SECTION B – MISCELLANEOUS MATTERS**B-1 CHANGE IN CLASSIFICATION PLAN – TITLE INACTIVATION AND COMMON**

The Division of Classification and Personnel Management requests the inactivation of four local titles and that two State titles be made common.

MEMORANDUM

DATE: September 3, 2014
TO: Civil Service Commission
FROM: Kenneth Connolly, Director
Division of Classification and Personnel Management
SUBJECT: Change in the Classification Plan

STATE AND LOCAL GOVERNMENT TITLES

The Division of Classification and Personnel Management requests the inactivation of four (4) local titles and converting two (2) State titles to common titles.

These inactivations are offered in exchange for the creation of four new local Trainee titles, thereby having no impact on the title count.

The first three of these titles are unencumbered and there are no plans for their future use. The fourth title is encumbered, and can be inactivated in exchange for making the State title of Therapist Music common. This existing State title appropriately classifies the same function for local government. Local incumbents will be laterally appointed to the common title.

The second State title to be made common is Biologist Trainee. This title will be used to advance to the local title of Biologist, Mosquito Extermination.

In both cases, making these non-competitive, entry level titles common will afford local government the same hiring and/or advancement opportunities as are available to State government.

The effective date of the these requested actions will be the first pay period that follows the Commission's approval of the action.

 TO: The Civil Service Commission
 FROM: Kenneth Connolly, Director *Kenneth Connolly*
 Division of Classification & Personnel Management
 SUBJECT: Change in the Local Classification Plan

LOCAL TITLE CREATION

These titles will be assigned to the non-competitive division of the career service in accordance with N.J.A.C. 4A:3-1.2(c)1. Due to the nature of the requirements of professional trainee titles, competitive testing is not practicable.
