

New Jersey Department of Community Affairs VCA Quarterly Report

2022: January 1, 2022 - March 31, 2022

The State of New Jersey {"State"}, Department of Community Affairs ("DCA"), Division of Disaster Recovery and Mitigation ("DRM") as the grantee of Community Development Block Grant- Disaster Recovery ("CDBG-DR") funding allocated to New Jersey by the U.S. Department of Housing and Urban Development ("HUD") for Superstorm Sandy ("Sandy") recovery, has prepared this Voluntary Compliance Agreement ("VCA") Quarterly Performance Report {"QPR"} addressing CDBG-DR funding and expenditures through the first quarter of 2022 (January- March).

This QPR shows that, through March 31, 2022, the State expended more than \$3.58B in CDBG-DR funds, and approximately \$17.5M in Program Income. As of the first quarter of 2022, the total CDBG-DR expenditures for low-to-moderate ("LMI") populations in New Jersey account for approximately 76.7% percent of the State's total CDBG-DR expenditures.

The report that follows highlights the State's continued progress in executing CDBG-DR recovery programs.

HOUSING RECOVERY ACTIVITIES:

The Reconstruction, Rehabilitation, Elevation, and Mitigation ("RREM") Program provides grants of up to \$150,000 to eligible, Sandy-impacted homeowners to reconstruct, repair, elevate or undertake mitigation measures for their storm-damaged primary homes. As of March 31, 2022, of the approximately 7,100 homeowners participating in RREM, 6,869 had completed construction. Also, more than \$1.3B of funding was disbursed to eligible participants.

The Low-to-Moderate Income ("LMI") Homeowner Rebuilding Program provides reconstruction, rehabilitation, elevation and mitigation assistance of up to \$150,000 to LMI homeowners whose primary residences were damaged by Superstorm Sandy but who did not apply to the RREM Program. The LMI Program includes a reserve of funding for owners of manufactured housing units/mobile homes to ensure that this group receives needed assistance. As of March 31, 2022, 256 projects had completed construction and nearly \$46M in program funding had been disbursed to eligible participants.

The Supplemental Fund is exclusively for homeowners in the RREM Program and the LMI Program who have a program-calculated unmet need and who have yet to complete construction. As of March 31, 2022, 110 Supplemental Fund awards were in various stages of processing, including the 28 in closeout.

Sandy-impacted households are served through the Housing Counseling ("HCS") Program, which provides free HUD-certified housing guidance through community-based nonprofit housing counseling agencies on a wide array of issues, including foreclosure, homelessness prevention, 1

budgeting, rental guidance, and utility help. As of March 31, 2022, 13,777 Sandy-impacted LMI households received housing counseling services through the program and approximately \$11.1M was expended.

Housing Counseling staff from Affordable Housing Alliance("AHA") and Navicore hold networking and outreach events to ensure that services and resources are made available to all in need. Attendees include residents, representatives from nonprofits, for-profits, and government entities that service various counties. The Agencies share information about available services and provide Sandy Recovery related resources as requested. In Q1 of 2022, there were no Housing Counseling Services events conducted. This was primarily due to the surge in COVID-19 cases.

To assist Sandy-impacted homeowners who face frequent flooding, the State is administering the Sandy Blue Acres Buyout Program in part with CDBG-DR funds. Blue Acres helps New Jersey families in flood zones move out of harm's way and enhances community flood resiliency. With respect to CDBG-DR funds, buyouts are underway in 13 municipalities (Keansburg, Linden, Manalapan, Manville, New Milford, Ocean Township, Old Bridge, Pemberton, Pleasantville, Rahway, Southampton, South River, and Woodbridge). Within these municipalities, 196 properties have been purchased, 1 property donated, and 168 homes demolished as of March 31, 2022.

RENTAL ASSISTANCE PROGRAMS:

The State also continues to create affordable rental units and serve renters' recovery needs. The State's largest affordable rental housing Sandy Recovery initiative is the Fund for Restoration of Multifamily Housing ("FRM") Program. During the first 90 days of lease-up for any FRM-funded project, developers must prioritize Sandy-impacted households who apply. As of March 31, 2022, 84 FRM-funded projects were complete, creating approximately 7,400 units. The State has awarded \$30M in FRM funding to nine public housing authority projects, all of which have completed construction.

The Sandy Special Needs Housing Fund ("SSNHF") provides funding for permanent supportive rental housing units for special needs populations. Funds have been awarded to 53 projects that are expected to create approximately 440 households for individuals with special needs. As of the first quarter of 2022, 414 special needs households were completed and about 25 special needs households were under construction.

The Neighborhood Enhancement Program ("NEP") returns abandoned or blighted housing to viability. To achieve this, NEP provides no-interest loans to eligible developers to purchase and rehabilitate properties in counties most impacted by Sandy. DCA has awarded NEP loans to 42 projects (189 housing units). As of March 31, 2022, 35 of the projects are completed and occupied, providing 128 rental units and 32 homeowner units. An additional four projects are completed and awaiting occupancy. The remaining three projects are under construction.

LEP ASSISTANCE AND VCA REQUIRED TRAINING:

There were sixteen requests for language assistance in Q1 of 2022. These requests originated from the HCS and Rebuild by Design ("RBD") Programs. Language assistance was provided in Spanish, Arabic and Korean via interpreters and translators. Eight counties received LEP requests: Ocean (1 request); Hudson (4 requests); Essex (3 requests); Middlesex (3 requests); Monmouth (1 request); Bergen (2 request); Union (1 request); and Atlantic (1 request).

DCA/DRM and subrecipients continue to ensure federally funded programs and activities are accessible to persons who do not speak English as their primary language and have a limited ability to speak, read, write, or understand English. It is also DCA/ORM's policy to manage and train DCA/DRM staff, contractors and subrecipients on language access procedures and to inform LEP individuals that language access services are available.

OCA/DRM provides two primary types of language access services: oral and written. Oral language access services come in the form of "in-language" communication (a demonstrably qualified bilingual staff member communicating directly in an LEP person's language) and/or interpreter services. Written language access services come in the form of written translation provided by the ORM Spanish-language translator or a OCA-approved translation contractor.

Telephonic Interpretation:

When interpretation is necessary, DCA/DRM staff utilizes a telephonic interpretation service that provides professional interpreters who can interpret program information into a constituent's native language. The toll-free service is made available through the NJ 211 Partnership via a contract with Stratus Audio. Stratus Audio provides interpretation in over 180 languages 24 hours a day, 7 days a week, 365 days a year.

Language Bank:

DCA/DRM always attempts to use professional interpreter services first. However, DCA/DRM also has the option to utilize staff and/or contractors who are fluent in a language other than English for basic interpretation. DCA has developed a roster of these individuals, along with their contact names, telephone numbers, email addresses, and hours of availability. The Language **Bank** is available to all Sandy Recovery programs having direct contact with the public.

I Speak Cards:

DCA/DRM uses language identification cards or "I Speak" cards when engaging in direct contact with the public. Housing Recovery Center and Housing Counseling staff are trained in the use of "I Speak" cards to identify the language needs of visitors.

Housing Counseling Agencies - Bilingual Staff:

The Housing Counseling Agencies have bilingual staff (including Spanish- speaking staff) who can assist applicants with in-person interpretation, and for written translation. If bilingual staff are unavailable, the agencies will utilize the telephonic interpreter service.

Translation of General Correspondence :

All Sandy-related email alerts and general correspondence with program constituents have been and continue to be translated in Spanish.

Translation of Press Releases:

All press releases related to Sandy Recovery are translated into Spanish, distributed to Spanish-language publications on DCA's Spanish-language media list, and posted on both the DCA website and DCA's DRM website.

Public Hearings and Citizen Participation Periods:

All written materials requesting input and participation from the public for any CDBG-DR related activity are translated into Spanish. Also, legal notices of public hearings are translated into Spanish and published in Spanish-language newspapers. Additionally, a Spanish-language interpreter is present at all ORM public hearings to provide interpretation services to attendees if needed. This includes public hearings about CDBG-DR programs as well as public hearings regarding CDBG-DR Action Plan Amendments. And given the demographics of the community, DCA/DRM has arranged to have Korean interpreters present at hearings for the RBD - Meadowlands Program.

Updating Website:

The DCA/ ORM website at: <https://www.nj.gov/dca/ddrm/plansreports/index.shtml> provides resources and reports as well as archived reports in both English and Spanish.

SECTION 3 COMPLIANCE:

In addition to continuing to fulfill its responsibilities with respect to providing timely and reasonable assistance to LEP individuals, in Q1 DCA/DRM continued to emphasize the importance of directing HUD generated economic opportunities to Section 3 businesses and residents to the greatest extent feasible.

In the first quarter of 2022, DCA/DRM provided informal technical assistance through phone calls and emails focused on Section 3 as well as Minority and Women-Owned Business Enterprises (MWBE) for program staff and contractors. Discussions covered the following topics: background on HUD's Section 3 and MWBE regulations, definitions, hiring and contracting goals, outreach resources and reporting, and required contract language.

The outcomes detailed in this report demonstrate DCA/DRM's steady progress in managing CDBG-DR recovery programs and illustrates the Department's dedication to ensuring equal and meaningful access

to recovery assistance for vulnerable populations including LMI households and LEP persons living in the nine counties that HUD determined were most impacted by the storm.

The next section provides updates on required provisions of the VCA:

Provision VIII.A

Quarterly Reporting will provide to FHEO and Complainants a quarterly report with the following information to track compliance with this Agreement.

Provision VIII.A.2

An updated list of each applicant to RREM, LRRP and the LMI Homeowners Program that provides the application ID, application status (i.e., approved, wait listed, rejected, still processing, in appeal), LMI status, LEP status, race, ethnicity, zip code, municipality, and county without information.

An updated list has been provided of each applicant in the RREM Program that had a change during Q4 2022, to one or more of the following fields as included in the accompanying report:

- Funding Status
- **LMI Status**
- LEP Status

Provision VIII.A.3

The most current list of all units and projects funded through FRM, FRM-PHA, SSNHF, and all other programs in Section 4.2 of the Action Plan, including street address, municipal location, family/senior/supportive status, and income levels served. The State will also post this information on DCA/SRD's Sandy website.

The most current list of funded units and projects this past quarter has been provided for LRRP, FRM and FRM-PHA. SNH and Homebuyer Assistance have nothing to report.

The LRRP includes a list of all applications with any change made to the record within the past quarter. The LRRP also has reported both "funded" and "funded partially" projects. "Funded partially" projects indicates a property in which there are multiple units, some of which are funded. For example, vacant units are eligible for funding while an occupied unit is not eligible for funding.

Provision VIII.B

Quarterly Reporting on LEP. DCA/SRD will submit to FHEO and Complainants an Implementation Report ("Report") on a quarterly basis that quantifies all requests for LEP services, LEP services that have been provided, and also identifies all actions taken to implement the Agreement.

Provision VIII.B.2

Each report shall contain a summary and a numerical count of all requests for LEP services and all LEP services that have been provided by DCA/SRD.

As noted earlier, there were 16 requests for language assistance in Q1 2022. These requests originated from the HCS and RBD Programs. Language assistance was provided in Spanish (14 requests), Arabic (1 request) and Korean (1 request) via interpreters and translators.

Provision VIII.8.3

Quarterly Reporting on LEP. DCA/SRD will submit to FHEO and Complainants an Implementation Report ("Report") on a quarterly basis that quantifies all requests for LEP services, LEP services that have been provided, and also identifies all actions taken to implement the Agreement. Each Report shall contain a narrative regarding DCA/SRD's monitoring of sub-recipients' LAPs and LEP compliance and provide an overview of DCA/SRD's findings.

DCA/DRM's HUD-approved LAP was adopted by DCA's subrecipient agencies and can be viewed on the ORM website [Mm](#)•

DCA/DRM has provided a detailed reporting of all Q1 2022 requests for LEP services.

As part of its annual monitoring of each Sandy-related program for compliance with Federal and program-related requirements, DCNDRM's Office of Compliance & Monitoring utilizes VCA Exhibits to monitor VCA and Title VI compliance i.e., the provision of language assistance to LEP individuals in CDBG-DR funded programs contained in the VCA.

Provision VIII.C

Quarterly reporting. DCA/SRD will provide to FHEO and Complainants and concurrently post on DCA/SRD's Sandy Website a quarterly report with the following information to track compliance with this agreement.

Provision VIII.C.2

DCA/SRD will report cumulative numbers of households served by FRM, FRM-PHA and SSNHF including household income as a percentage of area median family income as defined by HUD, the race and ethnicity of the head of the household if available, the household's LEP status, zip code, Census tract, municipality, and county.

A cumulative list of households served by the Fund for Restoration of Multifamily Housing (FRM) and Fund for Restoration of Multifamily Housing Public Housing Authority (FRM-PHA) and Special Needs Housing Fund (SSNHF) has been provided.

Provision VIII.C.3

DCA/SRD will provide updated lists of all projects funded through all infrastructure, small business, economic development, and other programs with municipal location and LMI benefit, and the methodology used to determine LMI benefit.

DCA provided funding for SSNHF and HCS projects this quarter. The other applicable programs have indicated there is no activity to report in Q1.

Provision VIII.C.4

DCA/SRD will provide total LMI benefit of all projects funded to date.

For expenditures since inception through March, DCA/DRM LMI is 56.6% of total CDBG-DR programs National Objective Expenditures. In the first quarter of 2022 alone, DCA/DRM LMI accounts for 76.7% of National Objective Expenditures.

VCA Quarterly Report

DCA/SRD will report cumulative numbers of households served by FRM, FRM-PHA and SSNH including household income as a percentage of area median family income as defined by HUD, the race and ethnicity of the head of the household if available, the household's LEP status, zip code, Census tract, municipality, and county.

Income Commitment	Race of Head of HH	Ethnicity of Head of HH	LEP Status	Zip	Project	Census Tract	Municipality	County
