The New Jersey Office of the Corrections Ombudsperson is an independent and impartial oversight agency that monitors conditions impacting the safety, health, and well-being of people in state correctional facilities.

As part of the office's ongoing efforts, we are hosting a series of public meetings and listening sessions to hear directly from the community. We appreciate your input and guidance for the office's oversight.

We hope you can make it. If you have any questions,  
please don't hesitate to reach out.
