that, you know -- you know -- you know. Whatever -- casino things.
So I was -- it was an honest mistake. I didn't mean to. It was -- like as I said, I didn't realize what I was doing, and I just thought I was exiting myself out of DraftKing when I closed out the account.
And then I realized what I did, after the fact I tried to fix the problem. And they said that I had to -- I couldn't do that until I spoke to you guys and figure out everything.
So I apologize.
CHAIR PLOUSIS: Any questions for LC?
COMMISSIONER FORMICA: No.
VICE CHAIR MOLLINEAUX: No.
CHAIR PLOUSIS: LC, did you -- did you read the documentation when you were going through the process?

MS. FAUNTLEROY: I believe we do have someone.
CHAIR PLOUSIS: Yes. Please come forward.
MS. JONES: All right.
MS. FAUNTLEROY: There are no e-mail public comments.
MS. JONES: Good morning.
CHAIR PLOUSIS: Could you say your name for the record?
MS. JONES: Sure. Signora Gwendolyn Jones.
I'm really concerned about employees that work for the casino. And I'm hoping to establish a committee board that I can come -- we can come in and have meetings with you regularly a month -- or quarterly -- to let you know the things that's going on and things that we are really concerned about, you know, the safety, you know, benefits, culture, advancement, foundation, building an establishment of growth for to look out for the next generation. So if we could I would

PUBLIC PARTICIPATION
appreciate it most definitely if you would grant that to us.
Now, my situation is another thing. What happened was I was working. Right? And someone was falsifying records in my name as being on the excursion [sic] list. So what I did was I put it in to find out who was doing these bad things. And I believe it was cleared up. And every time they clear up, they tend to bring it back into the system. So I hope this matter gets cleared up today so I can, you know, roam around and have -- not fun, but enjoy the entertainment of Atlantic City where I was -- grew up at. You know.
CHAIR PLOUSIS: Do you work in the casino now?
MS. JONES: Yes, sir.
CHAIR PLOUSIS: You do.
MS. JONES: I worked at Harrah's, Playboy, Caesars, Claridge, Hilton, Borgata. I think that was the last one. And everything I did -- plus my family was a part of the growth. We all had different positions in the casino.
And there were rules and regulations to

PUBLIC PARTICIPATION

follow. A lot of things that I observe now are not being documented. So it looks like this is a job where you do what you wanna. And they're not accountable for money in and out of the casino.

So years ago I tried to warn my boss now, which is the President of the United States, President Trump, that his casino was under -- you know, very basically bankruptcy as it went into because of embezzlement and doing very bad things with money.

I have established this: If nothing is being accountable for, then there's no future. Everything will fall. And when that falls as a company, there are no jobs. Nobody can pay their rent. We go into poverty, inflation, and all other things. But people tend to blame the Government, which is not good.

We build businesses that keep the economy growing. And I heard one person saying in the casino, what they did there -- I'm like, she's thinking the wrong way. You know. Companies really like good employees. And you benefit more from good employees and doing the

PUBLIC PARTICIPATION

right thing.

So I don't know who is changing the minds of these individuals, but there is always rules and regulations in a job. It doesn't go by the nationality. It goes by the body to me. If you have a skill and you're qualified, then I appreciate it. You know. And I have learned always doing the right thing is the best way to go.

But back to the committee. You understand what -- what you -- Chairman? Chairman of the board, right? I would really like to build a casino control committee board to establish things and bring them to your attention of what's going on because I see what you do. You take care of the license part. You know what I mean? And we can accept some communication whereas rules and regulations should be followed, you know. Because if you don't do that, then we're going to fall again.

So I'm asking for that request.

CHAIR PLOUSIS: Well, thank you. If you give your name and your address to our counsel here, we will get back to you on that.

PUBLIC PARTICIPATION

And just for clarification, do you -- are you on the exclusion list now? Or you think you are?

MS. JONES: Well, it was approved to be off. But, like I said, from other people interacting -- and it's like a chain. You know, if they want to stop me from doing the things that I need to do to help out the industry, they'll block me. And then what will happen is I'll get harassed by security. And the security will call Atlantic City Police Department, so it goes on from there.

CHAIR PLOUSIS: All right.

MS. JONES: And I would appreciate you if you would remove it immediately and keep it removed. Please. Because it's -- that's no good. That's no good.

CHAIR PLOUSIS: We'll clarify that as well.

MS. JONES: Okay.

CHAIR PLOUSIS: Thank you for your comments.

MS. JONES: You're welcome.

CHAIR PLOUSIS: We'll get back to you.

PUBLIC PARTICIPATION

Do you have any questions?

CHAIR PLOUSIS: Do you have any questions?

MS. FAUNTLEROY: As soon as we're done.

MS. JONES: All right. Uh-hum.

MS. FAUNTLEROY: Thank you.

CHAIR PLOUSIS: Is there anyone else from the public?

(No response.)

CHAIR PLOUSIS: Hearing none, were there any electronic --

MS. FAUNTLEROY: There were no -- no e-mail comments.

Thank you.

CHAIR PLOUSIS: Is there a motion to adjourn?

COMMISSIONER FORMICA: Yes, sir. Thank you, Mr. Chairman.

At this time I make a motion to adjourn our public meeting at this time.

CHAIR PLOUSIS: Is there a second?

VICE CHAIR MOLLINEAUX: Mr. Chairman, I second the motion.

CHAIR PLOUSIS: All in favor, say aye?

(Ayes.)
CHAIR PLOUSIS: Meeting is now adjourned. Thank you.
COMMISSIONER FORMICA: Thank you.
(Public Meeting 26-10-07 was adjourned at 11:02 a.m.)
