5. Updated Coordinated Entry (CE) process & any materials relevant to CE.

- Bergen currently operates as a No Wrong Door Coordinated Entry, meaning that any homeless agency can add someone to the Coordinated Entry Housing Prioritization List. For those that are unsheltered, they can call the unsheltered hotline at (732)496-5460 and the outreach team will outreach them and add them to the Coordinated Entry Housing Prioritization List.

6. Any other marketing materials you would like to be included.

- Attached is the Bergen County Social Services Directory that is created by the county and can be helpful to share.
