

Sandy Funding Criteria Worksheet

State Department:
New Jersey Department of Health Commissioner's Public Information Office
Name of Expenditure or Program:
Information and Referral —Public Education/Information and Referral to Residents
Amount:
\$100,000

Overview:
Community health outreach to residents of devastated counties. This public information campaign is designed to promote access to behavioral health care services for women and adolescents experiencing emotional and physical stresses due to Superstorm Sandy. The campaign is designed to target approximately 8,000 women and adolescents in the nine counties most impacted by Superstorm Sandy.
Federal Department of Origin:
Department of Health and Human Services
Federal Requirements / Restrictions:
Funds to be totally expended by September 30, 2015. Also subject to Integrity Oversight monitoring via Assembly Bill A60 (A-60)(P.L.2013,c.37). Additional State regulations related to Governor Christie's Executive Order 125, as well as all applicable federal and state regulations for Procurement and Grants Management.
Selection Standards:
Requested service providers will be evaluated through open competitive bids solicited by the Department of Health Procurement team and will be subject to applicable State procurement regulations.
Eligibility Standards:
Open competitive bids will be requested and advertised in conjunction with New Jersey State Procurement standards.
