet gaming shall be located, with the prior approval of the division, in a restricted area on the premises of the casino hotel or in another facility owned or leased by the casino licensee that is secure, inaccessible to the public, and specifically designed to house that equipment, and where the equipment shall be under the complete control of the casino licensee or its Internet gaming affiliate, within the territorial limits of Atlantic City, New Jersey. Backup equipment used on a temporary basis pursuant to rules established by the division to conduct Internet gaming may be located outside the territorial limits of Atlantic City, provided no Internet gaming shall occur unless a wager is accepted by a casino within the territorial limits of Atlantic City, New Jersey. All Internet wagers shall be deemed to be placed when received in Atlantic City by the licensee. Any intermediate routing of electronic data in connection with a wager shall not affect the fact that the wager is placed in Atlantic City. For the purposes of this section, a secure facility within Atlantic City that is owned or leased by the casino licensee to house Internet gaming equipment shall be considered to be part of the casino hotel facility notwithstanding that the facility may not be contiguous with the premises of the casino hotel.

No software, computer or other gaming equipment shall be used to conduct Internet gaming unless it has been specifically tested by the division. The division may, in its discretion, and for the purpose of expediting the approval process, refer testing to any testing laboratory with a plenary license as a casino service industry enterprise pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92). The division shall give priority to the testing of

software, computers or other gaming equipment which a casino licensee has certified it will use to conduct Internet gaming in this State. The division shall, by regulation, establish such technical standards for approval of software, computers and other gaming equipment used to conduct Internet gaming, including mechanical, electrical or program reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. When appropriate, the licensee shall set the denominations of Internet games and shall simultaneously notify the division of the settings.

No software, computer or other gaming equipment shall be used to conduct Internet gaming unless it is able to verify that a player placing a wager is physically present in this State. The division shall require by regulation that the equipment used by every licensee to conduct Internet gaming is, in fact, verifying every player's physical presence in this State each time a player logs onto a new playing session.

i. (Deleted by amendment, P.L.1991, c.182).

j. (Deleted by amendment, P.L.1991, c.182).

k. It shall be unlawful for any person to exchange or redeem chips for anything whatsoever, except for currency, negotiable personal checks, negotiable counter checks, other chips, coupons, slot vouchers or complimentary vouchers distributed by the casino licensee, or, if authorized by regulation of the division, a valid charge to a credit or debit card account. A casino licensee shall, upon the request of any person, redeem that licensee's gaming chips surrendered by that person in any amount over \$100 with a check drawn upon the licensee's account at any banking institution in this State and made payable to that person.

l. It shall be unlawful for any casino licensee or its agents or employees to employ, contract with, or use any shill or barker to induce any person to

enter a casino or simulcasting facility or play at any game or for any purpose whatsoever.

m. It shall be unlawful for a dealer in any authorized game in which cards are dealt to deal cards by hand or other than from a device specifically designed for that purpose, unless otherwise permitted by the rules of the division.

n. (1) It shall be unlawful for any casino key employee licensee to wager in any casino or simulcasting facility in this State.

(2) It shall be unlawful for any other employee of a casino licensee who, in the judgment of the division, is directly involved with the conduct of gaming operations, including but not limited to dealers, floor persons, box persons, security and surveillance employees, to wager in any casino or simulcasting facility in the casino hotel in which the employee is employed or in any other casino or simulcasting facility in this State which is owned or operated by an affiliated licensee.

(3) The prohibition against wagering set forth in paragraphs (1) and (2) of this subsection shall continue for a period of 30 days commencing upon the date that the employee either leaves employment with a casino licensee or is terminated from employment with a casino licensee.

o. (1) It shall be unlawful for any casino key employee or boxman, floorman, or any other casino employee who shall serve in a supervisory position to solicit or accept, and for any other casino employee to solicit, any tip or gratuity from any player or patron at the casino hotel or simulcasting facility where he is employed.

(2) A dealer may accept tips or gratuities from a patron at the table at which such dealer is conducting play, subject to the provisions of this subsection. All such tips or gratuities shall be immediately deposited in a lockbox reserved for that purpose, unless the tip or gratuity is authorized by a patron utilizing an automated wagering system approved by the division. All tips or gratuities shall be accounted for, and placed in a pool for distribution

pro rata among the dealers, with the distribution based upon the number of hours each dealer has worked, except that the division may, by regulation, permit a separate pool to be established for dealers in the game of poker, or may permit tips or gratuities to be retained by individual dealers in the game of poker.

(3) Notwithstanding the provisions of paragraph (1) of this subsection, a casino licensee may require that a percentage of the prize pool offered to participants pursuant to an authorized poker tournament be withheld for distribution to the tournament dealers as tips or gratuities as the division by regulation may approve.

p. Any slot system operator that offers an annuity jackpot shall secure the payment of such jackpot by establishing an annuity jackpot guarantee in accordance with the requirements of P.L.1977, c.110 (C.5:12-1 et seq.), and the rules of the division.

(11) that the interest rate or discount rate, as applicable, and all fees and costs and other material terms relating to the assignment are expressly and clearly included in all material documents and in all documents that include any obligations of the annuity jackpot winner;

(12) that the interest rate or discount rate, as applicable, and any other fees or charges associated with the assignment do not indicate overreaching or exploitation, do not exceed current usury rates, and does not violate any laws of usury of this State;

(13) that the winner has reviewed and understands the terms of the assignment;

(14) that the winner understands that the winner will not receive the annuity jackpot payments, or portions thereof, for the years assigned;

(15) that the winner has agreed to the assignment of the winner's own free will without undue influence or duress;

(16) that the winner has retained and consulted with independent legal counsel who has advised the winner of the winner's legal rights and obligations;

(17) that the winner has retained and consulted with an independent tax advisor concerning the tax consequences of the assignment;

(18) that the winner has disclosed all existing debts, liens and child support obligations and does not seek assignment for purposes of evading creditors, judgments or obligations for child support; and

(19) that the winner has certified that: the winner is not obligated to repay any public assistance benefits; and the winner does not have a child support obligation, or if the winner does have a child support obligation, that no arrearage is due.

The annuity jackpot winner and the proposed assignee shall provide a copy of the proposed form of order to the slot system operator at least 10 days before the court is scheduled to act on the proposed order to allow the slot system operator the opportunity to ensure that the proposed order is complete and correct in all respects prior to the court's approval.

e. Before a winner is legally bound, by agreement, contract or otherwise, and prior to the issuance of an order pursuant to subsection d. of this section, the assignee shall provide the winner with all material documents which shall be binding on the assignor, including documents evidencing obligations of the winner, and a written notice recommending that the winner obtain independent counsel before signing any document which shall be binding on the assignor. All documents shall include a notice of the assignor's right to cancel the agreement which shall be located in

immediate proximity to all spaces reserved for the signature of the winner in bold-faced type of at least 10 points and which shall provide as follows:

"You have the right to cancel this assignment without any cost to you until midnight three business days after the day on which you have signed an agreement to assign all or a portion of your annuity jackpot.

Cancellation occurs when you give notice by regular first class mail, postage prepaid, to the assignee at the address listed at the top of the first page of this document that you wish to cancel the assignment. Notice is deemed given when deposited in a mailbox."

f. The slot system operator shall, not later than 10 days after receiving a true and correct copy of the filed judicial order, send the winner and the assignee written confirmation of receipt of the court-ordered assignment and of the slot system operator's intent to rely thereon in making future payments to the assignee named in the order. The slot system operator shall, thereafter, make all payments in accordance with the judicial order. No change in the terms of any assignment shall be effective unless made pursuant to a subsequent judicial order pursuant to this section.

g. The slot system operator may impose a reasonable fee on an assignor to defray any direct or indirect administrative expenses associated with an assignment.

h. The division, the commission and the State are not parties to assignment proceedings, except that the State may intervene as necessary to protect the State's interest in monies owed to the State.

i. The slot system operator and the State shall comply with, and rely upon, a judicial order in distributing payments subject to that order.

j. A winner may pledge or grant a security interest in all or part of an annuity jackpot as collateral for repayment of a loan pursuant to a judicial order containing the information required by subsection d. of this section which the court deems relevant to the pledge or grant.

k. Except where inconsistent with the provisions of this section, the New Jersey consumer fraud act, P.L.1960, c.39 (C.56:8-1 et seq.), shall apply to all transactions under this section.

l. The provisions of subsections d., e. and j. of this section shall be invalid if:

(1) the United States Internal Revenue Service issues a technical rule letter, revenue ruling, or other public ruling in which it is determined that because of the right of assignment provided by subsection d. of this section, annuity jackpot winners who do not exercise the right to assign annuity jackpot payments would be subject to an immediate income tax liability for the value of the entire annuity jackpot rather than annual income tax liability for each installment when received; or

(2) a court of competent jurisdiction issues a published decision holding that because of the right of assignment provided by subsection d. of this section, annuity jackpot winners who do not exercise the right to assign annuity jackpot payments would be subject to an immediate income tax liability for the value of the entire annuity jackpot rather than annual income tax liability for each installment when received.

m. Upon receipt, the division shall immediately file a copy of a letter or ruling of the United States Internal Revenue Service or a published decision of a court of competent jurisdiction, described in subsection l. of this section, with the Secretary of State. No assignment shall be approved pursuant to subsection d. of this section after the date of such filing.

n. A voluntary assignment shall not include or cover payments, or portions of payments, that are subject to the offset pursuant to section 5 of this amendatory and supplementary act, P.L.2005, c.46 (C.5:12-100.2), or any other law, unless appropriate provisions are made to satisfy the obligations giving rise to the offset.

o. No assignee shall directly or indirectly recommend or facilitate the hiring of any lawyer or accountant to assist the assignor in determining the

appropriateness of the proposed assignment. Further, the assignee shall not offer, prior to the closing, tax or investment advice.

5:12-100.2 Prompt notice of award of annuity jackpot; offset, lien for child support arrearages

a. Each slot system operator that awards an annuity jackpot shall provide prompt notice to the division of the name, address and social security number of each annuity jackpot winner and the amount of the pending payments. The division shall forward such information to the Office of Information Technology in the Department of the Treasury.

b. The Office of Information Technology shall cross check the annuity jackpot winner list with the data supplied by the Commissioner of Human Services pursuant to section 2 of P.L.1991, c.384 (C.5:9-13.2) for a social security number match. If a match is made, the Office of Information Technology shall notify the Commissioner of Human Services.

c. If an annuity jackpot winner is in arrears of a child support order, or is a former recipient of Aid to Families with Dependent Children or Work First New Jersey, food stamp benefits or low-income home energy assistance benefits who has incurred an overpayment which has not been repaid, the Probation Division of the Superior Court or the Department of Human Services, as appropriate, shall promptly notify the slot system operator of the name, address, social security number and amount due on an arrears child support order or the amount due on an overpayment. The slot system operator shall withhold this amount from the pending annuity jackpot payment and transmit same to the Probation Division of the Superior Court or the Department of Human Services, as appropriate, in accordance with regulations promulgated by the State Treasurer.

d. The Probation Division of the Superior Court, acting as agent for the child support payee or the county welfare agency that provided the public assistance benefits, as appropriate, shall have a lien on the proceeds of the annuity jackpot payment in an amount equal to the amount of child support arrearage or the amount of overpayment incurred, as appropriate. The lien imposed by this section shall be enforceable in the Superior Court. Any of the annuity jackpot winner's funds remaining after withholding pursuant to the lien established pursuant to this section shall be paid to the winner in accordance with the rules of the division.

e. The Commissioner of Human Services shall promulgate such regulations as may be necessary to effectuate the purposes of this section including, but not limited to, regulations providing for prompt notice to any annuity jackpot winner, from whose payments the Probation Division of the Superior Court or the Department of the Human Services seeks to withhold funds, of the amount to be withheld and the reason therefor and providing the annuity jackpot winner with the opportunity for a hearing upon request prior to the disposition of any funds.

f. The State Treasurer shall also provide, by regulation, safeguards against the disclosure or inappropriate use of any personally identifiable information regarding any person obtained pursuant to this section.

g. For the purposes of this section, "prompt notice" shall mean notice within 14 days or less.

5:12-101 Credit

a. Except as otherwise provided in this section, no casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall:

(1) Cash any check, make any loan, or otherwise provide or allow to any person any credit or advance of anything of value or which represents value to enable any person to take part in gaming or simulcast wagering activity as a player; or

(2) Release or discharge any debt, either in whole or in part, or make any loan which represents any losses incurred by any player in gaming or simulcast wagering activity, without maintaining a written record thereof in accordance with the rules of the division.

b. No casino licensee or any person licensed under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, may accept a check, other than a recognized traveler's check or other cash equivalent from any person to enable such person to take part in gaming or simulcast wagering activity as a player, or may give cash or cash equivalents in exchange for such check unless:

(1) The check is made payable to the casino licensee;

(2) The check is dated, but not postdated;

(3) The check is presented to the cashier or the cashier's representative at a location in the casino approved by the division and is exchanged for cash or slot tokens which total an amount equal to the amount for which the check is drawn, or the check is presented to the cashier's representative at a gaming table in exchange for chips which total an amount equal to the amount for which the check is drawn; and

(4) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

Nothing in this subsection shall be deemed to preclude the establishment of an account by any person with a casino licensee by a deposit of cash, recognized traveler's check or other cash equivalent, or a check which meets the requirements of subsection g. of this section, or to preclude the withdrawal, either in whole or in part, of any amount contained in such account.

c. When a casino licensee or other person licensed under this act, or any person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, cashes a check in conformity with the requirements of subsection b. of this section, the casino licensee shall cause the deposit of such check in a bank for collection or payment, or shall require an attorney or casino key employee with no incompatible functions to present such check to the drawer's bank for payment, within (1) seven calendar days of the date of the transaction for a check in an amount of \$1,000.00 or less; (2) 14 calendar days of the date of the transaction for a check in an amount greater than \$1,000.00 but less than or equal to \$5,000.00; or (3) 45 calendar days of the date of the transaction for a check in an amount greater than \$5,000.00. Notwithstanding the foregoing, the drawer of the check may redeem the check by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section in an amount equal to the amount for which the check is drawn; or he may redeem the check in part by exchanging cash, cash equivalents, chips, or a check which meets the requirements of subsection g. of this section and another check which meets the requirements of subsection b. of this section for the difference between the original check and the cash, cash equivalents, chips, or check tendered; or he may issue one check which meets the requirements of subsection b. of this section in an amount sufficient to redeem two or more checks drawn to the order of the casino licensee. If there has been a partial redemption or a consolidation in conformity with the provisions of this subsection, the newly issued check shall be delivered to a bank for collection or payment or presented to the drawer's bank for payment by an attorney or casino key employee with no incompatible functions within the period herein specified. No casino licensee or any person licensed or registered under this act, and no person acting on behalf of or under any arrangement with a casino licensee or other person licensed under this act, shall accept any check or series of checks in redemption or consolidation of another check or checks in accordance with this

subsection for the purpose of avoiding or delaying the deposit of a check in a bank for collection or payment or the presentment of the check to the drawer's bank within the time period prescribed by this subsection.

In computing a time period prescribed by this subsection, the last day of the period shall be included unless it is a Saturday, Sunday, or a State or federal holiday, in which event the time period shall run until the next business day.

d. No casino licensee or any other person licensed or registered under this act, or any other person acting on behalf of or under any arrangement with a casino licensee or other person licensed or registered under this act, shall transfer, convey, or give, with or without consideration, a check cashed in conformity with the requirements of this section to any person other than:

(1) The drawer of the check upon redemption or consolidation in accordance with subsection c. of this section;

(2) A bank for collection or payment of the check;

(3) A purchaser of the casino license as approved by the commission; or

(4) An attorney or casino key employee with no incompatible functions for presentment to the drawer's bank.

The limitation on transferability of checks imposed herein shall apply to checks returned by any bank to the casino licensee without full and final payment.

e. No person other than a casino key employee licensed under this act or a casino employee registered under this act may engage in efforts to collect upon checks that have been returned by banks without full and final payment, except that an attorney-at-law representing a casino licensee may bring action for such collection.

f. Notwithstanding the provisions of any law to the contrary, checks cashed in conformity with the requirements of this act shall be valid instruments, enforceable at law in the courts of this State. Any check cashed,

transferred, conveyed or given in violation of this act shall be invalid and unenforceable for the purposes of collection but shall be included in the calculation of gross revenue pursuant to section 24 of P.L.1977, c.110 (C.5:12-24).

g. Notwithstanding the provisions of subsection b. of this section to the contrary, a casino licensee may accept a check from a person to enable the person to take part in gaming or simulcast wagering activity as a player, may give cash or cash equivalents in exchange for such a check, or may accept a check in redemption or partial redemption of a check issued in accordance with subsection b., provided that:

(1) (a) The check is issued by a casino licensee, is made payable to the person presenting the check, and is issued for a purpose other than employment compensation or as payment for goods or services rendered;

(b) The check is issued by a banking institution which is chartered in a country other than the United States on its account at a federally chartered or state-chartered bank and is made payable to "cash," "bearer," a casino licensee, or the person presenting the check;

(c) The check is issued by a banking institution which is chartered in the United States on its account at another federally chartered or state-chartered bank and is made payable to "cash," "bearer," a casino licensee, or the person presenting the check;

(d) The check is issued by a slot system operator or pursuant to an annuity jackpot guarantee as payment for winnings from a multi-casino progressive slot machine system jackpot; or

(e) The check is issued by an entity that holds a gaming license in any jurisdiction, is made payable to the person presenting the check, and is issued for a purpose other than employment compensation or as payment for goods or services rendered;

(2) The check is identifiable in a manner approved by the division as a check authorized for acceptance pursuant to paragraph (1) of this subsection;

(3) The check is dated, but not postdated;

(4) The check is presented to the cashier or the cashier's representative by the original payee and its validity is verified by the drawer in the case of a check drawn pursuant to subparagraph (a) of paragraph (1) of this subsection, or the check is verified in accordance with regulations promulgated under this act in the case of a check issued pursuant to subparagraph (b), (c), (d) or (e) of paragraph (1) of this subsection; and

(5) The regulations concerning check cashing procedures are observed by the casino licensee and its employees and agents.

No casino licensee shall issue a check for the purpose of making a loan or otherwise providing or allowing any advance or credit to a person to enable the person to take part in gaming or simulcast wagering activity as a player.

h. Notwithstanding the provisions of subsection b. and subsection c. of this section to the contrary, a casino licensee may, at a location outside the casino, accept a personal check or checks from a person for up to \$5,000 in exchange for cash or cash equivalents, and may, at such locations within the casino or casino simulcasting facility as may be permitted by the division, accept a personal check or checks for up to \$5,000 in exchange for cash, cash equivalents, tokens, chips, or plaques to enable the person to take part in gaming or simulcast wagering activity as a player, provided that:

(a) The check is drawn on the patron's bank or brokerage cash management account;

(b) The check is for a specific amount;

(c) The check is made payable to the casino licensee;

(d) The check is dated but not post-dated;

(e) The patron's identity is established by examination of one of the following: valid credit card, driver's license, passport, or other form of identification credential which contains, at a minimum, the patron's signature;

(f) The check is restrictively endorsed "For Deposit Only" to the casino licensee's bank account and deposited on the next banking day following the date of the transaction;

(g) The total amount of personal checks accepted by any one licensee pursuant to this subsection that are outstanding at any time, including the current check being submitted, does not exceed \$5,000;

(h) The casino licensee has a system of internal controls in place that will enable it to determine the amount of outstanding personal checks received from any patron pursuant to this subsection at any given point in time; and

(i) The casino licensee maintains a record of each such transaction in accordance with regulations established by the division.

i. (Deleted by amendment, P.L.2004, c.128).

j. A person may request the division to put that person's name on a list of persons to whom the extension of credit by a casino as provided in this section would be prohibited by submitting to the division the person's name, address, and date of birth. The person does not need to provide a reason for this request. The division shall provide this list to the credit department of each casino; neither the division nor the credit department of a casino shall divulge the names on this list to any person or entity other than those provided for in this subsection. If such a person wishes to have that person's name removed from the list, the person shall submit this request to the division, which shall so inform the credit departments of casinos no later than three days after the submission of the request.

5:12-102 Junkets and complimentary services

a. No junkets may be organized or permitted except in accordance with the provisions of this act. No person may act as a junket representative or junket enterprise except in accordance with this section.

b. A junket representative employed by a casino licensee, an applicant for a casino license or an affiliate of a casino licensee shall be licensed as a casino key employee in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that said licensee need not be a resident of this State. No casino licensee or applicant for a casino license may employ or otherwise engage a junket representative who is not so licensed.

c. Junket enterprises that, and junket representatives not employed by a casino licensee or an applicant for a casino license or by a junket enterprise who, engage in activities governed by this section shall be licensed as an ancillary casino service industry enterprise in accordance with paragraph (3) of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), unless otherwise directed by the division; provided, however, that any such junket enterprise or junket representative who is disqualified pursuant to section 86 of P.L.1977, c.110 (C.5:12-86) shall not be entitled to establish his rehabilitation from such disqualification. Any non-supervisory employee of a junket enterprise or junket representative licensed as an ancillary casino service industry enterprise in accordance with paragraph (3) of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) shall be registered in accordance with subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92).

d. Prior to the issuance of any license required by this section, an applicant for licensure shall submit to the jurisdiction of the State of New

Jersey and shall demonstrate that he is amenable to service of process within this State. Failure to establish or maintain compliance with the requirements of this subsection shall constitute sufficient cause for the denial, suspension or revocation of any license issued pursuant to this section.

e. Upon petition by the holder of a casino license, an applicant for a casino key employee license intending to be employed as a junket representative may be issued a temporary license by the division in accordance with regulations promulgated by the division, provided that:

(1) the applicant for licensure is employed by a casino licensee;

(2) the applicant for licensure has filed a completed application as required by the commission;

(3) the division either certifies to the commission that the completed application for licensure as specified in paragraph (2) of this subsection has been in the possession of the division for at least 60 days or agrees to allow the commission to consider the application in some lesser time; and

(4) the division does not object to the temporary licensure of the applicant; provided, however, that failure of the division to object prior to the temporary licensure of the applicant shall not be construed to reflect in any manner upon the qualifications of the applicant for licensure.

In addition to any other authority granted by P.L.1977, c.110 (C.5:12-1 et seq.), the commission shall have the authority, upon receipt of a representation by the division that it possesses information which raises a reasonable possibility that a junket representative does not qualify for licensure, to immediately suspend, limit or condition any temporary license issued pursuant to this subsection, pending a hearing on the qualifications of the junket representative, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.).

Unless otherwise terminated pursuant to P.L.1977, c.110 (C.5:12-1 et seq.), any temporary license issued pursuant to this subsection shall expire 12

months from the date of its issuance, and shall be renewable by the commission, in the absence of an objection by the division, as specified in paragraph (4) of this subsection, for one additional six-month period.

f. Every agreement concerning junkets entered into by a casino licensee and a junket representative or junket enterprise shall be deemed to include a provision for its termination without liability on the part of the casino licensee, if the division orders the termination upon the suspension, limitation, conditioning, denial or revocation of the licensure of the junket representative or junket enterprise, in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.). Failure to expressly include such a condition in the agreement shall not constitute a defense in any action brought to terminate the agreement.

g. A casino licensee shall be responsible for the conduct of any junket representative or junket enterprise associated with it and for the terms and conditions of any junket engaged in on its premises, regardless of the fact that the junket may involve persons not employed by such a casino licensee.

h. A casino licensee shall be responsible for any violation or deviation from the terms of a junket. Notwithstanding any other provisions of this act, the division may order restitution to junket participants, assess penalties for such violations or deviations, prohibit future junkets by the casino licensee, junket enterprise or junket representative, and order such further relief as it deems appropriate.

i. The division shall, by regulation, prescribe methods, procedures and forms for the delivery and retention of information concerning the conduct of junkets by casino licensees. Without limitation of the foregoing, each casino licensee, in accordance with the rules of the division, shall:

(1) Maintain on file a report describing the operation of any junket engaged in on its premises;

(2) (Deleted by amendment, P.L.1995, c.18).

(3) Submit to the division a list of all its employees who are acting as junket representatives.

j. Each casino licensee, junket representative or junket enterprise shall, in accordance with the rules of the division, file a report with the division with respect to each list of junket patrons or potential junket patrons purchased directly or indirectly by the casino licensee, junket representative or enterprise.

k. The division shall have the authority to determine, either by regulation, or upon petition by the holder of a casino license, that a type of arrangement otherwise included within the definition of "junket" established by section 29 of P.L.1977, c.110 (C.5:12-29) shall not require compliance with any or all of the requirements of this section. In granting exemptions, the division shall consider such factors as the nature, volume and significance of the particular type of arrangement, and whether the exemption would be consistent with the public policies established by this act. In applying the provisions of this subsection, the division may condition, limit, or restrict any exemption as the commission may deem appropriate.

l. No junket enterprise or junket representative or person acting as a junket representative may:

(1) Engage in efforts to collect upon checks that have been returned by banks without full and final payment;

(2) Exercise approval authority with regard to the authorization or issuance of credit pursuant to section 101 of P.L.1977, c.110 (C.5:12-101);

(3) Act on behalf of or under any arrangement with a casino licensee or a gaming patron with regard to the redemption, consolidation, or substitution of the gaming patron's checks awaiting deposit pursuant to subsection c. of section 101 of P.L.1977, c.110 (C.5:12-101);

(4) Individually receive or retain any fee from a patron for the privilege of participating in a junket;

(5) Pay for any services, including transportation, or other items of value provided to, or for the benefit of, any patron participating in a junket.

m. No casino licensee shall offer or provide any complimentary services, gifts, cash or other items of value to any person unless:

(1) The complimentary consists of room, food, beverage, transportation, or entertainment expenses provided directly to the patron and his guests by the licensee or indirectly to the patron and his guests on behalf of a licensee by a third party; or

(2) (Deleted by amendment, P.L.2009, c.36); or

(3) The complimentary consists of coins, tokens, cash or other complimentary items or services provided through a bus coupon or other complimentary distribution program which, notwithstanding the requirements of section 99 of P.L.1977, c.110 (C.5:12-99), shall be maintained pursuant to regulation and made available for inspection by the division.

Each casino licensee shall maintain a regulated complimentary service account, for those complimentaries which are permitted pursuant to this section, and shall submit a quarterly report to the division based upon such account and covering all complimentary services offered or engaged in by the licensee during the immediately preceding quarter. Such reports shall include identification of the regulated complimentary services and their respective costs, the number of persons by category of service who received the same, and such other information as the division may require.

5:12-103 Alcoholic beverages in casino hotel facilities

a. Notwithstanding any law to the contrary, the authority to grant any license for, or to permit or prohibit the presence of, alcoholic beverages in, on, or about any premises licensed as part of a casino hotel shall exclusively be vested in the division.

b. Unless otherwise stated, and except where inconsistent with the purpose or intent of this act or the common understanding of usage thereof, definitions contained in Title 33 of the Revised Statutes shall apply to this section. Any definition contained therein shall apply to the same word in any form.

c. Notwithstanding any provision of Title 33 of the Revised Statutes, the rules, regulations and bulletins promulgated by the director of the Division of Alcoholic Beverage Control, or any provision promulgated by any local authority, the authority to issue, renew, transfer, revoke or suspend a Casino Hotel Alcoholic Beverage License or any portion, location, privilege or condition thereof; to fine or penalize a Casino Hotel Alcoholic Beverage Licensee; to enforce all statutes, laws, rulings, or regulations relating to such license; and to collect license fees and establish application standards therefor, shall be, consistent with this act, exclusively vested in the division.

d. Except as otherwise provided in this section, the provisions of Title 33 of the Revised Statutes and the rules, regulations and bulletins promulgated by the Director of the Division of Alcoholic Beverage Control shall apply to a Casino Hotel and Casino Hotel Alcoholic Beverage Licensee licensed under this act.

e. Notwithstanding any provision to the contrary, the division may promulgate any regulations and special rulings and findings as may be necessary for the proper enforcement, regulation, and control of alcoholic beverages in casino hotels when the division finds that the uniqueness of casino operations and the public interest require that such regulations, rulings, and findings are appropriate. Regulations of the division may

include but are not limited to: designation and duties of enforcement personnel; all forms necessary or convenient in the administration of this section; inspections, investigations, searches, seizures; licensing and disciplinary standards; requirements and standards for any hearings or disciplinary or other proceedings that may be required from time to time; the assessment of fines or penalties for violations; hours of sale; sales in original containers; sales on credit; out-of-door sales; limitations on sales; gifts and promotional materials; locations or places for sale; control of signs and other displays; identification of licensees and their employees; employment of aliens and minors; storage, transportation and sanitary requirements; records to be kept by the Casino Hotel Alcoholic Beverage Licensees and availability thereof; practices unduly designed to increase consumption of alcoholic beverages; and such other matters whatsoever as are or may become necessary and consistent with the administration of this act.

f. (1) It shall be unlawful for any person, including any casino licensee or any of its lessees, agents or employees, to expose for sale, solicit or promote the sale of, possess with intent to sell, sell, give, dispense, or otherwise transfer or dispose of alcoholic beverages in, on or about any portion of the premises of a casino hotel, unless said person possesses a Casino Hotel Alcoholic Beverage License. Nothing herein or in any other law to the contrary, however, shall prohibit a casino beverage server in the course of his or her employment from inquiring of a casino patron whether such patron desires a beverage, whether or not such inquiry is phrased in terms of any word which may connote that the beverage is an alcoholic beverage.

(2) It shall be unlawful for any person issued a Casino Hotel Alcoholic Beverage License to expose, possess, sell, give, dispense, transfer, or otherwise dispose of alcoholic beverages, other than within the terms and conditions of the Casino Hotel Alcoholic Beverage License issued, the provisions of Title 33 of the Revised Statutes, the rules and regulations

promulgated by the Director of the Division of Alcoholic Beverage Control, and, when applicable, the regulations promulgated pursuant to this act.

(3) Notwithstanding any other law to the contrary, a manufacturer, wholesaler, or other person licensed to sell alcoholic beverages to retailers, or third parties at their discretion, may, in addition to the activities permitted by section 10 of P.L.2005, c.243 (C.33:1-43.2), jointly sponsor with the Casino Hotel Alcoholic Beverage Licensee musical or theatrical performances or concerts, sporting events and such similar events and festivals, with an anticipated overall audience attendance of at least one thousand patrons, as may be approved by the division.

g. In issuing a Casino Hotel Alcoholic Beverage License the division shall describe the scope of the particular license and the restrictions and limitations thereon as it deems necessary and reasonable. The division may, in a single Casino Hotel Alcoholic Beverage License, permit the holder of such a license to perform any or all of the following activities, subject to applicable laws, rules and regulations:

(1) To sell any alcoholic beverage by the glass or other open receptacle including, but not limited to, an original container, for on-premise consumption within a casino or simulcasting facility; provided, however, that no alcoholic beverage shall be sold or given for consumption; delivered or otherwise brought to a patron; or consumed at a gaming table unless so requested by the patron.

(2) To sell any alcoholic beverage by the glass or other open receptacle for on-premise consumption within a casino hotel, but not in a casino or simulcasting facility, or from a fixed location outside a building or structure containing a casino but on a casino hotel premises.

(3) To sell any alcoholic beverage in original containers for consumption outside the licensed area from an enclosed package room not in a casino or simulcasting facility.

(4) To sell any alcoholic beverage by the glass or other open receptacle or in original containers from a room service location within an enclosed room not in a casino or simulcasting facility; provided, however, that any sale of alcoholic beverages is delivered only to a guest room or to any other room in the casino hotel authorized by the division, other than any room authorized by the division pursuant to paragraph (1), (3), or (5) of this subsection.

(5) To possess or to store alcoholic beverages in original containers intended but not actually exposed for sale at a fixed location on a casino hotel premises, not in a casino or simulcasting facility; and to transfer or deliver such alcoholic beverages only to a location approved pursuant to this section; provided, however, that no access to or from a storage location shall be permitted except during the normal course of business by employees or agents of the licensee, or by licensed employees or agents of wholesalers or distributors licensed pursuant to Title 33 of the Revised Statutes and any applicable rules and regulations; and provided further, however, that no provision of this section shall be construed to prohibit a Casino Hotel Alcoholic Beverage Licensee from obtaining an off-site storage license from the Division of Alcoholic Beverage Control.

h. Deleted by amendment, P.L.2011, c.19.

i. The division may revoke, suspend, refuse to renew or refuse to transfer any Casino Hotel Alcoholic Beverage License, or fine or penalize any Casino Hotel Alcoholic Beverage Licensee for violations of any provision of Title 33 of the Revised Statutes, the rules and regulations promulgated by the Director of the Division of Alcoholic Beverage Control, and the regulations promulgated by the division.

j. Jurisdiction over all alcoholic beverage licenses previously issued with respect to the casino hotel facility is hereby vested in the division, which in its discretion may by regulation provide for the conversion thereof into a Casino Hotel Alcoholic Beverage License as provided in this section.

5:12-104 Casino licensee leases and contracts

a. Unless otherwise provided in this subsection, no agreement shall be lawful which provides for the payment, however defined, of any direct or indirect interest, percentage or share of: any money or property gambled at a casino or simulcasting facility; any money or property derived from casino gaming activity or wagering at a simulcasting facility; or any revenues, profits or earnings of a casino or simulcasting facility. Notwithstanding the foregoing:

(1) Agreements which provide only for the payment of a fixed sum which is in no way affected by the amount of any such money, property, revenues, profits or earnings shall not be subject to the provisions of this subsection; and receipts, rentals or charges for real property, personal property or services shall not lose their character as payments of a fixed sum because of contract, lease, or license provisions for adjustments in charges, rentals or fees on account of changes in taxes or assessments, cost-of-living index escalations, expansion or improvement of facilities, or changes in services supplied.

(2) Agreements between a casino licensee and a junket enterprise or junket representative licensed, qualified or registered in accordance with the provisions of P.L.1977, c.110 (C.5:12-1 et seq.) and the regulations of the division which provide for the compensation of the junket enterprise or junket representative by the casino licensee based upon the actual casino gaming or simulcast wagering activities of a patron procured or referred by the junket enterprise or junket representative shall be lawful if filed with the division prior to the conduct of any junket that is governed by the agreement.

(3) Agreements between a casino licensee and its employees which provide for casino employee or casino key employee profit sharing shall be lawful if the agreement is in writing and filed with the division prior to its effective date. Such agreements may be reviewed by the division under any relevant provision of P.L.1977, c.110 (C.5:12-1 et seq.).

(4) Agreements to lease an approved casino hotel or the land thereunder and agreements for the complete management of all casino gaming operations in a casino hotel shall not be subject to the provisions of this subsection but shall rather be subject to the provisions of subsections b. and c. of section 82 of this act.

(5) Agreements which provide for percentage charges between the casino licensee and a holding company or intermediary company of the casino licensee shall be in writing and filed with the division but shall not be subject to the provisions of this subsection.

(6) Agreements relating to simulcast racing and wagering between a casino licensee and an in-State or out-of-State sending track licensed or exempt from licensure in accordance with section 92 of P.L.1977, c.110 (C.5:12-92) shall be in writing, be filed with the division, and be lawful and effective only if expressly approved as to their terms by the division and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the parimutuel pool wagered at a simulcasting facility to be paid to the sending track shall not be subject to the provisions of this subsection.

(7) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) as a hub facility, as defined in joint regulations of the Division of Gaming Enforcement and the New Jersey Racing Commission, shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing

Commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the hub facility shall not be subject to the provisions of this subsection.

(8) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to conduct casino simulcasting in a simulcasting facility shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the casino service industry enterprise shall not be subject to the provisions of this subsection.

(9) Written agreements relating to the operation of multi-casino or multi-state progressive slot machine systems between one or more casino licensees and a casino service industry enterprise licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, which provide for an interest, percentage or share of the casino licensee's revenues, profits or earnings from the operation of such multi-casino or multi-state progressive slot machines to be paid to the casino service industry enterprise licensee or applicant shall not be subject to the provisions of this subsection if the agreements are filed with and approved by the division.

(10) A written agreement between a casino licensee and a casino service industry enterprise licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such license, relating to the construction, renovation or operation of qualifying sleeping units, as defined in section 27 of P.L.1977, c.110 (C.5:12-27), or of non-gaming amenities, as defined by the division, within the limits of the city of Atlantic

City, regardless of whether such qualifying sleeping units or non-gaming amenities are connected to a casino hotel facility, which provides for an interest, percentage or share of the casino licensee's revenues, profits or earnings, not to exceed 5% of the casino licensee's revenues, to be paid to the casino service industry enterprise licensee or applicant in return for the construction, renovation or operation of such qualifying sleeping units or non-gaming amenities shall not be subject to the provisions of this subsection provided that: (i) the agreement requires a capital investment, at least 10% of which shall be made by the casino service industry enterprise licensee or applicant over the term of the agreement, of not less than \$30 million, which minimum amount shall be adjusted periodically by the division for inflation; (ii) the division finds that the total amount of casino revenues, profits or earnings that can be paid to the casino service industry enterprise licensee or applicant pursuant to this agreement is commercially reasonable under the circumstances; and (iii) the agreement is filed with and approved by the division.

(11) A written agreement between a casino licensee holding an Internet gaming permit and a casino service industry enterprise licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such a license, in connection with the conduct of Internet gaming under P.L.2013, c.27 (C.5:12-95.17 et al.), which provides for a percentage of the casino licensee's Internet gaming gross revenue to be paid to the casino service industry enterprise licensee shall not be subject to the provisions of this subsection, provided that the agreement shall be in writing, filed with the division, and shall be lawful and effective only if the terms thereof are expressly approved by the division.

b. Each casino applicant or licensee shall maintain, in accordance with the rules of the division, a record of each written or unwritten agreement regarding the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility. The foregoing obligation shall apply

regardless of whether the casino applicant or licensee is a party to the agreement. Any such agreement may be reviewed by the division on the basis of the reasonableness of its terms, including the terms of compensation, and of the qualifications of the owners, officers, employees, and directors of any enterprise involved in the agreement, which qualifications shall be reviewed according to the standards enumerated in section 86 of P.L.1977, c.110 (C.5:12-86). If the division disapproves such an agreement or the owners, officers, employees, or directors of any enterprise involved therein, the division may require its termination.

Every agreement required to be maintained, and every related agreement the performance of which is dependent upon the performance of any such agreement, shall be deemed to include a provision to the effect that, if the commission shall require termination of an agreement pursuant to its authority under P.L.1977, c.110 (C.5:12-1 et seq.), such termination shall occur without liability on the part of the casino applicant or licensee or any qualified party to the agreement or any related agreement. Failure expressly to include such a provision in the agreement shall not constitute a defense in any action brought to terminate the agreement. If the agreement is not maintained or presented to the commission in accordance with division regulations, or the disapproved agreement is not terminated, the division may pursue any remedy or combination of remedies provided in this act.

For the purposes of this subsection, "casino applicant" includes any person required to hold a casino license pursuant to section 82 of P.L.1977, c.110 (C.5:12-82) who has applied to the division for a casino license or any approval required under P.L.1977, c.110 (C.5:12-1 et seq.).

c. Nothing in this act shall be deemed to permit the transfer of any license, or any interest in any license, or any certificate of compliance or any commitment or reservation.

5:12-105 Disposition of securities by corporate licensee; approval of articles of incorporation disqualification of individual owner or holder of security; reports

a. The sale, assignment, transfer, pledge or other disposition of any security issued by a corporation which holds a casino license shall be effective five business days after the commission receives notice from the licensee of such sale, assignment, transfer, pledge or other disposition, in the form required by regulation, unless within the five business day period, the commission disapproves of such sale, assignment, transfer, pledge or other disposition.

b. Every security issued by a corporation which holds a casino license shall bear, on both sides of the certificate evidencing such security, a statement of the restrictions imposed by this section, except that in the case of a publicly traded corporation incorporated prior to the effective date of this act, a statement of restriction shall be necessary only insofar as certificates are issued by such corporation after the effective date of this act.

c. The Secretary of State shall not accept for filing any articles of incorporation of any corporation which includes as a stated purpose the conduct of casino gaming, or any amendment which adds such purpose to articles of incorporation already filed, unless such articles or amendments have been approved by the commission and a copy of such approval is annexed thereto upon presentation for filing with the Secretary of State.

d. If at any time the division reports to the commission that an individual owner or holder of any security of a corporate licensee or of a holding or intermediary company with respect thereto is not qualified under this act, and if as a result the corporate licensee is no longer qualified to continue as a casino licensee in this State, the commission shall, pursuant to the provisions of this act, and upon the report and input of the division, take any necessary action to protect the public interest, including the suspension or revocation of the casino license of the corporation; provided, however, that if the holding or intermediary company is a publicly traded corporation and the commission finds disqualified any holder of any security thereof who is required to be qualified under section 85d. of this act, and the commission also finds that: (1) the holding or intermediary company has complied with the provisions of section 82d.(7) of this act; (2) the holding or intermediary company has made a good faith effort, including the prosecution of all legal remedies, to comply with any order of the commission or the division requiring the divestiture of the security interest held by the disqualified holder; and (3) such disqualified holder does not have the ability to control the corporate licensee or any holding or intermediary company with respect thereto, or to elect one or more members of the board of directors of such corporation or company, the commission shall not take action against the casino licensee or the holding or intermediary company with respect to the continued ownership of the security interest by the disqualified holder. For purposes of this act, a security holder shall be presumed to have the ability to control a publicly

traded corporation, or to elect one or more members of its board of directors, if such holder owns or beneficially holds 5% or more of the equity securities of such corporation, unless such presumption of control or ability to elect is rebutted by clear and convincing evidence.

e. Commencing on the date the commission serves notice upon a corporation of the determination of disqualification under subsection d. of this section, it shall be unlawful for the named individual:

(1) To receive any dividends or interest upon any such securities;

(2) To exercise, directly or through any trustee or nominee, any right conferred by such securities; or

(3) To receive any remuneration in any form from the corporate licensee for services rendered or otherwise.

f. After a nonpublicly traded corporation has been issued a casino license pursuant to the provisions of this act, but prior to the issuance or transfer of any security to any person required to be but not yet qualified in accordance with the provisions of this act, such corporation shall file a report of its proposed action with the commission and the division, and shall request the approval of the commission for the transaction. If the commission shall deny the request, the corporation shall not issue or transfer such security. After a publicly traded corporation has been issued a casino license, such corporation shall file a report quarterly with the commission and the division, which report shall list all owners and holders of any security issued by such corporate casino licensee.

g. Each corporation which has been issued a casino license pursuant to the provisions of this act shall file a report of any change of its corporate officers or members of its board of directors with the commission and the division. No officer or director shall be entitled to exercise any powers of the

office to which he was so elected or appointed until qualified by the commission in accordance with the provisions of this act.

5:12-106 Casino employment

a. A casino licensee shall not appoint or employ in a position requiring a casino key employee license or a casino employee registration any person not possessing a current and valid license or registration permitting such appointment or employment.

b. A casino licensee shall, within 24 hours of receipt of written or electronically transferred notice thereof, terminate the appointment or employment of any person whose license or registration has been revoked or has expired. A casino licensee may, in its discretion, suspend rather than terminate the appointment or employment of any person whose license or registration has expired until such time as the person is again licensed or registered. A casino licensee shall comply in all respects with any order of the division imposing limitations or restrictions upon the terms of employment or appointment in the course of any investigation or hearing.

c. An applicant for or a holder of a casino key employee license or a holder of a casino employee registration whose application is denied or whose licensure or registration is revoked, as the case may be, shall not, in addition to any restrictions imposed by the regulations of the commission or division, as applicable, on a reapplication for licensure, be employed by a casino licensee in a position that does not require a license or registration until five years have elapsed from the date of the denial or revocation, except that the commission or division may permit such employment upon good cause shown.
