

LEAD HAZARD CONTROL & REMEDIATION CONTRACTORS

The US Latino Affairs Initiatives is calling on qualified contractors to join our Statewide Qualified Lead Contractor Pool for the 2025-2026 Lead Remediation and Abatement Program under the New Jersey Department of Community Affairs (DCA).

We are seeking up to 10 certified contractors to help combat lead-based paint hazards, protecting children and pregnant women from elevated blood lead levels. Our primary focus is Passaic County, where lead exposure remains a critical health concern.

OPPORTUNITIES AVAILABLE

☒ Lead Remediation/Mitigation

☒ Lead Abatement

(Only contractors on NJ's Certified Lead Abatement Contractor list may apply)

WHY JOIN?

Gain access to **state-funded lead remediation projects** Help improve **public health** and make a **real impact** Work in a structured, high-demand program
