**About OSC:**

The Office of the State Comptroller (OSC) is an independent State agency that oversees the Executive Branch of state government. Our mission is to make government in New Jersey more efficient, transparent, and accountable. Our office audits and investigates; municipalities, school districts, counties, state colleges and universities, independent state authorities, and state agencies. We also oversee government expenditures, review public contracts, and evaluate local and state programs. We detect and uncover fraud, waste, and abuse by sharing our findings through public reports.

**About the Division:**

The Medicaid Fraud Division (MFD) oversees New Jersey's Medicaid program. The Division works to improve the efficiency and integrity of Medicaid in New Jersey and returns millions of dollars to taxpayers each month. The Division consists of the Audit Unit, Data and Fiscal Unit, Regulatory and Exclusion Unit, Third Party Liability Unit, and Investigations Unit. MFD audits and investigates healthcare providers, recipients, and managed care organizations (MCOs) that coordinate the provision of an individual's health care needs. We evaluate the care provided to Medicaid recipients and work to prevent and detect fraud, waste, and abuse in the program. In addition, we pursue civil and administrative enforcement actions and disqualify providers from participating in the Medicaid program when necessary.

**About the Role:**

The Audit Unit seeks a motivated and committed professional for the role of Auditor. This individual will be responsible for conducting audits and reviews of various Medicaid programs, and providers to ensure compliance with program requirements and to recover over-payments when necessary. The individual will also assist in performing programmatic audits, and will prepare detailed recommendations relating to best practices and compliance with statutes, regulations and policies. ***Based on the level of experience, successful candidates will be placed in either an Auditor 1 or Auditor 2 title.***

**Responsibilities:**

- Conduct audit research, planning, and risk assessments to identify auditees, project, objectives, and scope.
- Conduct interviews to assess auditee's adherence to compliance requirements.
- Prepare audit work papers, including testing spreadsheets, interview summaries, and memoranda to summarize and support audit findings.
- Identify control weaknesses and develop recommendations to address those weaknesses.
- Assist in drafting all stages of formal reports.
- Participate in formal and informal conferences with staff, auditees, attorneys, officials from other state agencies, and MCOs.
- Prepare technically sound, accurate and informative audits and other reports that properly memorialize findings, conclusions, and recommendations.
- Assist in efforts to recover overpayments in accordance with applicable laws, regulations, and policies.

- Assist in preparing, reviewing, and evaluating information in contested cases.

**Requirements:**

- Applicants must meet one of the following or a combination of both experience and education:
  - Five (5) years of professional accounting or auditing experience, including or supplemented by twenty-one (21) semester hour credits in accounting subjects.

**OR**

  - Possession of a Bachelor's degree from an accredited college or university, including or supplemented by twenty-one (21) semester hour credits in accounting subjects;
  - One (1) year of the above-mentioned professional experience.

**OR**
