 - ii. Advising that the resident shall be provided at least 60-days' written notice from the facility if the resident's continuing care agreement is being cancelled due to a violation of the facility's rules or regulations and that this notification may be waived if the facility can demonstrate just cause for terminating the continuing care agreement in accordance with [N.J.A.C. 5:19-6.5\(c\)](#); and

New Jersey Register, Vol. 49 No. 12, June 19, 2017

**New Jersey Administrative Code > TITLE 5. COMMUNITY AFFAIRS > CHAPTER 19.
CONTINUING CARE RETIREMENT COMMUNITY RULES > SUBCHAPTER 6. CONTRACTS****§ 5:19-6.5 Rescission and removal**

- (a) A resident has the right to rescind a continuing care agreement without penalty or forfeiture, except for the application fee and those costs specifically incurred by the facility at the request of the resident and set forth in writing in a separate addendum signed by both parties to the agreement, within 30 days after making an initial deposit or executing the agreement. A resident shall not be required to move into the facility designated in the agreement before the expiration of the 30-day period.
- (b) If a resident dies before the date the unit is available for occupancy pursuant to a continuing care agreement, or through illness, injury or incapacity is precluded from becoming a resident under the terms of the continuing care agreement, the agreement shall be automatically rescinded and the resident or the resident's legal representative shall receive a full refund of all moneys paid to the facility, except those costs specifically incurred by the facility at the request of the resident and set forth in writing in a separate addendum signed by both parties to the agreement.
- (c) No agreement for care shall permit dismissal or discharge of the resident from the facility prior to the expiration of the agreement without just cause for the removal. For the purposes of the Act, "just cause" means but is not limited to a good faith determination in writing, signed by the medical director and the administrator of the facility, that a resident is a danger to himself or others while remaining in the facility. The written determination shall state:
1. That the determination is made in good faith;
 2. The reasons supporting the determination that the resident is a danger to himself or others;
 3. The basis for the conclusion that there is no less restrictive alternative to dismissal, discharge or cancellation, as the case may be, for abating the dangerousness of the resident; and
 4. The basis for the conclusion that the danger is such that a notice period of less than 60 days is appropriate.
- (d) If a facility dismisses a resident for just cause, the resident shall be entitled to a refund of the resident's unearned entrance fee, if any, in the same manner as provided in (f) below.
- (e) A resident may request a hearing to contest a facility's decision to dismiss or discharge the resident. The hearing shall be held pursuant to the Administrative Procedure Act (P.L. 1968, c. 410, [N.J.S.A. 52:14B-1](#) et seq.) and the Uniform Administrative Practice Rules, [N.J.A.C. 1:1](#). If a resident has requested a hearing, the resident may not be removed prior to the outcome of the said hearing unless earlier removal is both warranted and required due to documented medical or other emergent needs to protect the resident, other residents, or employees of the facility or for other reasons expressly permitted by law.
- (f) It shall not be deemed just cause if the resident is unable to pay monthly maintenance fees until the entire unearned entrance fee plus, where applicable, any third-party insurance benefits received, are earned by the facility. For the purpose of this subsection, the unearned portion shall be the difference between the entrance fee paid by, or on behalf of, the resident and the cost of caring for the resident based upon the per capita cost to the facility. In lieu of calculating the actual per capita cost of caring for a resident, a

facility may provide, in the agreement for continuing care, that the per capita cost of caring for the resident shall be calculated as follows:

1. No more than two percent of the entrance fee for each month the resident occupies, or is entitled to occupy, a bed in the residential unit or residential health care unit of the facility;
 2. No more than four percent of the entrance fee for each month the resident occupies, or is entitled to occupy, a bed in the nursing unit of the facility; and
 3. No more than 10 percent of the entrance fee as a one-time charge for processing and refurbishment.
- (g) If the entrance fees as set forth in (f) above are exhausted within 90 days of the date of failure to pay, the facility may not require the resident to leave before 90 days from the date of failure to pay, during which time the resident shall continue to pay the facility a reduced fee based upon the resident's current income.
- (h) The following concern cancellation of a continuing care agreement:
1. A resident may, upon 60-days' written notice, cancel the continuing care agreement for any reason.
 2. Upon cancellation of the continuing care agreement by either the resident or the facility, the resident shall have the right to receive a refund of the amount of any entrance fee as provided in the continuing care agreement. The amount of the entrance fee shall be set forth in a clear and conspicuous manner in the continuing care agreement.
 3. A resident shall be provided at least 60-days' written notice from the facility if the resident's continuing care agreement is being cancelled due to a violation of the facility's rules or regulations. Notification may be waived if the facility can demonstrate just cause for terminating the continuing care agreement in accordance with (c) above. The resident may challenge the facility's notice of continuing care agreement cancellation by requesting a hearing in the same manner as for a hearing in a contested case pursuant to section 9 of P.L. 1968, c. 410 ([N.J.S.A. 52:14B-9](#)). If a resident has requested a hearing, the resident may not be removed prior to the outcome of the said hearing unless earlier removal is both warranted and required due to documented medical or other emergent needs to protect the resident, other residents, or employees of the facility or for other reasons expressly permitted by law.
 4. In a continuing care agreement that provides for a refundable entrance fee, when a resident permanently vacates the facility, or, in the case of two residents occupying the same residence, when both vacate at the same time, the facility shall provide to the resident or residents or the legal representative of the resident's estate, whichever is applicable, a refund of the refundable entrance fee amount without interest, as set forth in the agreement. Any unpaid fees or charges incurred by the resident including unpaid monthly service fees, as well as the amount of any charitable assistance that the facility has provided to the resident, may also be deducted from the remaining balance of the refund of the entrance fee. Any balance due to the resident shall be payable within 60 days from the date the residence is resold and the entrance fee from the new resident has been received.
 5. When an entrance fee deposit is refundable, it shall be paid to either the resident, the resident's named beneficiary, or the legal representative of the resident's estate, whichever is applicable. A resident shall have the right to change, in writing, the named beneficiary for the entrance fee refund at any time.
- (i) In any circumstance in which the facility retains or proposes to retain any portion of a resident's entrance fee or to deduct any amounts from any refund of an entrance fee due to the resident, the facility, prior to retaining or deducting such amounts, shall provide the resident (or the resident's legal representative) with written notice itemizing all such amounts and specifying the method by which such amounts were determined.
- (j) No act, agreement or statement of a resident or of an individual purchasing care for a resident under any agreement to furnish care to the resident shall constitute a valid waiver of any provision of the Act intended for the benefit or protection of the resident or the individual purchasing care for the resident.

- (k)** An agreement entered into prior to March 2, 1987 or prior to the issuance of a certificate of authority to the provider is valid and binding upon both parties in accordance with the terms of the agreement.

RESPONSIBILITY*****§ 5:19-7.1 Liquid reserves**

- (a) Each provider shall establish and maintain liquid reserves in an amount equal to or exceeding the greater of:
 - 1. The total of all principal and interest payments due during the next 12 months on account of any mortgage loan or other long term financing of the facility; or
 - 2. 15 percent of the projected annual operating expenses of the facility, exclusive of depreciation.
- (b) A provider shall notify the Department in writing at least 10 days prior to reducing the amount of funds available to satisfy the applicable liquid reserve requirement. A provider may not expend more than one-twelfth of the required balance each calendar month.
- (c) In a facility where some residents are not under continuing care agreements, the reserve shall be computed only on the proportional share of financing or operating expenses that is applicable to residents under continuing care agreements at the end of the provider's most recent fiscal year.
- (d) A provider may use funds in an endowment fund or escrow account, including an escrow account established by or pursuant to a mortgage loan, bond indenture or other long-term financing, to satisfy the reserve requirements of this section if the funds are available to make payments when operating funds are insufficient for these purposes.
- (e) In the case of a provider who has offered continuing care agreements to existing or prospective residents in a facility established prior to March 2, 1987 and which has one or more residents living there pursuant to agreements entered into prior to March 2, 1987, if the provider is unable to comply with this section of these rules within the time required, the Department may, upon the written request of the provider, issue a temporary certificate of authority to the provider. The provider may then enter into continuing care agreements which are in compliance with all other applicable provisions of the Act until the permanent certificate is issued.
- (f) The temporary certificates shall be issued only to those existing providers who shall be able to comply with the provisions of this section within a period of time determined by the Department but which does not exceed two years. If a provider is not in compliance on or before the expiration date of the temporary certificate, the provider may request an extension from the Department. The Department may grant an extension of up to three years to a provider who shall be able to comply with this section in that time period.

§ 5:19-7.2 Financial responsibility

- (a) The Department may require a provider to establish and maintain in escrow, on a current basis with a bank, trust company or other escrow agent approved by the Department, a portion of all entrance fees received by the provider in an aggregate amount not to exceed the total of all principal and interest payments due during the next 12 months on account of any first mortgage loan or other long-term financing of the facility. The provider may invest the funds in the escrow account, with the earnings thereon payable to the provider. If the provider so requests in writing, the escrow agent shall release up to one-twelfth of the original principal balance of the escrow account. The escrow agent shall not so release funds more than once during any calendar month, and then only after the escrow agent has given written notice to the Department at least 10 days prior to release. In this event, the Department shall use the proceeds thereof for full or partial satisfaction of obligations of the provider pursuant to contracts for continuing care in effect at that time.

- (a) The provider shall establish an interest-bearing escrow account with a bank, trust company or other escrow agent authorized to do business in the State of New Jersey, as a condition of the issuing of a certificate of authority. The provider shall place in the escrow account any entrance fees or payments in excess of five percent of the then-existing entrance fee for the living unit that are received by the provider prior to the date the resident is permitted to occupy the living unit in the facility.
- (b) The fees or payments are subject to release from the escrow account in the following manner:
1. If the entrance fee gives the resident the right to occupy a living unit which has been previously occupied, the entrance fee and any interest earned thereon shall be released to the provider when the living unit becomes available for occupancy by the new resident.
 2. If the entrance fee applies to a living unit which has not been previously occupied, the entrance fee and any interest earned thereon shall be released to the provider when the Department is satisfied that:
 - i. Aggregate entrance fees received or receivable by the provider pursuant to executed continuing care agreements equal at least 50 percent of the sum of the entrance fees due at full occupancy of the portion of the facility being certified, except that entrance fees receivable pursuant to an agreement shall be counted only if the facility has received a deposit of 35 percent or more of the entrance fee due from the individual signing the contract;
 - ii. The aggregate entrance fees received or receivable pursuant to the preceding paragraphs plus anticipated proceeds of any first mortgage loan or other long-term financing commitment and funds from other sources in the actual possession of the provider are equal to at least 50 percent of the aggregate cost of constructing or purchasing, equipping and furnishing the facility plus at least 50 percent of the funds necessary to fund start-up losses as estimated by the provider in the statement of anticipated source and application of funds submitted pursuant to [N.J.A.C. 5:19-4.2\(a\)](#)¹¹; and
 - iii. The provider has received a preliminary commitment for any permanent mortgage loan or other long-term financing described pursuant to [N.J.A.C. 5:19-4.2\(a\)](#)¹¹ and any conditions of the commitment prior to disbursement of funds thereunder, other than completion of the construction or closing of the purchase of the facility, are substantially satisfied.
 3. If the funds in the escrow account established pursuant to this section and any interest earned thereon are not released within 36 months, or a greater time if so specified by the provider with the consent of the Department, the escrow agent shall return the funds to the individuals who made payments to the provider.
 4. Nothing in this section shall require the provider to place any non-refundable application fees charged to prospective residents in escrow.

5. In lieu of any escrow required pursuant to this section, a provider is entitled to post a letter of credit from a financial institution, negotiable securities or a bond by a surety authorized to do business in this State, in a form approved by the Department and in an amount not to exceed the amount required by (b)2 above. The provider shall execute the letter of credit, negotiable securities or bond in favor of the Department on behalf of individuals who are entitled to a refund of entrance fees from the provider.
6. A provider may apply to the Department for a waiver of the applicable escrow requirements of this section when a provider constructs additional living units in an amount that does not exceed 10 percent of the facility's existing living units for continuing care residents. The provider shall apply for the waiver in writing to the Department. The Department may grant the waiver which may be effective for a period of one year or longer, at the discretion of the Department, if the construction of additional units meets the requirements of this subsection.

The resident has the right to expect that the provisions of the advance directive will be executed to the fullest extent possible.
18. Each resident shall receive every service, as contracted in the continuing care agreement that was executed upon the resident's admission, unless waived in writing by the resident, with the exception of changes required by State or Federal law or permitted in the continuing care agreement.

26. A resident who is insured by a health maintenance organization has the right to be referred by the resident's primary care physician to the nursing care unit that is part of the resident's facility instead of any other unit, provided that the unit has the capacity to provide the services needed and that it is in the best interests of the resident, and further provided that the facility accepts the applicable

 - iii. Providing this assistance would cause the facility to violate a covenant in a loan agreement.
30. A resident shall not be permitted to remain at the facility if the financial difficulty is due to the resident's misrepresentation to the facility about the extent of the resident's assets or income or if the resident gives away significant assets while residing at the facility. The facility shall notify the resident in writing of any right that the resident may have to appeal that determination.
31. Each resident shall be informed of Medicare and Medicaid program benefits and shall receive assistance in accessing these benefits to the extent that they are available at the facility.

 - 2. Notice of the resident's right to challenge the facility's notice of cancellation by requesting a hearing; and
 - 3. Notice of the resident's right to a prompt full or partial refund of the resident's entrance fee to the extent provided in the continuing care agreement or as provided by law.
- (c) Any cancellation of a continuing care agreement shall nevertheless be subject to the provisions of [N.J.A.C. 5:19-6.5](#), Rescission and removal, except as otherwise provided in this chapter, in the Act, or in other applicable law.

§ 5:19-13.2 Complaints and investigations ; violations; enforcement; penalties

- (a) Any person may, at any time, file a complaint with the Department concerning any matter subject to the Act or these rules. Said complaint may be written or oral. Nothing contained herein shall prevent the Department from instituting an investigation on its own initiative.
- (b) If the Department determines or has cause to believe that a person has engaged in any act or practice which constitutes a violation of P.L. 1986, c. 103 ([N.J.S.A. 52:27D-330](#) et seq.) or P.L. 2013, c. 167 ([N.J.S.A. 52:27D-360.1](#) et al.), the Department may take any or all of the following actions, as appropriate:
1. Issue a temporary cease and desist order upon the determination by the Department in writing, and based upon a finding of fact, that the public interest will be irreparably harmed by delay in issuing an order, including therein a provision that, upon written request made within five business days following issuance of the order, a hearing will be held within 10 days of that request to determine whether or not the temporary cease and desist order shall become permanent. A copy of any temporary or permanent cease and desist order shall be sent to the person by certified mail;
 2. Issue an order requiring such affirmative action as, in the judgment of the Department, will carry out the purposes of the Act or these rules;
 3. Bring an action in the Superior Court to enjoin the act or practice and to enforce compliance with P.L. 1986, c. 103 ([N.J.S.A. 52:27D-330](#) et seq.) and P.L. 2013, c. 167 ([N.J.S.A. 52:27D-360.1](#) et al.) if it appears that a person has engaged or is about to engage in an act or practice constituting a violation of a provision of P.L. 1986, c. 103 ([N.J.S.A. 52:27D-330](#) et seq.) or P.L. 2013, c. 167 ([N.J.S.A. 52:27D-360.1](#) et al.), or a rule or order of the Department. Upon a proper showing, the court may grant a permanent or temporary injunction, restraining order, or writ of mandamus and may appoint a receiver or conservator for the defendant or the defendant's assets. The Commissioner shall not be required to post a bond; or
 4. Levy and collect civil penalties in the amount of not less than \$ 250.00, and not more than \$ 50,000, for each violation of P.L. 1986, c. 103 ([N.J.S.A. 52:27D-330](#) et seq.) or P.L. 2013, c. 167 ([N.J.S.A. 52:27D-360.1](#) et al.), or any rule adopted pursuant thereto or order issued thereunder, and compromise and settle any claim for a penalty in such amount in the discretion of the Commissioner as may appear appropriate and equitable under the circumstances of the violation. Each day during which a violation continues after the effective date of a notice to terminate issued by the Commissioner shall constitute an additional, separate, and distinct violation. If an administrative order levying a civil penalty is not satisfied within 30 days of its issuance, the Commissioner may sue for and recover the penalty with costs in a summary proceeding under the "Penalty Enforcement Law of 1999," P.L. 1999, c. 274 ([N.J.S.A. 2A:58-10](#) et seq.) in the Superior Court.
 - i. Except as set forth below, the initial penalty levied for any violation shall not exceed \$ 250.00 per violation, or \$ 250.00 per unit in the case of any violation of Department rules for facility

certification, and a subsequent penalty for the same act or omission shall not exceed 10 times the amount of the last previous penalty or the statutory maximum, whichever is less.

- ii. The limitations set forth in (b)4i above shall not apply to any violation involving either dishonesty in dealings with residents or prospective residents, or willful disregard of the rights of residents.
- (c) For the purposes of actions that the Department may take under (b) above, the following shall have the same effect as a violation of P.L. 1986, c. 103 ([N.J.S.A. 52:27D-330](#) et seq.) or sections 1 through 7 of P.L. 2013, c. 167 ([N.J.S.A. 52:27D-360.1](#) et al.):
