**About the Office:**

The Office of the State Comptroller (OSC) is an independent state agency created to bring greater efficiency and transparency to all levels of New Jersey government. Our office audits and investigates municipalities, school districts, and counties; state colleges and universities; independent state authorities; and state agencies. We also oversee government expenditures, review public contracts, evaluate local and state programs, and oversee the integrity of New Jersey's Medicaid program. We detect and uncover fraud, waste, and abuse and share our findings through public reports.

**About the Division:**

The Medicaid Fraud Division (MFD) oversees New Jersey's Medicaid program. The Division works to improve the efficiency and integrity of Medicaid in New Jersey and returns millions of dollars to taxpayers each month. MFD audits and investigates healthcare providers, recipients, and managed care organizations (MCOs) that coordinate the provision of an individual's health care needs. We evaluate the care provided to Medicaid recipients and work to prevent and detect fraud, waste, and abuse in the program. In addition, we pursue civil and administrative enforcement actions and disqualify providers from participating in the Medicaid program when necessary.

- Assist with obtaining documentation and records, interacting with providers and legal counsel, issuing subpoenas, and coordinating with the Division of Law when subjects are not cooperative with investigative subpoenas.
- As investigative counsel, duties will also include reviewing and analyzing investigative materials and identifying relevant evidence for use in reports or administrative actions.

- Conduct sworn investigative interviews under oath with subjects or individuals with information relevant to the investigation.
- Interact with counsel for represented parties, as well as internal agency counsel.
- Draft reports, letters, memoranda, and other documents.
- Develop expertise in applicable laws, rules, regulations, and other standards related to the work of the Medicaid Fraud Division. Advise on the application of federal and state law.
