

OFFICE OF THE CORRECTIONS OMBUDSPERSON PUBLIC MEETINGS/LISTENING SESSIONS

The New Jersey Office of the Corrections Ombudsman is an independent and impartial oversight agency that monitors conditions impacting the safety, health, and well-being of people in state correctional facilities.

As part of the office's ongoing efforts, we are hosting a series of public meetings and listening sessions to hear directly from the community. We appreciate and welcome your input and guidance for the office's oversight.

Please join us as an upcoming listening session. More will be scheduled in communities across the state in the coming year.

We look forward to seeing you there
