

**NJ COMMUNITY ENGAGEMENT PROCESS:** The State of New Jersey through its Department of Community Affairs is collecting perspectives for the development of the State's 2026 Annual Action Plan. The Annual Action Plan is a required planning document for the State's use of its funds received from the U.S. Department of Housing and Urban Development through the HOME, Community Development Block Grant, Emergency Solutions Grant, Housing Opportunities for People with AIDS, National Housing Trust Fund, and Recovery Housing Programs. Your thoughts and experiences on needs in our communities are critical to the development of this plan.
