

**AGREEMENT
IN CONNECTION WITH
New Jersey State Waiver No. AN-076 and AN-076 Supplement #1**

This Agreement is made effective as of _____, by and between Philips Healthcare, a division of Philips North America LLC (“Philips”), whose address is 222 Jacobs Street, 3rd Floor, Cambridge, Massachusetts, 02141, and the State of New Jersey, Department of the Treasury, Division of Purchase and Property, whose address is 33 West State Street, 8th Floor, P.O. Box 039, Trenton, New Jersey 08625-0039, on behalf of the State of New Jersey, Department of Law and Public Safety, Office of the Attorney General, New Jersey State Police (collectively, the “State,” and collectively with Philips, the “Parties”).

WHEREAS, the emergence of the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2), which causes the disease COVID-19, in early 2020 caused a nationwide shortage in ventilators;

WHEREAS, the FDA determined the potential benefits of using certain non-FDA-cleared ventilators and breathing devices modified to act as ventilators to treat patients during the COVID-19 pandemic outweighed the potential risks;

WHEREAS, on March 24, 2020, the U.S. Food and Drug Administration (the “FDA”) issued an Emergency Use Authorization (“EUA”) to address the shortage of FDA-cleared ventilators;

WHEREAS, the FDA added the Philips Respironics E30 with Humidifier (“E30 model units”) to the Emergency Use Authorization list on April 8, 2020;

WHEREAS, due to the emergent and dire nature of the COVID-19 pandemic, the State purchased five hundred (500) E30 model units from Philips on April 15, 2020, which could only be used as ventilators in a healthcare setting during the pendency of the EUA, under Waiver No. AN-076;

WHEREAS, at the time the State purchased the model E30 units, the Parties agreed the State would be able to trade-in and exchange the model E30 units for FDA approved ventilators when a supply became available;

WHEREAS, the Parties agree the State will trade-in the 500 E30 model units in consideration of a \$500,000 credit towards the purchase of five hundred (500) brand new and FDA approved ventilators model Philips V60 Ventilator with Patient Transport Configuration (“V60 model units”) under Waiver No. AN-076 Supplement #1;

WHEREAS, Philips agrees to accept the trade-in of the E30 model units as is;

WHEREAS, Philips agrees to accept the trade-in of the E30 model units at the time it delivers the V60 model units; and

WHEREAS, Philips agrees to haul away the E30 model units at its own expense; and

THEREFORE, for good and valuable consideration, the Parties to this Agreement hereby agree as follows:

1. The recitals are incorporated by reference as if set forth at length herein.
2. The Parties agree the Agreement in connection with Waiver No. AN-076 and Waiver No. AN-076 Supplement #1 between Philips and the State consists of the following documents (which shall be collectively referred to as the "Contract"):
 - A. This Agreement;
 - B. The State of New Jersey Standard Terms and Conditions (Rev: 10/21/19), signed on _____, ("Standard Terms and Conditions"), as amended by the Waivered Contracts Supplement to the State of New Jersey Standard Terms and Conditions (Rev: 6/14/18), signed on _____, ("Waivered Contracts Supplement," and collectively with the Standard Terms and Conditions, "Terms and Conditions");
 - C. Philips Quote Number 2301078002; and
 - D. Philips Quote Number 2301122641.

In the event of a conflict in the terms and conditions among the documents comprising the Contract, the above order shall prevail for purposes of the interpretation thereof (listed from highest ranking to lowest ranking). For the avoidance of doubt, the Terms and Conditions shall prevail over any other terms not otherwise amended by a written agreement signed by the Parties.

3. The Parties acknowledge Philips has supplied certain goods to the State consisting of ventilators and will be supplying certain goods to the State consisting of ventilators. Philips will not be designing, creating, or supplying any software or other information technology tools, nor providing any other services. Accordingly, and notwithstanding anything to contrary in the Terms and Conditions, all terms pertaining to the design, manufacture, or supply of software or other IT tools, including anything incidental thereto, and anything pertaining to a contract for services are hereby expressly excluded and inapplicable to Philips. For the avoidance of doubt, Parts C and D of the Waivered Contract Supplement shall not apply to this Contract.
4. The Parties agree Section 4.1, Indemnification, of the Standard Terms and Conditions is hereby amended and restated as follows:

The Philips's liability to the State and its employees in third party suits shall be as follows:

- A. Indemnification for Third Party Claims - Philips shall assume all risk of and responsibility for, and agrees to indemnify, defend, and save harmless the State of New Jersey and its employees from and against any and all third party claims, demands, suits, actions, recoveries, judgments and costs and expenses in connection therewith by reason of bodily injury (including death) and tangible property damage (representing the actual cost to repair or replace physical property damage), which arise from Philips's, its agents', and subcontractors' negligent acts

- or omissions, willful misconduct, or a product defect in the work and/or materials supplied under this contract; and
- B. Philips's indemnification and liability under subsection (A) is not limited by, but is in addition to the insurance obligations contained in Section 4.2 of the Standard Terms and Conditions; and
- C. Philips shall indemnify, defend, and hold harmless the State against any claim that a Philips product provided in the quotation infringes, misappropriates, or violates any third-party intellectual property right, whether patent, copyright, trademark, or trade secret, provided that the State:
- 1) provides Philips prompt written notice of the claim;
 - 2) grants Philips full and complete information and assistance necessary for Philips to defend, settle, or avoid the claim; and
 - 3) gives Philips authority over the defense or settlement of the claim.
 - a) However, if a claim arising under this Section C involves State-specific issues, as hereinafter defined, then the State retains the right to assume the defense and settlement of any State-specific issues(s). "State-specific issues" shall include any claims, arguments or positions concerning the State's sovereign, statutory or other immunities. Where Philips is in control over the defense or settlement, Philips agrees the State may observe the proceedings and confer with Philips at the State's expense; and,
 - b) The State shall give Philips the information and assistance Philips needs to defend against or negotiate a settlement to the claim. Any settlement to the claim must be approved in writing by the State if such settlement places an obligation on the State to:
 - i) pay money;
 - ii) make any admissions; or
 - iii) imposes prospective injunctive relief on the State.
- D. If a Philips product is found or believed by Philips to infringe a valid patent or copyright or the State has been enjoined from using the Philips product pursuant to an injunction issued by a court of competent jurisdiction, Philips may, at its option:
- 1) procure the right for the State to use the product;
 - 2) replace (by providing a non-infringing product that is the functional equivalent) or modify the product to avoid infringement; or
 - 3) refund the purchase price less a reasonable allowance for use agreed to by both Parties.
- E. Notwithstanding the foregoing, Philips shall have no obligation for any claim of infringement arising from:
- 1) the State's unauthorized combination, operation, or use of a product supplied under the Contract with any product, device, or Software not supplied by Philips;
 - 2) the State's unauthorized alteration or modification of any product supplied under the Contract;
 - 3) Philips's compliance with the State's designs, specifications, requests, or instructions, provided that if the State provides Philips with such designs, specifications, requests, or instructions, Philips reviews same and advises that such designs, specifications, requests or instructions present potential issues of

patent or copyright infringement and the State nonetheless directs Philips to proceed with one or more designs, specifications, requests or instructions that present potential issues of patent or copyright infringement; or

- 4) the State's failure to promptly implement a required update or modification to the product provided by Philips.

F. The terms in this section state Philips's entire obligation and liability for claims of infringement, and the State's sole remedy in the event of a claim of infringement.

5. The Parties agree Section 4.2, Insurance, of the Standard Terms and Conditions is hereby amended to allow Philips to provide the State with its renewal certificates within 10 days of the expiration of the insurance.

6. The Parties agree Section 2.15, State's Right to Inspect Contractor's Facilities, of the Waivered Contracts Supplement is not a part of the Contract.

7. The Parties agree Section 5.17, Confidentiality, subsection e, of the Waivered Contracts Supplement is hereby amended and restated as follows:

The Parties agree to hold each other's Confidential Information in confidence, using at least the same degree of care in doing so that it uses to protect its own confidential information, but no less than a reasonable amount of care.

8. The Parties agree hereto this Agreement may be executed in counterparts, with each original signed page to become part of the original document.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date of execution by the parties below.

This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
- (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith

determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

- (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

EXECUTIVE ORDER NO. 151 REQUIREMENTS

It is the policy of the Division of Purchase and Property that its contracts should create a workforce that reflects the diversity of the State of New Jersey. Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the Division of Purchase and Property's satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the Division of Purchase and Property's contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

Evidence of a "good faith effort" includes, but is not limited to:

1. The Contractor shall recruit prospective employees through the State Job bank website, managed by the Department of Labor and Workforce Development, available online at <http://NJ.gov>/<http://NJ.gov/JobCentralNJ>;
2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the Division of Purchase and Property with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.

This language is in addition to and does not replace good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

- A. WAIVERED CONTRACTS SUPPLEMENT TO THE STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS** - This Supplement to the State of New Jersey Standard Terms and Conditions ("Supplement") shall apply to all contracts or purchase agreements made with the State of New Jersey ("State") under N.J.S.A. 52:34-9 or -10 ("Waivered Contracts"). The terms in this Supplement modify the terms of the New Jersey Division of Purchase and Property's Standard Terms and Conditions as may be updated from time to time ("Standard Terms and Conditions"). The combined terms of the Standard Terms and Conditions and this Supplement, in addition to the terms and conditions set forth in the Request for Proposal, Request for Quotation, and/or other agency request ("Solicitation"), if applicable, shall prevail over any conflicts set forth in or incorporated by reference into a contractor's proposal submitted in response to a Solicitation including any standard license, service or other agreement ("Contractor Standard Form Agreement").

The "Contract" shall consist of this Supplement, the Standard Terms and Conditions, the Solicitation, and the proposal submitted by the contractor.

The Standard Terms and Conditions are hereby incorporated by reference. Section numbering of the changes and additions enumerated below continue the number scheme of the Standard Terms and Conditions.

- B. CHANGES/ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR ALL GOODS, SERVICES, AND INFORMATION TECHNOLOGY WAIVERED CONTRACTS:**

2.13 OWNERSHIP DISCLOSURE

Pursuant to N.J.S.A. 52:25-24.2, in the event the contractor is a corporation, partnership or limited liability company, the contractor must complete an Ownership Disclosure Form.

A current completed Ownership Disclosure Form must be received prior to or accompany the submitted proposal. A contractor's failure to submit the completed and signed form with its proposal will result in the rejection of the proposal as non-responsive and preclude the award of a Contract to said contractor unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six (6) months prior to the receipt of the proposal. If any ownership change has occurred within the last six (6) months, a new Ownership Disclosure Form must be completed, signed and submitted with the proposal.

In the alternative, to comply with this section, a contractor with any direct or indirect parent entity which is publicly traded may submit the name and address of each publicly traded entity and the name and address of each person that holds a 10 percent or greater beneficial interest in the publicly traded entity as of the last annual filing with the federal Securities and Exchange Commission or the foreign equivalent, and, if there is any person that holds a 10 percent or greater beneficial interest, also shall submit links to the websites containing the last annual filings with the federal Securities and Exchange Commission or the foreign equivalent and the relevant page numbers of the filings that contain the information on each person that holds a 10 percent or greater beneficial interest. N.J.S.A. 52:25-24.2.

2.14 PROHIBITED INVESTMENT IN IRAN

Pursuant to N.J.S.A. 52:32-58, the contractor must utilize this Disclosure of Investment Activities in Iran form to certify that neither the contractor, nor one (1) of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32-56(e)(3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither the contractor, nor one (1) of its parents, subsidiaries, and/or affiliates, is involved in any of the investment activities set forth in N.J.S.A. 52:32-56(f). If the contractor is unable to so certify, the contractor shall provide a detailed and precise description of such activities as directed on the form.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

2.15 STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract.

The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

2.16 STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. Further, the Director reserves the right to request a contractor to explain, in detail, how the proposal price was determined.

2.17 DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the Solicitation, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in proposals shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified.

No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered.

The weights and measures of the State's Using Agency receiving the shipment shall govern.

2.18 COLLECT ON DELIVERY (C.O.D) TERMS

C.O.D. terms will not be accepted.

2.19 CASH DISCOUNTS

The contractor is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts.

Should the contractor choose to offer cash discounts the following shall apply:

- A. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
- B. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

2.20 CLAIMS AND REMEDIES

- A. All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

- B. Nothing in this Contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.
- C. In the event that the contractor fails to comply with any material Contract requirements, the Director may take steps to terminate this Contract in accordance with the Standard Terms and Conditions, authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor, as provided for in the State administrative code, or take any other action or seek any other remedies available at law or in equity.

2.21 NEWS RELEASES & ADVERTISING

- A. The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this Contract without the prior written consent of the Director.
- B. The contractor shall not use the State's name, logos, images, or any data or results arising from this Contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

2.22 ORGAN DONATION

As required by N.J.S.A. 52:32-33.1, the State encourages the contractor to disseminate information relative to organ donation and to notify its employees, through information and materials or through an organ and tissue awareness program, of organ donation options. The information provided to employees should be prepared in collaboration with the organ procurement organizations designated pursuant to 42 U.S.C. 1320b-8 to serve in this State.

3.8 PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the Solicitation. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

- 1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,
- 2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
- 3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

3.9 RETAINAGE

If retainage is required on the Contract as stated in the Solicitation, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

3.10 SUBCONTRACTOR UTILIZATION PLAN

A contractor that will subcontract any of the work or services to be provided under the Contract shall submit to the agency along with its proposal a Subcontractor Utilization Plan located at the following webpage: <http://www.state.nj.us/treasury/purchase/forms/subcontracting.pdf>. See also Section 5.8 of the Standard Terms and Conditions.

5.17 CONFIDENTIALITY

- a. The State's obligation to maintain the confidentiality of the contractor's confidential information provided to the State under the Contract is conditioned upon and subject to the State's obligations under the New Jersey Public Records Act, N.J.S.A. 47:1A-1 et seq., ("OPRA"), the New Jersey common law right to know, and any other lawful document request or subpoena.
- b. By virtue of the Contract, the parties may have access to information that is confidential to one another. The parties agree to disclose only information that is required for the performance of their obligations under the Contract. The contractor's confidential information, to the extent not expressly prohibited by law, shall consist of all information clearly identified as confidential at the time of disclosure ("Contractor Confidential Information"). Notwithstanding the previous sentence, the contractor acknowledges the terms and pricing of the Contract are subject to disclosure under OPRA, the New Jersey common law right to know, and any other lawful document request or subpoena.
- c. The State's Confidential Information shall consist of all information or data in any form whatsoever supplied by the State, any information or data gathered by the contractor in fulfillment of the Contract and any analysis thereof (whether in fulfillment of the Contract or not).
- d. A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party, except that if the information is personally identifying to a person or entity regardless of whether it has become part of the public

- e. The parties agree to hold each other's Confidential Information in confidence, using at least the same degree of care in doing so that it uses to protect its own confidential information.
- f. In the event that the State receives a request for Contractor Confidential Information related to the Contract pursuant to a court order, subpoena, lawful document request or other operation of law, the State agrees, if permitted by law, to provide the contractor with as much notice, in writing, as is reasonably practicable and the State's intended response to such request. The contractor shall take any action it deems appropriate to protect its documents and/or information.
- g. In addition, in the event the contractor receives a request for State Confidential Information pursuant to a court order, subpoena, or other operation of law, the contractor shall, if permitted by law, provide the State with as much notice, in writing, as is reasonably practicable and the contractor's intended response to such request. The State shall take any action it deems appropriate to protect its documents and/or information. Notice to the State shall not relieve the contractor of its obligation to take action to protect such information if the contractor is aware of a legal reason to do so.
- h. Notwithstanding the requirements of nondisclosure described in this Section 5.17, either party may release the other party's Confidential Information (i) if directed to do so by a court or arbitrator of competent jurisdiction, (ii) pursuant to a lawfully issued subpoena or other lawful document request, (iii) in the case of the State, if the State determines the documents or information are subject to disclosure and the contractor does not exercise its rights as described in subsection (f), or if the contractor is unsuccessful in defending its rights as described in subsection (f), or (iv) in the case of the contractor, if the contractor determines the documents or information are subject to disclosure and the State does not exercise its rights as described in subsection (g), or if the State is unsuccessful in defending its rights as described in subsection (g).

The insurance shall be in the amount of not less than \$5,000,000 and in such policy forms as shall be approved by the State. Under no circumstances will the State accept a license for Third Party Intellectual Property that contains terms and conditions that conflict with the terms and conditions of the Contract. If the contractor uses Third Party Intellectual Property, the contractor must indemnify the State for infringement claims with respect to the Third Party Intellectual Property. The contractor agrees that its use of Third Party Intellectual Property shall be consistent with the license for the Third Party Intellectual Property, whether supplied by the contractor, secured by the State as required by the Solicitation, or otherwise supplied by the State.
- c. Work Product; Custom Software – The State owns all Custom Software which shall be considered "work made for hire", i.e., the State, not the contractor, subcontractor, or third party, shall have full and complete ownership of all such Custom Software. To the extent that any Custom Software may not, by operation of the law, be a "work made for hire" in accordance with the terms of the Contract, contractor, subcontractor, or third party hereby assigns to the State, or the contractor shall cause to be assigned to the State, all right, title and interest in and to any such Custom Software and any copyright thereof, and the State shall have the right to obtain and hold in its own name any copyrights, registrations and any other proprietary rights that may be available.
- d. Work Product; Services – The State owns all Deliverables developed for the State in the course of providing Services under the Contract, including but not limited to, all data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of the Contract, including but not limited to all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, print-outs, notes and memoranda, written procedures and documents, regardless of the state of completion, which are prepared for or are a result of the Services required under the Contract.
- e. State Intellectual Property – Data and Background Information. The State owns all State Intellectual Property and State data and background information provided to the contractor pursuant to the Contract. The State's data and background information shall include, without limitation, all data, technical information, and materials provided to the contractor by the State to facilitate performance of the Contract, including but not limited to all reports, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents. The items described in the preceding sentence shall be delivered or returned to the State of New Jersey upon thirty (30) days' notice by the State or thirty (30) days after the expiration or termination of the Contract. Only to fulfill the purposes of the Contract does the State grant the contractor a non-exclusive, royalty-free, world-wide license to use, copy, display, distribute, transmit and prepare derivative works of State Intellectual Property and State data and background information. Notwithstanding anything to the contrary contained in the Terms and Conditions or this Supplement, no part of the State's data will be disclosed, sold, assigned, leased or otherwise disposed of to any person or entity other than the State unless specifically directed to do so in writing by the Contract Manager. The State's license to the contractor is limited by the term of the Contract and the confidentiality obligations set forth in Section 5.17 of this Supplement.
- f. No Rights – Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the contractor any right, title, or interest in State Intellectual Property or any intellectual property that is now owned or licensed to or subsequently owned by or licensed by the State. Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the State any right, title, or interest in any Contractor Intellectual Property that is now owned or subsequently owned by the contractor. Except as expressly set forth in the Contract, nothing in the Contract shall be construed as granting to or conferring upon the State any right, title, or interest in any Third Party Intellectual Property that is now owned or subsequently owned by a Third Party.

4.1 INDEMNIFICATION

Section 4.1 of the Standard Terms and Conditions is deleted in its entirety and replaced with the following:

INDEMNIFICATION AND LIMITATION OF LIABILITY:

1. INDEMNIFICATION - The contractor's liability to the State and its employees in third party suits shall be as follows:
 - a) The contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend, and save harmless the State and its officers, agents, servants and employees, from and against any and all third party claims, demands, suits, actions, recoveries, judgments and costs and expenses in connection therewith:
 - i. For or on account of the loss of life, property or injury or damage to the person, body or property of any person or persons whatsoever, which shall arise from or result directly or indirectly from the work and/or products supplied under the Contract or the order; and
 - ii.  - iii. The contractor's indemnification and liability under subsection (a) is not limited by, but is in addition to the insurance obligations contained in these Standard Terms and Conditions.
 - b) In the event of a claim or suit involving third-party Intellectual Property Rights, the contractor, at its option, may: (1) procure for the State the legal right to continue the use of the product; (2) replace or modify the product to provide a non-infringing product that is the functional equivalent; or (3) refund the purchase price less a reasonable allowance for use that is agreed to by both parties. The State will (1) promptly notify the contractor in writing of the claim or suit; (2) the contractor shall have control of the defense and settlement of any claim that is subject to subsection (a); provided, however, that the State must approve any settlement of the alleged claim, which approval shall not be unreasonably withheld. The State may observe the proceedings relating to the alleged claim and confer with the contractor at its expense. Furthermore, neither the contractor nor any attorney engaged by the contractor shall defend the claim in the name of the State of New Jersey or any Agency, nor purport to act as legal representative of the State of New Jersey or any Agency, without having provided notice to the Director of the Division of Law in the Department of Law and Public Safety and to the Director of DPP. The State of New Jersey may, at its election and expense, assume its own defense and settlement.
 - c) Notwithstanding the foregoing, the contractor has no obligation or liability for any claim or suit concerning third-party Intellectual Property Rights arising from: (1) the State's unauthorized combination, operation, or use of a product supplied under the Contract with any product, device, or Software not supplied by the contractor; (2) the State's unauthorized alteration or modification of any product supplied under the Contract; (3) the contractor's compliance with the State's designs, specifications, requests, or instructions, provided that if the State provides the contractor with such designs, specifications, requests, or instructions, the contractor reviews same and advises that such designs, specifications, requests or instructions present potential issues of patent or copyright infringement and the State nonetheless directs the contractor to proceed with one or more designs, specifications, requests or instructions that

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

present potential issues of patent or copyright infringement; or (4) the State's failure to promptly implement a required update or modification to the product provided by the contractor.

- d) The contractor will be relieved of its responsibilities under subsection (a)(i) and (ii) for any claims made by an unaffiliated third party that arise solely from the actions or omissions of the State, its officers, employees or agents.
- e) This section states the entire obligation of the contractor and its suppliers, and the exclusive remedy of the State, in respect of any infringement or alleged infringement of any Intellectual Property Rights. This indemnity obligation and remedy are given to the State solely for its benefit and in lieu of, and the contractor disclaims, all warranties, conditions and other terms of non-infringement or title with respect to any product.
- f) The provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in the Contract, nor shall they be construed to relieve the contractor from any liability, nor preclude the State from taking any other actions available to it under any other provisions of the Contract or otherwise at law or equity.
- g) The contractor agrees that any approval by the State or Using Agency of the work performed and/or reports, plans or specifications provided by the contractor shall not operate to limit the obligations of the contractor assumed in the Contract.
- h) The State of New Jersey will not indemnify, defend or hold harmless the contractor. The State will not pay or reimburse for claims absent compliance with Section 4.1(2) of this Supplement and a determination by the State to pay the claim or a final order of a court of competent jurisdiction.

2. STATE RESPONSIBILITIES

Subject to the New Jersey Tort Claims Act (N.J.S.A. 59:1-1 et seq.), the New Jersey Contractual Liability Act (N.J.S.A. 59:13-1 et seq.) and the appropriation and availability of funds, the State will be responsible for any cost or damage arising out of actions or inactions of the State, its employees or agents under Section 4.1(1)(a)(i) and (ii) of this Supplement which results in an unaffiliated third party claim. This is the contractor's exclusive remedy for these claims.

3. LIMITATION OF LIABILITY

- a) The contractor's liability to the State for actual, direct damages resulting from the contractor's performance or non-performance of, or in any manner related to, the Contract for any and all claims, shall be limited in the aggregate to 200% of the fees paid to the contractor for the products or Services giving rise to such damages, except that such limitation of liability shall not apply to the following:
 - i. The contractor's indemnification obligations as described in Section 4.1(1) of this Supplement; and

5.11 CONTRACTOR PERFORMANCE WARRANTIES

Section 5.11 of the Standard Terms and Conditions is deleted in its entirety and replaced with the following:

1. COTS and Customized Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage as determined by the State, in its sole discretion, the contractor warrants that COTS and Customized Software products licensed to the State shall operate in all material respects as described in the Solicitation and/or contractor technical documentation for ninety (90) days after Acceptance. The State shall

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

notify the contractor of any COTS or Customized Software product deficiency within ninety (90) days after Acceptance. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.

- b. Except for the portion of the contractor's COTS or Customized Software product that intentionally contains one or more of the following for the purpose of anti-virus protection, the contractor warrants that, at the time of delivery and installation of the COTS or Customized Software provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the COTS or Customized Software, collect unlawful personally identifiable information on users, or prevent the COTS or Customized Software from performing as required under the Contract.
- c. In the event of any breach of this warranty, the contractor shall correct the product errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may end its usage and recover the fees paid to the contractor for the license and any unused, prepaid, technical support fees paid. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. The contractor does not warrant that COTS or Customized Software is error-free or that it will operate uninterrupted.

2. Custom Software

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that Custom Software Deliverables shall operate in all material respects as described in the applicable specification documentation for one hundred and eighty (180) days after Acceptance. The State shall notify the contractor of any Custom Software deficiency within one hundred and eighty (180) days after Acceptance of the Custom Software Deliverable (the "Notice Period"). Where the contractor is providing multiple Custom Software Deliverables over the term of the Contract, the Notice Period shall begin to run after the Acceptance of the final Custom Software Deliverable under the Contract. At that time, the State may assert defect claims relating to any and all of the Custom Software Deliverables provided under the Contract; however, the State may also assert claims earlier, in its discretion, without waiving the Notice Period.
- b. For a Contract requiring the delivery of COTS or Customized Software and Custom Software, a notice within one hundred eighty (180) days that describes a deficiency in functional terms without specifying whether the deficiency is with COTS, Customized Software or Custom Software shall be deemed a notice that triggers the warranty provisions in both Section 5.11(a) and 5.11(b) of this Supplement.
- c. The contractor warrants that, at the time of Acceptance of the Custom Software Deliverable provided pursuant to the Contract, its product shall be free of what are commonly defined as viruses, backdoors, worms, spyware, malware and other malicious code that will hamper performance of the Custom Software, collect unlawful personally identifiable information on users, or prevent the Custom Software from performing as required under the Contract. Under no circumstances does this warranty provision limit the contractor's obligation in the event of a breach of confidentiality.
- d. In the event of any breach of this warranty, the contractor shall correct the Custom Software errors that caused the breach of warranty, or if the contractor cannot substantially correct such breach in a commercially reasonable manner, the State may recover a portion of the fees paid to the contractor for the Custom Software with the uncorrected defect or in the event that the Custom Software is still deemed, by the State in its sole discretion, to be usable by the State even with the uncorrected defect, the State may recover a portion of the fees paid to the

**WAIVERED CONTRACTS SUPPLEMENT TO THE
STATE OF NEW JERSEY STANDARD TERMS AND CONDITIONS**
(Rev. 6/14/2018)

contractor for the Custom Software (up to the total amount of such charges for such Custom Software) to reflect any reduction in the value of the Custom Software Deliverable as a result of the uncorrected defect. Under no circumstances does this warranty provision limit the contractor's obligations in the event of a breach of confidentiality.

- e. The contractor does not warrant that Custom Software is error-free or that it will operate uninterrupted.

3. IT Services

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that all Services will be provided in a professional manner consistent with industry standards. The State shall notify the contractor of any Services warranty deficiencies within ninety (90) days from performance of the deficient Services.
- b. In the event of any breach of this warranty, the contractor shall re-perform the deficient Services, or if the contractor cannot substantially correct a breach in a commercially reasonable manner, the State may end the relevant Services and recover the fees paid to the contractor for the deficient Services.

4. Hardware

- a. Unless the Contractor Standard Form Agreement provides greater coverage, as determined by the State, in its sole discretion, the contractor warrants that the equipment offered is standard new equipment, and is the manufacturer's latest model in production, with parts regularly used for the type of equipment offered; that such parts are all in production and not likely to be discontinued; and that no attachment or part has been substituted or applied contrary to manufacturer's recommendations and standard practice.
- b. The contractor warrants that all equipment supplied to the State and operated by electrical current is UL listed where applicable.
- c. The contractor warrants that all new machines are to be guaranteed as fully operational for one (1) year from time of Acceptance by the State. For the avoidance of doubt, Acceptance with respect to Hardware in this subsection (d) shall occur no later than sixty (60) days after delivery, as evidenced by a signed delivery receipt. The contractor shall render prompt service without charge, regardless of geographic location.
- d. The contractor warrants that sufficient quantities of parts necessary for proper service to equipment shall be maintained at distribution points and service headquarters.
- e. The contractor warrants that trained mechanics are regularly employed to make necessary repairs to equipment in the territory from which the service request might emanate within a 48-hour period or within the time accepted as industry practice.
- f. The contractor warrants that all Software included with the Hardware shall perform substantially in accordance with specifications, for one (1) year from the time of Acceptance. The contractor warrants that Software media will be free from material defects in materials and workmanship for a period of one (1) year from the date of Acceptance.
- g. In the event of any breach of this warranty, the contractor shall promptly repair, replace or refund the purchase price of product rejected for failure to conform with the contractor's product specifications.

- 5. THE WARRANTIES SET FORTH HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, AND THE CONTRACTOR EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

5.19 AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

- a. **AUDIT NOTICE** – Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the:
 - i. Director of the New Jersey Department of Treasury, Division of Purchase and Property:
Procurement Bureau, Technology Unit
P.O. Box 230
Trenton, NJ 08625-0230
 - ii. Chief of Staff of the New Jersey Office of Information Technology:
Office of the Chief Technology Officer
300 Riverview Plaza
Trenton, NJ 08625
 - iii. State Contract Manager.

The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.

- b. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
- c. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
- d. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.
