STATE OF NEW JERSEY

FINAL ADMINISTRATIVE ACTION
OF THE
CIVIL SERVICE COMMISSION

In the Matter of D.R.R., Police Officer
(S9999R), Newark

CSC Docket No. 2016-3023

Medical Review Panel Appeal

ISSUED: MAY - 5 2017 (BS)

D.R.R. appeals her rejection as a Police Officer candidate by the Newark Police Department and its request to remove her name from the eligible list for Police Officer (S9999R) on the basis of psychological unfitness to perform effectively the duties of the position.

This appeal was brought before the Medical Review Panel on February 23, 2017, which rendered the attached report and recommendation on February 23, 2017. No exceptions were filed by the parties.

The report by the Medical Review Panel discusses all submitted evaluations. The Panel concluded that the test results and procedures and the behavioral record, when viewed in light of the Job Specification for Police Officer, indicate that the candidate is mentally unfit to perform effectively the duties of the position sought, and therefore, the action of the hiring authority should be upheld. The Panel recommended that the applicant be removed from the eligible list.

CONCLUSION

The Class Specification for the title, Police Officer, is the official job description for such municipal positions within the civil service system. The specification lists examples of work and the knowledge, skills and abilities necessary to perform the job. Examples include the ability to find practical ways of dealing with a problem, the ability to effectively use services and equipment, the ability to follow rules, the ability to put up with and handle abuse from a person or group, the ability to take

the lead or take charge, knowledge of traffic laws and ordinances, and a willingness to take proper action in preventing potential accidents from occurring.

Police Officers are responsible for their lives, the lives of other officers and the public. In addition, they are entrusted with lethal weapons and are in daily contact with the public. They use and maintain expensive equipment and vehicle(s) and must be able to drive safely as they often transport suspects, witnesses and other officers. A Police Officer performs searches of suspects and crime scenes and is responsible for recording all details associated with such searches. A Police Officer must be capable of responding effectively to a suicidal or homicidal situation or an abusive crowd. The job also involves the performance of routine tasks such as logging calls, recording information, labeling evidence, maintaining surveillance, patrolling assigned areas, performing inventories, maintaining uniforms and cleaning weapons.

The Civil Service Commission has reviewed the job specification for this title and the duties and abilities encompassed therein and found that the psychological traits which were identified and supported by test procedures and the behavioral record relate adversely to the appellant's ability to effectively perform the duties of the title. Having considered the record and the Medical Review Panel's report and recommendation issued thereon and having made an independent evaluation of same, the Civil Service Commission accepted and adopted the findings and conclusions as contained in the attached Medical Review Panel's report and recommendation.

ORDER

The Civil Service Commission finds that the appointing authority has met its burden of proof that D.R.R. is psychologically unfit to perform effectively the duties of a Police Officer and, therefore, the Commission orders that her name be removed from the subject eligible list.

This is the final administrative determination in this matter. Any further review should be pursued in a judicial forum.
