### I. PURPOSE

To establish and maintain a policy that provides guidelines for providing assistance for limited English proficient (LEP) inmates within the NJDOC, as well as for those LEP individuals who may otherwise encounter individuals at NJDOC correctional facilities, programs and activities. This assistance will be provided with, but not limited to, the use of bi-lingual staff and through the use of the language line services.

### II. DEFINITIONS

Language Line Service interpreters listen to the limited English proficient (LEP) customer, analyze the message and accurately convey its original meaning to the NJDOC staff member.

Limited English Proficient (LEP) means the limited ability to read, write, speak, or understand English.

LEP inmate means an inmate who has a limited ability to read, write, speak, or understand English.

New Jersey Department of Corrections (NJ DOC) means that agency of the Executive Branch of the New Jersey State Government whose functions are to protect the public and provide for the custody, care, discipline, training and treatment of persons committed to the State correctional facilities.

Office of Educational Services (OES) means the office within the Department of Corrections, Division of Programs and Community Services, that has been established to ensure that inmates are provided with academic, vocational, and life skills programming that meet their demonstrated needs, within a framework that is consistent with the department’s overall mission and in concert with all appropriate federal and State education statutes, codes, and regulations.

III. POLICY

In accordance with Title VI of the Civil Rights Act of 1964 and its implementing regulations, it is the policy of the NJDOC to take reasonable steps to provide meaningful access to non-English speakers and limited English proficient (LEP) individuals incarcerated or detained in or otherwise encountering NJDOC correctional facilities, programs, and activities. These steps help to ensure that language shall not prevent staff from communicating effectively with LEP inmates, detainees, and others to ensure safe and orderly operations, and that limited English proficiency
shall not prevent inmates, detainees, or others from accessing important programs and information; understanding rules; participating in proceedings; or gaining eligibility for parole, probation, treatment programs, alternatives to revocation, or favorable classifications. The DOC shall utilize various internal and external sources to provide oral and written language assistance services to communicate with LEP inmates in the areas of programming, safety, medical, and quasi-legal proceedings. These sources include, but are not limited to, the language line services and appropriate staff.

It is also NJDOC policy to ensure that no inmate is retaliated against for requesting language assistance services or participating in any other conduct protected under Title VI.

Except in emergency circumstances, other inmates shall not be utilized to provide interpretation for LEP inmates in significant matters that include psychological, medical and safety. An exception may be made for trained counsel substitutes in disciplinary proceedings.

Specific procedures for each individual organizational unit for working with LEP inmates are found in that organizational unit IMPs.

### IV. PROCEDURES

A. During the intake process, staff will employ necessary measures to accurately identify LEP inmates and the languages they speak. This should be accurately reflected on each inmate’s face sheet.

B. A system of on-going identification and tracking for each identified inmate will be facilitated by the inclusion of a “flag” on the face sheet, which denotes LEP status and the inmate’s primary language.

C. To change an inmate’s LEP designation after intake, utilize Form 160 “LEP Designation/Change”. A print and fillable version of Form 160 are located on the NJDOC intranet, Forms Management System. Completed forms shall be forwarded to the facility’s LEP coordinator.

D. Staff shall be trained annually on the availability of the language line services and how to access these services, and a copy of the training attendance shall be sent to the Office of Training.

E. Staff shall utilize approved language line service vendors that are under service contract with the NJDOC.

All written interpretation services will need to be provided through the Delegated Purchase Authority, or DPA. Each facility’s Business Manager will provide their respective DPA information for staff utilization at their parent institution.

F. The DOC will continually monitor the effectiveness of its policy and/or IMPS and where needed implement alternative methods to ensure sufficient communication with LEP inmates.
G. Posters shall be prominently posted at several key areas of each facility that notifies the inmate population of the availability services to assist LEP inmates.

H. Inmates will be advised that the Department will provide LEP inmates free interpretation and translation services relative to inmate programming, safety, medical, and quasi-legal proceedings.
