In an action by a buyer against a realtor alleging negligence in connection with the sale of a triplex, the trial court erred in denying the realtor's motion to file a third party complaint against buyer's attorney as a potential joint tortfeasor, where the realtor's experts testified that it was the duty of the attorney for the buyer to assure proper compliance with the Hotel and Multiple Dwelling Law, [N.J. Stat. Ann. §§ 55:13A-1 to 55:13A-20](#), and where the attorney's malpractice might have been the basis of the negligence claim against the realtor. [Helmar v. Harsche, 296 N.J. Trial court properly dismissed a landlord's action in lieu of prerogative writs challenging a township's ordinance imposing certain registration obligations and other regulatory requirements on landlords within the township as the ordinance was not preempted by the Hotel and Multiple Dwelling Law, [N.J. Stat. Ann. §§ 55:13A-1 to — 28](#), and no invalid purpose was shown by the landlord, thus, the presumption of the ordinance's validity remained. [Lake Valley Associates, LLC v. Township Of Pemberton, 411 N.J. Super. 501, 987 A.2d 623, 2010 N.J. Super. LEXIS 15 \(App.Div.\)](#), certif. denied, 202 N.J. 43, 994 A.2d 1039, 2010 N.J. LEXIS 443 (N.J. 2010).

Real Property Law: Landlord & Tenant: Tenancies: General Overview

Determination that a renter of a hotel room is an "occupant" under N.J. Admin. Code §§ 5:10-2.2 and 5:10-5.1 does not automatically impose civil liability on her as a matter of law for damages sustained to a hotel room as a result of her guest's willful act, gross negligence, neglect, or abuse. Section [5:10-5.1](#) renders an occupant responsible for violations of N.J. Admin. Code tit. 5, ch.10 in certain instances, and presumably subject to the "violation penalties" enumerated in N.J. Admin. Code § 5:10-1.17, but § [5:10-5.1](#), does not necessarily render the occupant liable for civil damages. [Calco Hotel Management Group, Inc. v. Gike, 420 N.J. Super. 495, 22 A.3d 60, 2011 N.J. Super. LEXIS 118 \(App.Div.\)](#), certif. denied, 208 N.J. 600, 34 A.3d 782, 2011 N.J. LEXIS 1452 (N.J. 2011).

As a renter of a hotel room was an "occupant" under New Jersey's Hotel and Multiple Dwelling Law, N.J. Stat. Ann. §§ 55:13A-1 to 55:13A-28, and its regulations, N.J. Admin. Code §§ 5:10-1.1 to 5:10-28.1, she could be responsible for violation penalties as a result of a fire code hazard created by her guest even though the renter never entered the room and was not present when the conduct occurred. [Calco Hotel Management Group, Inc. v. Gike, 420 N.J. Super. 495, 22 A.3d 60, 2011 N.J. Super. LEXIS 118 \(App.Div.\)](#), certif. denied, 208 N.J. 600, 34 A.3d 782, 2011 N.J. Real Property Law: Zoning & Land Use: General Overview

Building ordinance which required the property owner to obtain a certificate of occupancy from the building inspector before any unit of the property owner's multi-family dwelling was re-rented to a new tenant or occupant, under the Hotel and Multiple Dwelling Law, [N.J. § 55:13A-1. Short title

Firefighters' negligence action for injuries incurred while inspecting a fire escape was dismissed; former N.J. Stat. Ann. § 55:3-8 (see now [N.J. Stat. Ann. § 55:13A-1](#) et seq.), which had required that fire escapes be maintained in a safe condition, did not impose liability on the owner because the firemen had assumed the risk when they entered on the premises to inspect the fire escape. Torts: Premises Liability & Property: Lessees & Lessors: General Overview

Notwithstanding a landlord's duty under [N.J. Stat. Ann. § 55:13A-1](#) to keep the premises within a tenant's apartment in good repair, the landlord could not be held liable for injuries sustained by its tenant when the hot water faucet in the tenant's bathtub came out of the wall and the hot water gushing out of the pipe scalded her; because neither the landlord nor the 15-year tenant knew about the corroded condition of the hot water faucet, and because the tenant had not made a complaint to her landlord, liability for the latent defect could not attach. § 55:13A-7.12. Definitions relative to child-protection window guards

As used in this act [[C.55:13A-7.12](#) through [C.55:13A-7.16](#)]:

“child-protection window guard” or “window guard” means a bar, screen or grille assembly designed to be installed in a window for the purpose of preventing accidental fall or ejection of a child through the window. It shall be so designed, constructed and installed that no person of the age of 10 years or younger may through accident, ignorance or inadvertence, remove, open or dislodge it so as to permit such fall or ejection. Such window guards shall conform to specifications developed by the commissioner regarding design, construction and installation so as to accomplish the purpose of this act. A municipality may adopt standards that afford tenants greater protections than are provided pursuant to the commissioner’s specifications.

The commissioner’s specifications for double hung windows shall ensure that window guards protect the full openable area of each lower window. The specifications shall provide that all window guards shall be designed and installed as to ensure that any space between the lowest section of the top horizontal bar of the window guard and the bottom of the upper sash is less than four inches. Installation of rigid metal stops in the upper tracks of a bottom window or other attempts to limit the ability to raise the bottom window shall not be an acceptable method of satisfying the specifications provided for in this section. Window stops may be utilized as a safety enhancement when used in addition to installed window guards.

“common interest community” means a horizontal property regime, condominium, cooperative, or mutual housing corporation in which some of the property, known as common elements, is owned as tenants-in-common by all of the property owners.

“unit owners’ association” means the association organized for the purpose of management of the common elements and facilities of a common interest community.

f. A tenant or unit owner may file a complaint with the commissioner for the failure to comply with the provisions of [P.L.1995, c.120](#) ([C.55:13A-7.12](#) et seq.). The commissioner shall investigate complaints within a reasonable time period. The commissioner may impose penalties authorized under the "Hotel and Multiple Dwelling Law," P.L.1967, c.76 ([C.55:13A-1](#) et seq.) for violations concerning the installation of child-protection window guards and may institute a criminal complaint for a repeat conviction after the imposition of a \$5,000 civil penalty for a continuing violation pursuant to section 19 of P.L.1967, c.76 ([C.55:13A-19](#)).

§ 55:13A-11. Conversion or alteration of existing buildings; exception from regulations; written notice to occupants of exceptions which affect safety

(a) Upon the application of the owner of any hotel or multiple dwelling, or any building not constructed for use as a hotel or multiple dwelling but which has been or shall be converted or altered to such use, the commissioner may grant exceptions from the literal requirements of any regulation issued pursuant to sections 7 and 8 of this act. No such exceptions shall be granted in any particular case unless the commissioner shall find: (1) that strict compliance with any such regulation, if required, would result in undue hardship to such owner; and (2) that the exception, if granted, will not unreasonably jeopardize the health, safety and welfare of intended occupants and the public generally.

(b) An application for an exception pursuant to this section shall be filed in writing with the commissioner, and shall set forth specifically: (1) a statement of the requirements of the regulation from which an exception is sought; (2) a statement of the manner by which strict compliance with said regulation would result in undue hardship; (3) a statement of the nature and extent of such undue hardship; and (4) a statement of feasible alternatives to the requirements of the regulation which would adequately protect the health, safety and welfare of the occupants or intended occupants and the public generally.

(c) Within the 30 days next succeeding the receipt by the commissioner of an application for an exception, the commissioner shall grant or deny said application by written order, stating therein the reason or reasons for the grant or denial of said application. The commissioner shall maintain records of all applications for exceptions, and the action taken thereon, and shall make such records reasonably available for public inspection.

(d) The owner of each hotel or of each multiple dwelling granted an exception to any regulation which shall be deemed to affect the safety of the occupants of the structure by the commissioner shall provide to every applicant or occupant of such hotel or multiple dwelling a written notice citing the specific regulation for which an exception has been granted and stating the exceptions thereto granted by the commissioner to the owner of such hotel or multiple dwelling. Such written notice shall, in the case of a hotel or motel, be posted in a prominent place freely accessible to the occupants and to the general public, and, in the case of a multiple dwelling, such written notice shall be attached to the lease of each affected dwelling unit, and, in the case of a school dormitory, such written notice shall be attached to the housing agreement of each affected housing unit. In the case of exceptions granted to common areas in a multiple dwelling or in a school dormitory, such written notice shall be attached to all leases or housing agreements, as appropriate.

§ 55:13A-12. Certificate or registration; application; fee; annual certification; appointment of agent; notice of violation

(a)

(1) The owner of each hotel, or of each multiple dwelling occupied or intended to be occupied by three or more persons living independently of each other, shall file with the commissioner, upon forms provided by the commissioner, a certificate of registration. Each such certificate of registration shall be accompanied by a reasonable fee established by rule by the commissioner to cover the associated administrative costs and shall include such information as the commissioner shall prescribe to enforce the provisions of this law; provided, however, that in the case of a multiple dwelling, the information required shall be at least that required pursuant to section 2 of P.L.1974, c.50 ([C.46:8-28](#)). The established fee may be increased to the extent permitted under subsection (e) of section 13 of P.L.1967, c.76 ([C.55:13A-13](#)). Upon the receipt of said certificate of registration and fee, the commissioner shall forthwith validate and issue to the owner of such hotel or multiple dwelling a validated copy of the certificate of registration, which validated copy shall be kept posted by the owner of such hotel or multiple dwelling at all times in the lobby or other conspicuous place on the premises. The posted certificate shall be reasonably protected from removal, alteration, defacement or damage by the elements in such manner as the commissioner may prescribe.

(2) An owner required to file a certificate of registration pursuant to paragraph (1) of this subsection shall annually file, on or before July 1, or as established by rule by the commissioner, a certification confirming that the information on the certificate of registration is current and accurate. Each annual certification shall be accompanied by a reasonable fee established by rule by the commissioner to cover the associated administrative costs. (3) An owner required to file a certificate of registration pursuant to paragraph (1) of this subsection shall file an amended certificate of registration within 20 days after any change in the information required to be included thereon. Once established by rule, the fee may be increased to the extent permitted under subsection (e) of section 13 of P.L.1967, c.76 ([C.55:13A-13](#)).

(b) The owner of each hotel, or of each multiple dwelling occupied or intended to be occupied by three or more persons living independently of each other shall appoint an agent for the purpose of receiving service of process and such orders or notices as may be issued by the commissioner pursuant to this act. Each such agent so appointed shall be a resident of the county in which the hotel or multiple dwelling is located or shall have an office in the county. If the agent is a corporation, it shall be licensed to do business in this State.

§ 55:13A-12. Certificate or registration; application; fee; annual certification; appointment of agent; notice of violation

(c) In the case of any transfer of the ownership in any hotel, or of any multiple dwelling occupied or intended to be occupied by three or more persons living independently of each other, whether by sale, assignment, gift, intestate succession, testate devolution, reorganization, receivership, foreclosure or execution process, it shall be the duty of the new owner thereof to file with the commissioner, within 20 days of said transfer, a certificate of registration pursuant to subsection (a) of this section, and to appoint an agent for the service of process pursuant to subsection (b) of this section.

(d) In any case whether the owner of a hotel or multiple dwelling subject to the provisions of this act has not fulfilled the requirements of this section, the commissioner shall notify the owner of the violation of this section and order that registration be accomplished within 30 days. The notice and order shall include an accurate restatement of the subsection with which the owner has not complied. If the owner has not complied with the order of the commissioner within 30 days, he shall be liable for a penalty of \$200.00 for each registration which the commissioner shall have ordered. The commissioner may issue a certificate to the clerk of the superior court that an owner is indebted for the payment of such penalty and thereupon the clerk shall immediately enter upon his record of docketed judgments the name of such owner, and of the State, a designation of the statute under which the penalty is imposed, the amount of the penalty so certified and the date such certification was made. The making of the entry shall have the same force and effect as the entry of the docketed judgment in the office of such clerk, and the commissioner shall have all of the remedies and maintain all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in a civil action, but without prejudice to the owner's right of appeal.

§ 55:13A-13. Inspection; fees

(a) Each multiple dwelling and each hotel shall be inspected for the purpose of determining the extent to which each hotel or multiple dwelling complies with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated hereunder. The commissioner shall establish by regulation the frequency of inspections, which shall be conducted as follows:

- (1) each hotel shall be inspected at least once every five years; and
- (2) each multiple dwelling shall be categorized into the following tiers based upon the number of reinspections required to abate the violations that were served upon the owner following an initial inspection:
 - (i) a multiple dwelling in which no violations are found or all violations have been abated by the first reinspection shall be placed in the highest tier and shall next be inspected in seven years, and the inspection fee shall be due at that time;
 - (ii) a multiple dwelling in which all violations have been abated by the second or third reinspection shall be placed in the middle tier and shall next be inspected in five years, and the inspection fee shall be due at that time;
 - (iii) a multiple dwelling in which all violations have not been abated by the third reinspection shall be placed in the lowest tier and shall next be inspected in two years, and the inspection fee shall be due at that time.
- (3) notwithstanding the provisions of paragraph (2) of this section to the contrary, if the commissioner determines that tiered inspection schedules do not adequately protect the health and safety of residents of multiple dwellings, the commissioner may, by regulation, require that cyclical inspections for multiple dwellings occur once every five years.

(b) Within 30 days of the most recent inspection, the owner of each hotel shall file with the commissioner, upon forms provided by the commissioner, an application for a certificate of inspection. Said application shall include such information as the commissioner shall prescribe to enforce the provisions of this law. Said application shall be accompanied by a fee as follows: \$15 per unit of dwelling space for the first 20 units of dwelling space in any building or project, \$12 per unit of dwelling space for the 21st through 100th unit in any building or project, \$8 per unit of dwelling space for the 101st through 250th unit in any building or project, and \$5 per unit of dwelling space for all units over 250 in any building or project, except that in the case of hotels open and operating less than six months in each year the fee shall be one-half that which would otherwise be required, or, as the case may be, the fees established by rule for each of the foregoing pursuant to subsection (e) of this section. A certificate of inspection and the fees therefor shall not be required more often than once each inspection cycle.

§ 55:13A-13. Inspection; fees

Additionally, there shall be reinspection fees for hotels in the amount of \$10 for each dwelling unit reinspected or, as the case may be, the fees established by rule for each of the foregoing pursuant to subsection (e) of this section.

Within 30 days of the most recent inspection of any multiple dwelling occupied or intended to be occupied by three or more persons living independently of each other, the owner of each such multiple dwelling shall file with the commissioner, upon forms provided by the commissioner, an application for a certificate of inspection. Said application shall include such information as the commissioner shall prescribe to enforce the provisions of this law. Said application shall be accompanied by a fee of \$33 per unit of dwelling space for the first 7 units in any building or project, \$21 per unit of dwelling space for the 8th through the 24th unit in any building or project, \$18 per unit for the 25th through the 48th unit in any building or project, and \$12 per unit of dwelling space for all units of dwelling space over 48 in any building or project, provided that the maximum total fee for owner-occupied three-unit multiple dwellings shall be limited to \$65 for owners having a household income that is less than 80 percent of the median income for households of similar size in the county in which the multiple dwelling is located, and the maximum total fee for owner-occupied four-unit multiple dwellings shall be limited to \$80 for owners having a household income that is less than 80 percent of the median income for households of similar size in the county in which the multiple dwelling is located, or, as the case may be, the fees established by rule for each of the foregoing pursuant to subsection (e) of this section. A certificate of inspection and the fees therefor shall not be required more often than once each inspection cycle.

Additionally, there shall be reinspection fees for multiple dwellings in the amount of \$40 for each dwelling unit reinspected, or, as the case may be, the fees established by rule pursuant to subsection (e) of this section, but only after the first reinspection.

The commissioner may waive the inspection fee for any unit upon a finding that the unit has been thoroughly inspected within the previous 12-month period under a municipal ordinance requiring inspection upon change of occupancy in accordance with the maintenance standards established by the commissioner under P.L.1967, c.76 ([C.55:13A-1](#) et seq.), and has received a municipal certificate of occupancy as a result of that inspection.

If the commissioner finds that (1) a building has been thoroughly inspected prior to resale since the most recent inspection in accordance with this section, (2) the inspection prior to resale was conducted by the municipality in accordance with the maintenance standards established by the commissioner under P.L.1967, c.76 ([C.55:13A-1](#) et seq.), and (3) a municipal certificate of occupancy was issued as a result of that inspection, the commissioner may accept the inspection done prior to resale in lieu of a current inspection under this section. If the commissioner accepts an inspection prior to resale in lieu of a current inspection, no fee shall be charged for any inspection done by the commissioner within the years remaining in the applicable inspection cycle after the date of the inspection so accepted.

(c) If the commissioner determines, as a result of the most recent inspection of any hotel or multiple dwelling as required by subsection (a) of this section, that any hotel or multiple dwelling complies with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated hereunder, then the commissioner shall issue to the owner thereof, upon receipt of the application and fee as required by subsection (b) of this section, a certificate of inspection. Any owner to whom a certificate of inspection is issued shall keep said certificate posted in a conspicuous location in the hotel or multiple dwelling to which the certificate applies. The certificate of inspection shall be in such form as may be prescribed by the commissioner.

The commissioner may, upon finding a consistent pattern of compliance with the maintenance standards established under P.L.1967, c.76 ([C.55:13A-1](#) et seq.) in at least 20 percent of the units in a building or project, issue a certificate of inspection for the building or project, in which case the inspection fee shall be charged on the basis of the number of units inspected.

The commissioner may by rule establish standards for self-inspection by condominium associations exercising control over buildings of not more than three stories, constructed after 1976, and certified by the local enforcing agency having jurisdiction as being in compliance with the Uniform Fire Code promulgated

§ 55:13A-13. Inspection; fees

pursuant to P.L.1983, c.383 ([C.52:27D-192](#) et seq.), in which at least 80 percent of the dwelling units are occupied by the unit owners. The commissioner shall issue a certificate of acceptance, which shall be in lieu of a certificate of inspection, upon acceptance of any such self-inspection and upon payment of a fee of \$25.

(d)

(1) If the commissioner determines, as a result of the most recent inspection of any hotel or multiple dwelling as required by subsection (a) of this section, that any hotel or multiple dwelling does not comply with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated thereunder, then the commissioner shall issue to the owner thereof a written notice stating the manner in which any such hotel or multiple dwelling does not comply with P.L.1967, c.76 ([C.55:13A-1](#) et seq.) or regulations promulgated thereunder. Said notice shall fix such date, not less than 60 days nor more than 180 days, on or before which any such hotel or multiple dwelling must comply with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated thereunder. If any such hotel or multiple dwelling is made to comply with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated thereunder on or before the date fixed in said notice, then the commissioner shall issue to the owner thereof a certificate of inspection as described in subsection (c) of this section. If any such hotel or multiple dwelling is not made to comply with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated thereunder on or before the date fixed in said notice, then the commissioner shall not issue to the owner thereof a certificate of inspection as described in subsection (c) of this section, and shall enforce the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) against the owner thereof.

(2) In addition to complying with the requirements of paragraph (1) of this subsection, if the commissioner determines that a violation of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) is a potentially hazardous violation, then the commissioner shall comply with this paragraph, and shall immediately send, by certified or ordinary mail, and by electronic mail, a written notice, stating the manner in which the hotel or multiple dwelling does not comply with P.L.1967, c.76 ([C.55:13A-1](#) et seq.) or regulations promulgated thereunder and setting a date upon which the owner shall be required to address the potentially hazardous violation. Such notice shall be sent to:

- (i)** The mayor of the municipality in which the hotel or multiple dwelling is located;
- (ii)** The administrator, business administrator, city manager, township manager, municipal manager, or other municipal official with executive authority not vested in the mayor of the municipality in which the hotel or multiple dwelling is located, as is applicable to the municipality;
- (iii)** All members of the governing body of the municipality in which the hotel or multiple dwelling is located;
- (iv)** The clerk, public information officer, or other municipal official responsible for the distribution of communications to the residents of the municipality, as applicable to the municipality; and
- (v)** The owner and operator of the hotel or multiple dwelling, including, if applicable, to the property owner's last known address, as determined through a review of local property tax and other available records.

(3) If a notice issued by the commissioner pursuant to this subsection concerns a potentially hazardous violation, then, in addition to complying with paragraphs (1) and (2) of this subsection, the commissioner and the owner and operator of a hotel or multiple dwelling shall comply with this paragraph, and the commissioner shall include as a part of the notice, a mailing notification, which shall contain large, easily readable text, clearly include the date by which the owner shall be required to address the potentially hazardous violation, and be presented on distinctly colored paper or other paper that is easily distinguishable from other notices or communications otherwise sent by the commissioner.

(4) The owner or operator of the hotel or multiple dwelling shall address the potentially hazardous violation prior to the date required by the commissioner in the notice issued pursuant to paragraphs (2)

§ 55:13A-13. Inspection; fees

and (3) of this subsection, and shall notify the municipality and the department who may conduct an inspection, in the case of the municipality, or a reinspection, in the case of the department, of the hotel or multiple dwelling to determine whether the potentially hazardous violation has been abated.

(5) If the owner or operator of the multiple dwelling fails to abate the potentially hazardous violation by the date ordered by the commissioner, then the owner or operator of the multiple dwelling shall provide a hard copy of said mailing notification to each existing resident of the multiple dwelling. The owner or operator of the multiple dwelling shall additionally post a copy of the notification in a conspicuous location in the lobby or common area of the multiple dwelling, in which the information is most likely to be viewed by residents or guests; and within 10 feet of the elevator on each floor of the multiple dwelling, or, if the multiple dwelling does not have an elevator, within 10 feet of, or in, the main stairwell of each floor. A notification posted in a common area of the multiple dwelling, pursuant to this subsection, may be removed only after the commissioner issues to the owner and operator a certificate of inspection as described in subsection (c) of this section. For a hotel room or dwelling unit impacted by a potentially hazardous violation, the owner or operator of any hotel or multiple dwelling shall not enter a new lease for non-owner occupancy, or make available for the same, such unit for such time as the hotel or multiple dwelling is made to comply with the provisions of P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and regulations promulgated thereunder and the commissioner has issued to the owner and operator thereof a certificate of inspection as described in subsection (c) of this section. An administrator, business administrator, city manager, township manager, municipal manager, or other appropriate municipal official of the municipality in which the hotel or multiple dwelling is located may, in their discretion, verify that the owner or operator of the multiple dwelling has posted the notification in compliance with this subsection.

(6) Once the owner or operator of the multiple dwelling abates the potentially hazardous violation, then the owner or operator of the multiple dwelling shall provide a notification to each existing resident of the multiple dwelling describing the violation and the steps taken to address it. The owner or operator of the multiple dwelling shall additionally post a copy of the notification in a conspicuous location in the lobby or common area of the multiple dwelling, in which the information is most likely to be viewed by residents or guests; and within 10 feet of the elevator on each floor of the multiple dwelling, or, if the multiple dwelling does not have an elevator, within 10 feet of, or in, the main stairwell of each floor. An administrator, business administrator, city manager, township manager, municipal manager, or other appropriate municipal official of the municipality in which the multiple dwelling is located may, in their discretion, verify that the owner or operator of the multiple dwelling has posted the notification in compliance with this subsection.

(e) The commissioner shall annually review the cost of implementing and enforcing P.L.1967, c.76 ([C.55:13A-1](#) et seq.), including the cost to municipalities of carrying out inspections pursuant to section 21 of P.L.1967, c.76 ([C.55:13A-21](#)), and shall establish by rule, not more frequently than once every three years, such fees as may be necessary to cover the costs of such implementation and enforcement; provided, however, that any increase or decrease shall be applied as a uniform percentage to each category of fee established herein, and provided, further, that the percentage amount of any increase shall not exceed the percentage increase in salaries paid to State employees since the then current fee schedule was established. The commissioner shall provide by rule to owners the option of paying inspection fees in installments in the form of an annual fee. The commissioner shall annually prepare and file with the presiding officers of the Senate and General Assembly and the legislative committees having jurisdiction in housing matters a report setting forth the amounts of fees and penalties received by the Bureau of Housing Inspection, the cost to the bureau of enforcing P.L.1967, c.76 ([C.55:13A-1](#) et seq.), and information concerning the productivity of the bureau. Copies of the report shall also be submitted to the Office of Administrative Law for publication in the New Jersey Register. If in any State fiscal year the fee revenue received by the bureau exceeds the cost of enforcement of P.L.1967, c.76 ([C.55:13A-1](#) et seq.), the excess revenue shall be distributed pro rata to persons who paid inspection fees during that fiscal year. Such distribution shall be made within three months after the end of the fiscal year.

§ 55:13A-13. Inspection; fees

(f) Except as otherwise provided in section 2 of [P.L.1991, c.179 \(C.55:13A-26.1\)](#), the fees established by or pursuant to the provisions of this section are dedicated to meeting the costs of implementing and enforcing P.L.1967, c.76 ([C.55:13A-1](#) et seq.) and shall not be used for any other purpose. All receipts in excess of \$2,200,000 are hereby appropriated for the purposes of P.L.1967, c.76 ([C.55:13A-1](#) et seq.).

§ 55:13A-17. Order to vacate; reinspection; hearing; injunctive relief

(a) If upon any inspection of any hotel or multiple dwelling the commissioner shall discover any violation of the provisions of this act or any rules and regulations promulgated thereunder, which constitutes an imminent hazard to the health, safety or welfare of the occupants or intended occupants thereof, or of the public generally, the commissioner may issue and cause to be served on the owner thereof a written order directing: (1) that any such hotel or multiple dwelling be vacated forthwith or, (2) that the violation be corrected within the period specified in the order. Such written order shall state the nature of any such violation and the date and hour by which: (1) any such hotel or multiple dwelling must be vacated or (2) any such violation must be abated.

(b) Upon the receipt by the commissioner of written notice from the owner of any hotel or multiple dwelling vacated or ordered to be vacated stating that any such violation has been terminated, the commissioner shall reinspect said hotel or multiple dwelling within 1 working day of the receipt of said notice. If upon any such reinspection the commissioner shall determine that any such violation has been terminated, the commissioner shall rescind any order requiring the vacation of said hotel or multiple dwelling, and occupancy thereof may be resumed forthwith; provided, that if any such reinspection is not made by the commissioner within 1 working day of the receipt of said notice, occupancy of any such hotel or multiple dwelling may be resumed forthwith.

(c) Where the owner of any hotel or multiple dwelling denies that any violation justifying an order to vacate exists, said owner may apply to the commissioner for a reconsideration hearing, which hearing must be afforded and a decision rendered by the commissioner within 48 hours of the receipt by the commissioner of the application for said hearing. If the commissioner shall decide adversely to said owner, said owner may petition the Superior Court of this State for injunctive relief against any order of the commissioner directing that any such hotel or multiple dwelling be vacated forthwith. Such relief may be sought by an order to show cause and may be granted ex parte pending a hearing de novo; provided, that the only issue to be determined in the hearing de novo shall be the existence of any violation of the provisions of this act, or rules and regulations promulgated thereunder, which constitutes an imminent hazard to the health, safety or welfare of the occupants or intended occupants of any such hotel or multiple dwelling, or to the public generally.

(d) Where the owner of any hotel or multiple dwelling denies that any violation justifying an order to abate within a specific period exists, said owner may seek injunctive relief by an order to show cause and said relief may be granted ex parte pending a hearing de novo provided, that the only issue to be determined in the hearing de novo shall be the existence of any violation of the provisions of this act, or rules and regulations promulgated thereunder, which constitutes a hazard to the health, safety or welfare of the occupants or intended occupants of any such hotel or multiple dwelling, or to the public generally.

§ 55:13A-18. Aggrieved persons; hearing; notice

Any person aggrieved by any ruling, action, order, or notice of the commissioner pursuant to this act, except any order or notice issued by the commissioner pursuant to sections 12(d), 15(e) and 17 of this act shall be entitled to a hearing before the commissioner. Within 15 days thereafter, the commissioner shall issue an order which adopts, rejects, or modifies the recommended report and decision, a copy of which shall be served on all parties of record. Pending the determination of the commissioner, and upon application therefor, the commissioner may grant a stay of the ruling, action, order, or notice complained of; provided, that no such stay shall be granted except upon such terms and conditions as will adequately protect the occupants or intended occupants of the hotel or multiple dwelling involved, or the public generally.

CASE NOTES

Administrative Law: Agency Adjudication: Hearings: General Overview

Where fines were assessed against building owner for violation of hotel and motel dwelling laws and where building owner submitted a belated request for an administrative hearing regarding such fines, building owner was not denied due process when the hearing was denied because the time within which the Department of Community Affairs could entertain a hearing was statutorily mandated, which did not empower the Department to entertain a belated request.
