

The Training Post – Summer 2025 QC Responses

What is your summer DIY project?

1. MS Excel Essentials - Mercer County Community College.
Reyna V.
DOL
2. Remodeling my primary bathroom (painting, changing out hardware, updating the vanity and countertop). Patience and You Tube tutorials are invaluable.
Janet D.
DOL
3. Trying to streamline the Access Agreements process.
David L.
DOT
4. What is my summer The do-it-yourself project is gardening. I love growing vegetables every summer. I grow tomatoes, peppers, and collard greens. I am relaxing planting my own vegetables!
Ellis J.
SDA
5. Updating my porch as my outdoor living room.
Pamela K.
DOH
6. My summer DIY project is building a walkway in my backyard.
Colleen D.
JJC
7. Creating a garden area for vegetables and flowers.
Kathleen B.
DEP
8. My DIY project is to continue building on my skills, read laws and regulation books, continue taking webinars, and take courses that will advance my skills for the future.
Ashleigh M.
DMAVA
9. 3D Printing & PC Building.
Lawrence G.
DOL

10. Create a personal website.

Daphne N.

DOH

11. This summer I plan on starting a small herb garden on my balcony. Depending on how successful it is I will slowly add flowers to it too.

Timothy M.

DEP

12. Take Advance Excel class.

Fernanda A V.
